The table is also available as a standalone unit to be used with chairs. Table tops may be specified with or without a center hole to receive a 1.5" (38 mm) - 1.75" (44.5 mm) diameter umbrella pole. When an umbrella hole is specified, a nylon collar and cap are included. The Apex Table Ensemble can be used with our Soleris Sunshade. 	<ul style="list-style-type: none"> Frame is made of aluminum with a powdercoat finish. See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge. (FSC License Code: FSC-C004453) The hardwood has a natural oiled finish that enhances the wood's rich color. 	<ul style="list-style-type: none"> The Apex Table Ensemble must be surface mounted. Anchors and stainless steel mounting screws are included. 	<ul style="list-style-type: none"> Metal surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent.
