*" WE DEVELOP MEMORABLE FURNITURE PIECES WITH A LOT OF SECRETS
TO TELL AND IMPRESSIVE DETAILS THAT WILL MAKE THE DIFFERENCE. "*

BRYANT

SIDE TABLE

The Bank of America Tower is an iconic skyscraper in New York City because of its shape and architecture. The building at One Bryant Park is considered a worldwide model for green architecture in skyscrapers, so PORUSTUDIO decided to honor it with this modern side table.

Bryant side table's structure is made in aged brushed brass.

WIDTH 44 cm | 17.3"
DEPTH 38 cm | 14.9"
HEIGHT 45 cm | 17.71"

MATERIALS Structure: Aged brushed brass,
Grey Kenzo marble
and Myrtle wood Burl with high
gloss varnish

CARSLAND

SIDE TABLE

Carsland is a modern side table which blends a very contemporary style with one of the most precious stones in the world, black and gold marble. The top in black and gold marble, composed of recrystallized carbonate minerals, features a black color on which there are white and golden stripes.

Below, the pedestal structure is made in aged brushed brass, contrasting with the marble top, creating a fabulous modern furniture piece.

DIAM. 48 cm | 18.9"
HEIGHT 53.9 cm | 21.2"

MATERIALS Top: Black and gold marble
Structure: Aged brushed brass

SEATTLE

SIDE TABLE

Built in the Seattle Center for the 1962 World's Fair, the astronomic observation tower Space Needle is a landmark of the Pacific Northwest and an icon of Seattle. Inspired by the enormous tower, Porustudio created a modern side table called Seattle. The Seattle modern side table features a top with a shape of a tray in polished brass.

Supporting the elegant top, Seattle modern side table features four wood legs which feet are detailed with polished brass.

DIAM. 37.5 cm | 14.7"
HEIGHT 45 cm | 17.7"

MATERIALS Top: Polished brass tray;
Legs in Palisander wood with brass details.

PARAMOUNT

SIDE TABLE

The Paramount Theatre is an Art Deco movie theater located at Broadway, California and was built as a movie palace, during the rise of the motion picture industry in the late 1920s.

The stunning interiors of the theatre was the motto for our Paramount modern side table, a mid century modern furniture piece with some Art Deco details that will embellish any contemporary living space.

WIDTH 50 cm | 24"
DEPTH 48.5 cm | 19.09"
HEIGHT 65 cm | 25.5"

MATERIALS Structure: Polished Brass
Shelves: Radial matched ironwood with high gloss varnish, Smoked glass.

