## Consumer benefits

- NO MORE RISKS OF INJURY WITH THE SPOUT: Innovative built-in spout to prevent injuries with the faucet spout, ideal for young children.
- WARM BODY SAFETY: Hot water passageways are insulated at the rear of the mixer to avoid the risk of getting burned on the surface coming into contact with the skin.
- NO SPLASHING: No water on the edge of the bathtub thanks to the directed spray and a sharp cutoff that prevents slow trickles.
- ADDED SPACE: Built-in spout frees up space to fully enjoy your bath and take a shower without bumping into the faucet.
- GUARANTEE OF HIGH QUALITY: Polished chrome finish guaranteed 10 years. Mechanisms guaranteed 5 years. Metal handles.

## Installation benefits

- HOT WATER HEATER COMPATIBILITY: Compatible with all water heaters of at least 18 kW.
- DECK INSTALLATION: Compatible product with pillar connectors for bath deck installation (pillar connectors not included with product – order E75456-CP).
- INSTALLATION TIP: Wall-mount installation recommended if the bath deck is less than 10 cm. Beyond that, add pillar connectors (E75456-CP) and install on deck.
