The image features three round coffee tables rendered in white line art against a black background. The tables are arranged in a staggered pattern: one in the upper right, one in the lower left, and one in the lower center. Each table has a thick, rounded top and four curved, tapered legs. The text 'Gemini Coffee Tables' is centered in the middle of the composition.

The Gemini Coffee Tables are characterised by the combination of materials on the top and bottom of the table. Leather wraps around the entire base and even continues up the underside of the table top. Half way around the top the leather stops and the table is finished by a marble top with a perfectly curved edge which mirrors the curve of the leather. The Gemini Tables are available in 2 different shapes, round or soft-hex and in a variety of stone and leather combinations.

*Wooden structure covered in leather. Stone top fixed with screws.*