BIRD HOUSE

SIDE TABLE

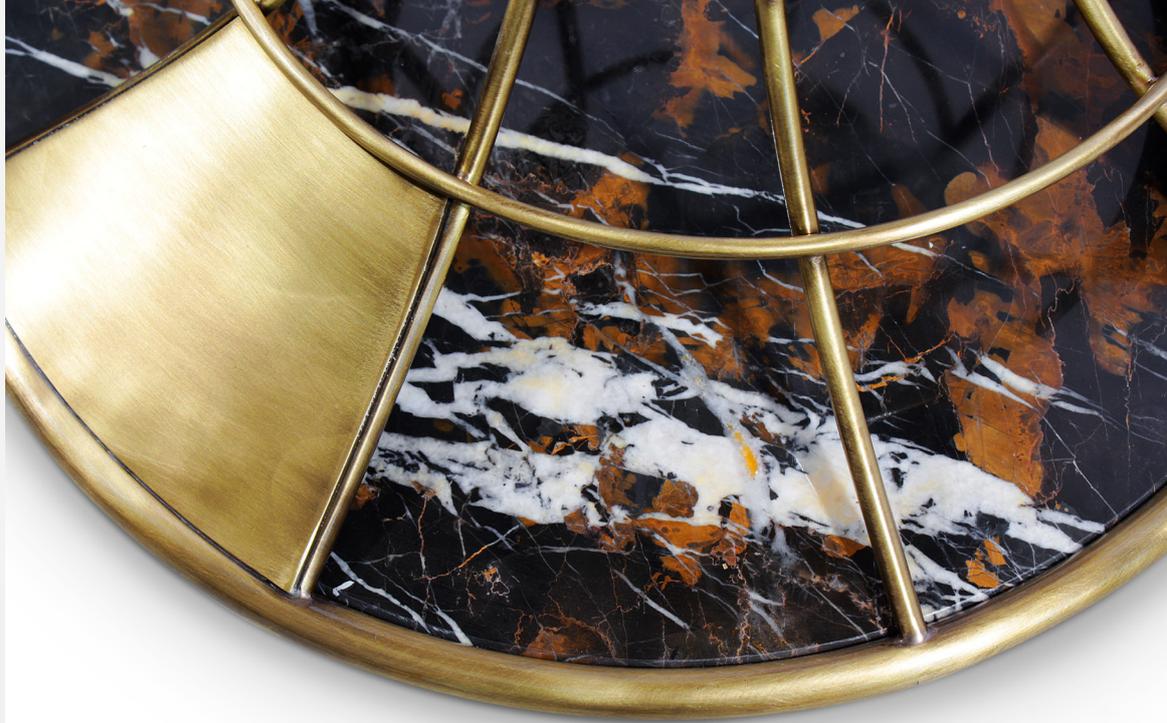

Porus Studio is very enthusiastic about nature, being always looking for the most inspiring places to create new stories. During one of the many trips we have been making, there is one that blown our minds because of the piece and tranquility it conveys.

The Bird Garden, located at the St. Louis Zoo was the inspiration for our design team to create this stunning side table.

DIA. 45 cm | 17.7"
HEIGHT 57 cm | 22.4"

MATERIALS Top: Black and gold marble
Structure: Brushed Brass
Base: Black and gold marble

BOULDER

SIDE TABLE

One of our designers went to the US and while passing by the Boulder Valley, where the Rocky Mountains meet the Great Plains, by the end of winter time was amazed by the beautiful snow patters that could be seen along the valley.

Inspired by this mountain, our designers created this modern furniture piece that will look great in contemporary living space.

DIA. 54 cm | 21,3"
HEIGHT 80 cm | 31.5"

MATERIALS

Top: Marble negro marquina
Structure: brushed brass

LIGNUM

SIDE TABLE

The delicate, almost sculptural shape of this contemporary design piece is inspired by the super trees of Singapore's Gardens by the Bay, a project that is an overwhelming architectural and landscape wonder of the 21st century. This project was intended to enhance the green in the city. The Lignum Side Table as an antique brushed brass structure and a marble table top that bring metals and minerals together, recreating a refreshing feel and a lush environment in your modern living space.

DIA. 25.5 cm | 10"
HEIGHT 52 cm | 20.5"

MATERIALS

Top: Polished black marble
Structure: Aged brushed brass

LAKWOOD

SIDE TABLE

Our designers wanted to show the diversity of different forms and materials and that is why our Lakewood Side table presents a table top in black stained oak and a base in aged brushed brass as well as polished black & gold marble. This contemporary side table will give a young and design-like vibe to your living spaces, showing strong, refined shapes that are a perfect solution for any decor idea.

WIDTH 45 cm | 17.7"

DEPTH 45 cm | 17.7"

HEIGHT 50 cm | 24"

MATERIALS

Table top: Black stained oak
Base: Aged brushed brass ,
Polished black & gold marble

DECATUR

BAR CART

Decatur Bar Cart has an elegant structure, combining different types of brass finishes as polished, aged and brushed and lacquered. Along with its asymmetric basis, with dark glass in the top and marble in the bottom, Decatur has also two wheels, containers and bottle holders.

WIDTH 54 cm | 21.3"
DEPTH 70 cm | 27.6"
HEIGHT 85 cm | 33.5"

MATERIALS

Structure: Polished brass, Aged brushed brass, Lacquered brass, Marble
Tray: Polished brass, Black glass

CROSSROADS

BAR CART

Crossroads Bar Cart has a round structure in aged copper plated brass and lacquered brass and its bases in black glass, along with the walnut wood handles. Crossroads Bar Cart intersects aesthetic with function, ensuring nothing goes in the wrong way when it comes to toasts and leisure.

DIAMETER 53 cm | 20.9"
HEIGHT 77 cm | 30.3"

MATERIALS

Structure: Aged copper plated brass,
Lacquered brass, Black glass;
Handles: Walnut wood

BUCK

COFFEE TABLE

Porus Studio created the Buck Coffee Table, this piece structured in walnut root veneer with brushed brass frames on the top, leg and base, will be an impressive part of any room that embraces it. The Buck Coffee Table was designed by Porus Studio and is part of the Tables Collection.

DIAMETER 53 cm | 20.9"
HEIGHT 77 cm | 30.3"

MATERIALS

Top: Walnut wood
Structure: Brushed brass.

KNOX

NIGHTSTAND

Having in mind that the vaults are virtually impossible to get into and also because of its complexity, Porus Studio designed a mid-century modern nightstand where you can keep your most valuable dreams.

Fort Knox is the most secure vault in the world, have giving its name to our Knox modern side table.

WIDTH 66 cm | 25.98"
DEPTH 50 cm | 19.7"
HEIGHT 62 cm | 15.7"

MATERIALS Top: Marble Negro Marquina and Ochiro; Drawer: Lacquered Bird's Eye wood with Black Satin Stain, Brushed Brass
Structure: Lacquered Bird's Eye wood with Black Satin Stain

COLOMA

NIGHTSTAND

The Coloma modern nightstand draws inspiration from Coloma, California, a census - designated place that is well known for James W. Marshall having found gold, leading to the California Gold Rush. The contemporary nightstand it's a reinterpretation of the amazing Coloma luxurious sideboard, featuring a brushed brass details that embraces the main American walnut and Grey Kenzo marble structure.

WIDTH 57.5 cm | 22.6"
DEPTH 43 cm | 16.9"
HEIGHT 60 cm | 23.6"

MATERIALS Structure: American walnut
and Grey Kenzo marble
Base: Brushed brass
Interior: American walnut
Details: Brushed brass

LINCOLN

NIGHTSTAND

The exquisite and handcrafted luxury nightstand has a top with 2 drawers 2 drawers finished in black high gloss varnish, contrasting with the main structure in Negro Marquina marble and aged brushed brass. The mid-century modern nightstand exhales gentleness, sensitivity and class. It is ideal for a refined bedroom area. Lincoln Desk was designed by Porustudio and is part of the Casegoods Collection.

HEIGHT 52 cm | 20.5"

MATERIALS

Top: Lacquered wood with high gloss varnish,
Drawers: Genuine Leather
Legs: Negro Marquina marble, aged brushed brass
Details: Aged brushed brass

MONTICELLO

CENTER TABLE

Monticello, located in Lake Berryessa, California, is the largest glory hole in the world. This unique place inspired the designers to create Monticello contemporary center table.

The top of the contemporary center table is made in dark oak wood, surrounded by a brushed brass structure. This structure extends along four elegant legs which connects the top to the dark oak wood base.

DIAMETER 125 cm | 49.2"
HEIGHT 38 cm | 14.9"

MATERIALS Top: Dark Oak wood.
Structure: Brass with terracota finish.

ROUTE

CENTER TABLE

The Route modern center table is a reinterpretation of a railway into a contemporary furniture piece. The modern center table is splitted into five American wood structures which forms the top.

The base, made in brushed brass and finished with varnish, holds the marvelous wood top, turning this modern furniture piece into an essential addition to any contemporary living space.

WIDTH 104.5 cm | 41.1"

DEPTH 60 cm | 23.6"

HEIGHT 30 cm | 11.8"

MATERIALS Top: American walnut
Structure: Aged brushed brass finished
with varnish

JUDD

CENTER TABLE

Donald Judd was an American artist generally considered the leading international exponent of "minimalism". The artist moved from New York to Marfa and remodelled the remote Texas town according to his minimalist aesthetic. The desert utopia sculpture created by Donald inspired Porus Studio to design the Judd center table.

The mid century modern table features a structure in terracotta metal, detailed with the elm burl wood in the center.

WIDTH 120 cm | 47.2"

DEPTH 120 cm | 47.2"

HEIGHT 34 cm | 13.3"

MATERIALS Top: Elm burl wood
Structure: Terracotta metal
Details: Polished Brass

WESTINGHOUSE

CENTER TABLE

Inspired by time capsules, where people stored their most precious assets, it emerges a modern and simple center table where you can keep your most loved objects.

It is your timeless center table. The Westinghouse Center Table has an outstanding marble top that displays a gray dramatic veining that results in thick, predominate patterns, the structure is in wood lacquered in gold with brown patina. This handcrafted center table is ideal for an organic chic, contemporary room decor.

WIDTH 98 cm | 38.6"

DEPTH 98 cm | 38.6"

HEIGHT 51 cm | 20.1"

MATERIALS

Top: Calacatta and Black
Gold Marble

Structure: Wood lacquered in gold
with brown patina

CUBICLE

CENTER TABLE

Cubicle Center table was inspired by Robert Propst 1967's creation, the Action Office, commonly known as cubicles. At the time, these working areas were a symbol of a new era in the modern office setting due to their uniformity, blandness and to the greater degree of privacy and personalization that they provided to the employee.

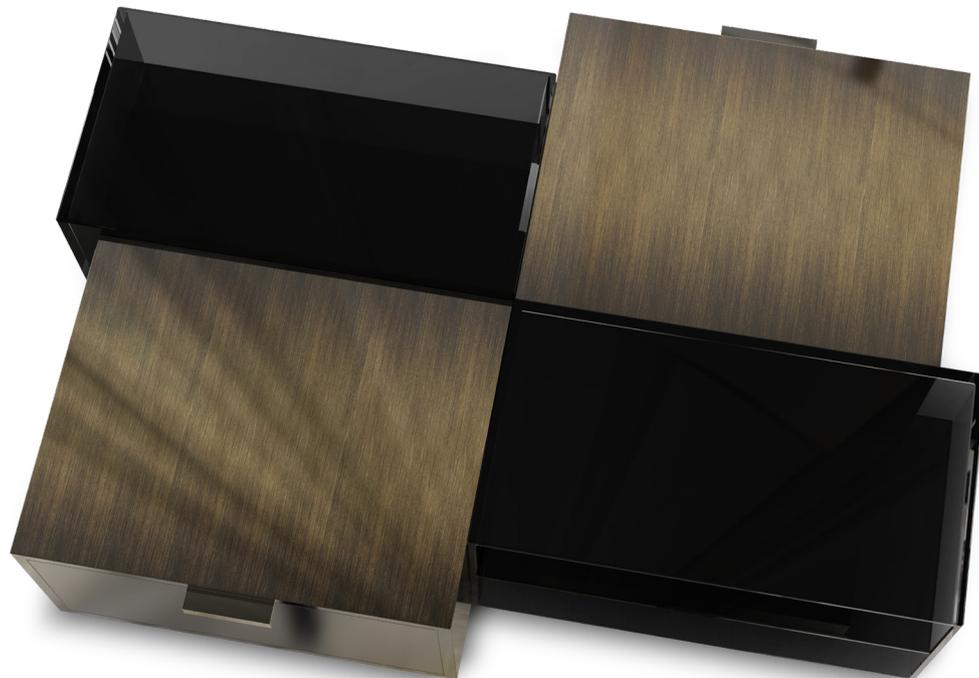

The cubicle is still very popular and can be seen applied in most of the greatest companies in the world due to high level of layout adaptation and the efficiency it adds to the use of space inside of an organization.

WIDTH 110 cm | 43.3"
DEPTH 85 cm | 33.5"
HEIGHT 33 cm | 13"

MATERIALS

Structure: Aged brushed brass;
Base: Polished brass;
Details: Polished brass;

SQUARE

CENTER TABLE

A square multiplied countless times, was what Porus Studio designers thought of when they drew inspiration from one of the greatest buildings in the Times Square neighborhood of Manhattan, the Eleven Times Square. The tower was complete in 2011 and it is the tallest building in New York City. Inspired by the polygonal shape of the building and its many squares, Porus designed the Square Center Table. Simple yet elegant, the modern center table has a top with smoked glass and Emperador marble and its structure made of aged brushed brass. This contemporary center table is the perfect choice for any modern living room interior design.

WIDTH 140 cm | 55.1"

DEPTH 148 cm | 58.3"

HEIGHT 44 cm | 17.3"

MATERIALS

Top: Emperador marble, smoked glass;
Structure: Aged Brushed Brass;

CADDO

DINING TABLE

Caddo is one of Texas's few non-oxbow natural lakes and is the second largest in the South; however, it was artificially altered by the addition of a dam in the 1900s. Caddo modern dining table was inspired in this immense natural lake.

Caddo modern dining table's top is made in a luxurious Calacatta marble, while the structure is made in aged brushed brass until the base, having only a detail in marble as well. This stately yet sober contemporary dining table represents a must have for any luxurious living space.

DIAM. 175 cm | 68.9"
HEIGHT 82.3 cm | 32.4"

MATERIALS Top: Calacatta marble;
Structure: Brushed brass.

BUCK

DINING TABLE

Buck Lake, the centerpiece of recreation in Central Plumas County, is a beautiful, semi-isolated destination with 17 miles of shoreline, sandy beaches and tall pines. Inspired by this imposing nature hidden treasure, Porustudio created the Buck modern dining table to embellish any contemporary living space.

The structure of the modern dining table is made in walnut wood, combined with the beautiful brushed brass frames on the top and leg.

DIAM. 141 cm | 55.5"
HEIGHT 75 cm | 29.5"

MATERIALS Top: Walnut wood
Structure: Brushed brass.

NORTHUP

DINING TABLE

Optimism in its truest form, this modern dining table was influenced by The Underground Railroad. The track inspired metal base slowly moves upward, supporting a modern and complex Estremoz and Marquina marble top.

The Northup modern dining table is a very elegant and stylish choice to impress in any contemporary living space.

DIAM. 173 cm | 68.1"
HEIGHT 75 cm | 26.5"

MATERIALS Top: Terracota Marble
Structure: Metal

MILLS

DINING TABLE

Robert Mills was the first native born american to be a professionally trained architect. Known for designing the Washington Monument, the american architect was the inspiration for this outstanding dining table. Inspired by one of the tallest buildings in the United States, Mills dining table was born.

DIAMETER 150 cm | 59.1"
HEIGHT 76 cm | 29.9"

MATERIALS

Top: St. Laurent marble
Structure: Polished brass

BROAD

DINING TABLE

Zaha Hadid designed the Eli and Edythe Broad Art Museum with a pleated facade of stainless steel and glass. The building is named after philanthropists Eli and Edythe Broad, who have spent four decades amassing two prominent collections of contemporary and postwar artworks. In honor of one of the greatest designers of the whole world, the Broad dining table was born. With polished calacatta marble on the top and black nickel plated tubular structure, the Broad dining table is an imposing and exclusive dining table, it is a must have in any contemporary home decor.

WIDTH 240 cm | 94.5"

DEPTH 120 cm | 47.2"

HEIGHT 75 cm | 29.5"

MATERIALS

Top: Calacatta marble

Structure: Black nickel plated brass

BOULDER

DINING TABLE

While passing by the Boulder Valley, where the Rocky Mountains meet the Great Plains, one of Porus Studio designers was amazed by the beautiful snow patterns that could be seen along the valley. Inspired by this wonder of nature, our designers created this modern dining table to bring a dynamic and stylish look to your dining room.

The beautiful Emperador marble table top is supported by a brushed brass structure that reflects our reinterpretation of the Boulder Valley at the winter time. The Boulder dining table is a contemporary and daring piece that will look great in contemporary dining room.

WIDTH 300 cm | 118.1"

DEPTH 160cm | 63"

HEIGHT 75 cm | 29.5"

MATERIALS Table top: emperador marble
Base: brushed brass

KENIA

DINING TABLE

Featuring a Carrara marble top supported by an aged brushed brass asymmetric two feet, the Kenai Dining Table is the perfect piece to match with style your dining chairs set. Fully authentic, this modern dining table can be customized to attend your project's needs. The Kenai Dining Table will make a deluxe impression on your guests, yet it manages to retain a modern minimalist feel.

WIDTH 240 cm | 94.5" **size 1**
WIDTH 300 cm | 118.1" **size 2**
DEPTH 120 cm | 47.2"
HEIGHT 75 cm | 29.5"

MATERIALS

Top: Carrara marble
Structure: Aged brushed brass and Carrara Marble

MICHIGAN

CONSOLE

Reflecting the architectural design and urbanism along Michigan Avenue, the Porus Studio designers conceived the Michigan Console. Structured in aged brushed brass, the high-end black stained ashwood top of this contemporary console holds a Grey Kenzon Marble, featuring three drawers finished with a black leather interior. The Michigan Console is an indispensable piece in any modern living room décor.

WIDTH 120 cm | 47.2"

DEPTH 35 cm | 13.7"

HEIGHT 85 cm | 33.5"

MATERIALS

Top: Black stained ash wood and Grey Kenzo marble
Structure: Aged brushed brass
Interior : black leather

SUTTER

CONSOLE

Johann Sutter is known for his association with the California Gold Rush by the discovery of gold by James W. Marshall and the mill making team at Sutter's Mill. Such phenomenal discovery inspired us to create the Sutter modern Console, featuring a brushed brass with varnish structure.

The stunning dark oak wood top of the contemporary console holds a charming black marble gold stone.

WIDTH 140 cm | 55.1"
DEPTH 35 cm | 13.7"
HEIGHT 81 cm | 31.8"

MATERIALS Top: Black and gold marble
Drawer: Dark Oak; Structure: Brushed Brass

VEGAS

CONSOLE

“The Fabulous Las Vegas” is the major resort city known primarily for its gambling, shopping, fine dining, entertainment, and nightlife. The major attractions in Las Vegas are the mega casino-hotels. Inspired by the ravishing Vdara hotel, located right in the heart of the Las Vegas Strip, Porustudio created Vegas console.

The structure is made with polished brass tubes, embracing the interior of the contemporary furniture piece. This stunning mid century modern console would fit in any stylish and contemporary living space.

WIDTH 162 cm | 63.8"
DEPTH 55 cm | 21.6"
HEIGHT 90 cm | 35.4"

MATERIALS Top: Lacquered wood
with high gloss varnish;
Drawers: Black leather;
Structure: Polished Brass

ALDRICH

DRESSING TABLE

The Abby Aldrich Rockefeller Sculpture Garden is a dynamic outdoor space in the heart of Midtown, New York City. The garden remains a tranquil oasis amid the bustle of Manhattan's busiest neighborhood.

Inspired by the stunning sculpture, the Aldrich modern dressing table is an intimate furniture piece, designed for you to share your deepest secrets with yourself.

WIDTH 122 cm | 48.03"
DEPTH 47 cm | 18.5"
HEIGHT 130 cm | 51.18"

MATERIALS Top: Lacquered wood
Structure: Aged Brushed Brass
Mirror: Aged Brushed Brass, Crystal mirror

LINCOLN

DESK

Lincoln Desk is an imposing and modern furniture piece which honors the renowned Lincoln Memorial. The Lincoln Memorial was built to glorify Abraham Lincoln, the 16th president of the United States.

Inspired by such mark of a nation, Porus Studio created an unforgettable mid-century modern desk to dazzle in any contemporary home décor.

WIDTH 189 cm | 74.4"
DEPTH 72 cm | 28.3"
HEIGHT 83 cm | 32.6"

MATERIALS Top: Marble Negro Marquina and Ochiro; Drawer: Lacquered Bird's Eye wood with Black Satin Stain, Brushed Brass; Structure: Lacquered Bird's Eye wood with Black Satin Stain

COLOMA

SIDEBOARD

Coloma, in California, is renowned for being the scene where James W. Marshall first found gold in the Sierra Nevada, at Sutter's Mill in 1848, leading to the California Gold Rush.

The polished brass detail embracing the main structure of the Coloma contemporary sideboard reflects our inspiration in the Gold Rush and consequently Coloma, where all this story started.

WIDTH 180 cm | 70.8"

DEPTH 45,5 cm | 17.9"

HEIGHT 60 cm | 23.6"

MATERIALS Structure: American Wood, Grey Kenzo Marble Inside: Smoked Glass, american wood Legs: Polished Brass Details: Polished Brass

HANCOCK

SIDEBOARD

The John Hancock Center is an immense skyscraper in Chicago constructed under the supervision of Bruce Grahamand. The big tower is one of the most famous buildings of the structural expressionist style which exterior shows that the structure's skin is part of its tubular system.

Inspired by such phenomenal building, Porustudio created Hancock modern Sideboard, which base is made in polished brass, inspired by the tubular system of the skyscraper.

WIDTH 198 cm | 77.9"
DEPTH 47 cm | 18.5"
HEIGHT 87 cm | 34.3"

MATERIALS Structure: Dark Oak Wood, Black Leather Inside: Smoked Glass, Aged Mirror
Base: Polished Brass
Details: Polished Brass

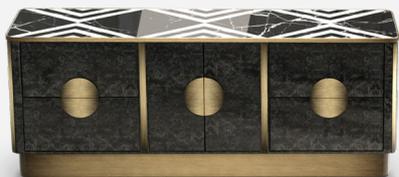

KNOX

SIDEBOARD

The Knox Sideboard originates from one of Porus Studio's iconic design piece, Knox contemporary nightstand. Based on the same aesthetic that created a legacy, the Knox Sideboard takes exceptional craftsmanship and design to a new dimension. Consisting of three modules, the Knox modern sideboard features at the extremities, modules with drawers and in the center with shelves. Finished in lacquered wood with aged brass effect details, a structure of Black stained bird's eye wood with high gloss varnish and a top of Negro Marquina and Ochiro the mid-century modern nightstand becomes an emblematic piece of furniture that will add style to your modern interior design décor.

WIDTH 220 cm | 86.6"
DEPTH 56 cm | 22"
HEIGHT 80 cm | 31.3"

MATERIALS Top: Negro Marquina and Ochiro marble
Structure: Black stained bird's eye veneer
Details: Aged brass effect.
Interior: Matte black lacquered

COLUMBIA

SIDEBOARD

Known as "one of the great grand dames of Art Deco Streamline Moderne in Los Angeles", the Eastern Columbia Building inspired Porus Studio Design team to create the Columbia Family. This modern sideboard features a stunning brushed brass frame and a structure made in ebony wood with a high gloss varnish finish hides. On the inside, an exciting and exotic interior storage with lacquered wood shelves with a high gloss varnish, blended with 6 brushed brass handles. Columbia mid-century modern sideboard will add art deco style and personality to any home décor.

WIDTH 275 cm | 108.3"
DEPTH 72 cm | 28.3"
HEIGHT 75 cm | 29.5"

MATERIALS

Structure: Ebony wood
Details: Brushed brass

VEGAS

CABINET

"Tha Fabulous Las Vegas" is the major resort city known primarily for its gambling, shopping, fine dining, entertainment, and nightlife. The major attractions in Las Vegas are the mega casino-hotels.

Inspired by the ravishing Vdara hotel, located right in the heart of the Las Vegas Strip, Porustudio created Vegas bookcase.

WIDTH 163 cm | 64.1"
DEPTH 55 cm | 21.6"
HEIGHT 210 cm | 82.6"

MATERIALS Structure: Ironwood Veneer, Lacquered wood with high gloss varnish, Polished; Brass Drawers: Ironwood Veneer
Details: Polished Brass

BELLAGIO

CABINET

The Fountains of Bellagio, in Las Vegas, were destined to romance human senses. The incredible show of thoughtfully interwoven water, music and lights were designed to mesmerize its admirers and so Bellagio contemporary cabinet does.

Those water and light blasts were the starting point for this modern cabinet, recreated on the polished brass details upon the bird eye wood with a black translucent lacquer structure.

WIDTH 102 cm | 40.1"
DEPTH 64 cm | 25.1"
HEIGHT 178 cm | 70.07"

MATERIALS Structure: Bird's Eye wood with Black Satin Stain, Inside: Mirror, Smoked Glass
Base: Polished Brass
Details: Polished Brass, Glass

CALDERA

CABINET

Locally known as "The Crater", the Homestead Caldera is a natural hot spring surrounded by a rock dome in Utah. The Crater began forming 10,000 years ago, and is a commercial location open year round to scuba divers and swimmers.

The Caldera contemporary cabinet is a stunning modern furniture piece inspired by this hidden treasure in America. The core element of this modern drinks cabinet is an oval structure in brass with three smoked glass shelves, which gives us an hypnotizing optical illusion.

WIDTH 90 cm | 35.4"
DEPTH 41 cm | 16.1"
HEIGHT 172 cm | 67.7"

MATERIALS Structure: Myrtle Burl Wood with high gloss varnish, Brushed brass, Smoked glass shelf. Inside: Lacquered wood with high gloss varnish.

HINES

CABINET

Tall Wood construction in North America has taken a new turn with T3 Minneapolis, the first modern tall building made in wood to be built in the USA and it was led by the developer Hines. Hines had a vision of sustainable construction. Inspired by the modern and straight lines of the building and the use of wood that is clearly evidenced in the modern cabinet, it was born the contemporary cabinet Hines. The structure of the retro-chic cabinet is made in black stained ashwood, lacquered wood, smoked glass, and antiqued mirror and it is suspended on aged brushed brass legs. This cabinet is the ideal home furniture piece for storage with style in modern home decor.

WIDTH 160 cm | 63"
DEPTH 47 cm | 18.5"
HEIGHT 140 cm | 55.1"

MATERIALS Structure:Black stained ashwood, lacquered wood, smoked glass, antiqued mirror;
Base:Aged brushed brass;
Details: Aged brushed brass;

COLUMBIA

ARMOIR

The Eastern Columbia Building is “one of the great grand dames of Art Deco Streamline Moderne in Los Angeles.” Also known as the Eastern Columbia Lofts, the thirteen-story Claud Beelman designed Art deco building is located Downtown Los Angeles.

The Eastern Columbia would be the perfect place to fit our Columbia mid century modern Armoire due to the inspiration and style of the modern furniture piece.

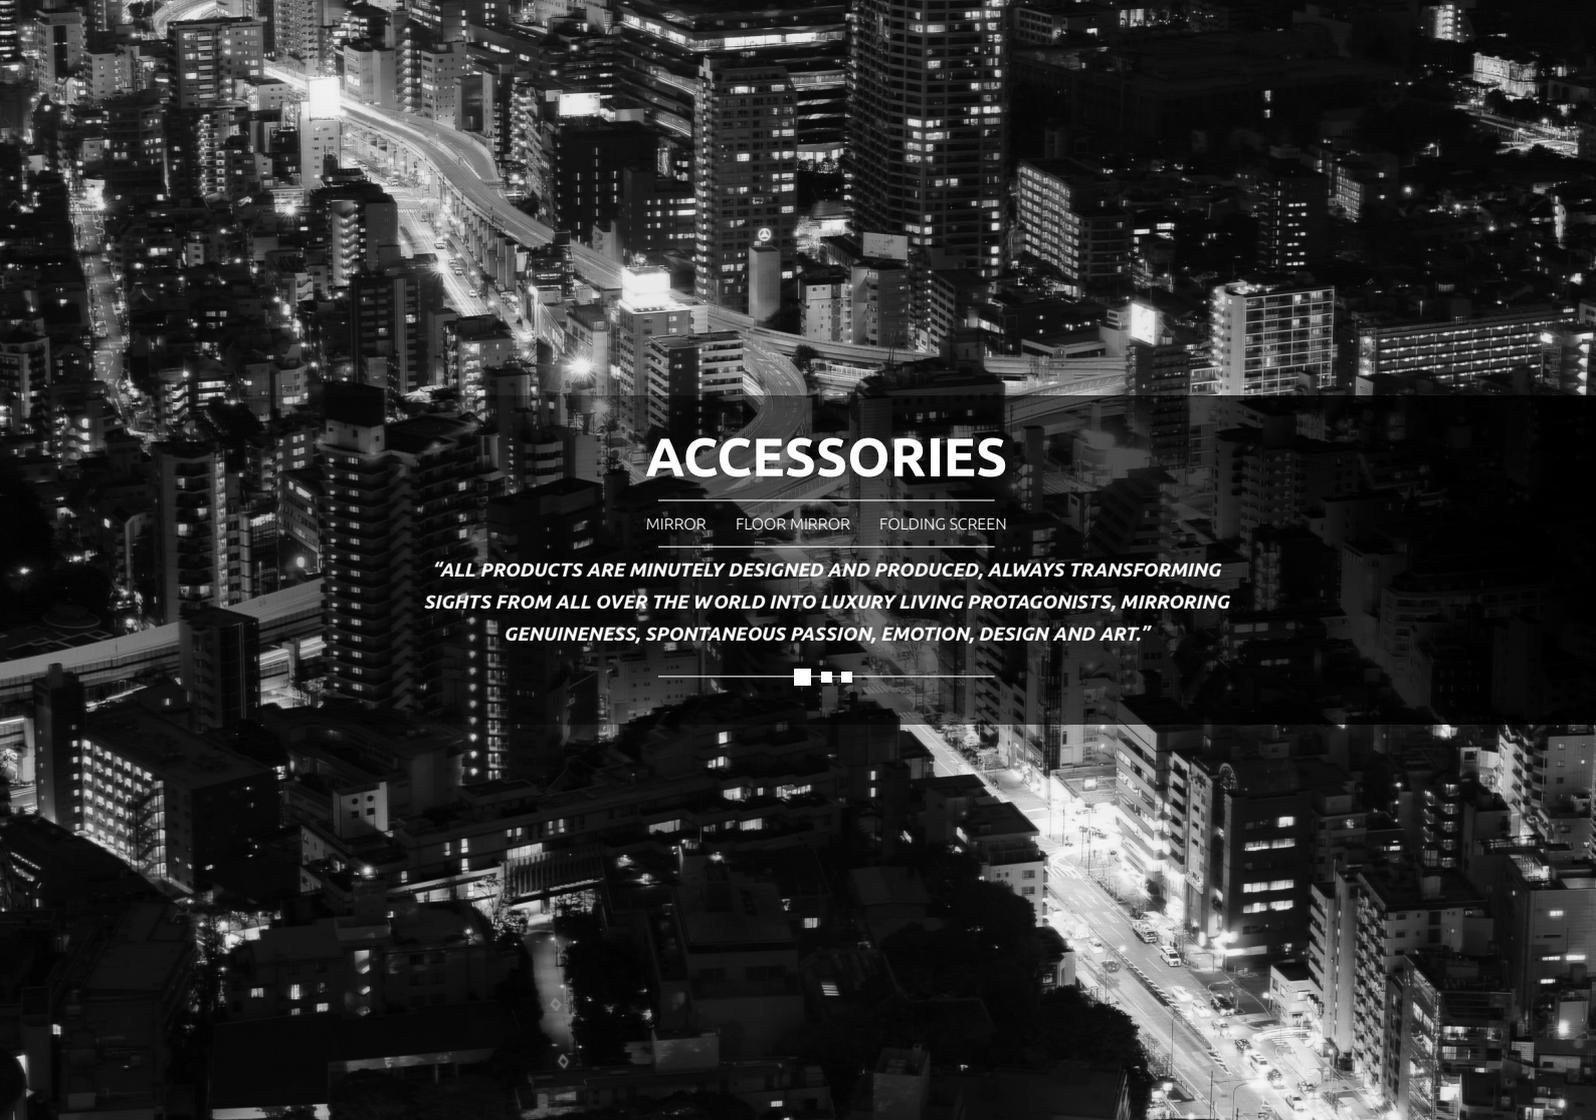

WIDTH 113 cm | 4.44"
DEPTH 72 cm | 28.3
HEIGHT 18.8 cm | 7.40"

MATERIALS Structure:Ebony wood with high gloss varnish, Brushed brass, Copper plated brass Inside: Lacquered wood.

ACCESSORIES

MIRROR FLOOR MIRROR FOLDING SCREEN

"ALL PRODUCTS ARE MINUTELY DESIGNED AND PRODUCED, ALWAYS TRANSFORMING SIGHTS FROM ALL OVER THE WORLD INTO LUXURY LIVING PROTAGONISTS, MIRRORING GENUINENESS, SPONTANEOUS PASSION, EMOTION, DESIGN AND ART."

SEATRAL

FOLDING SCREEN

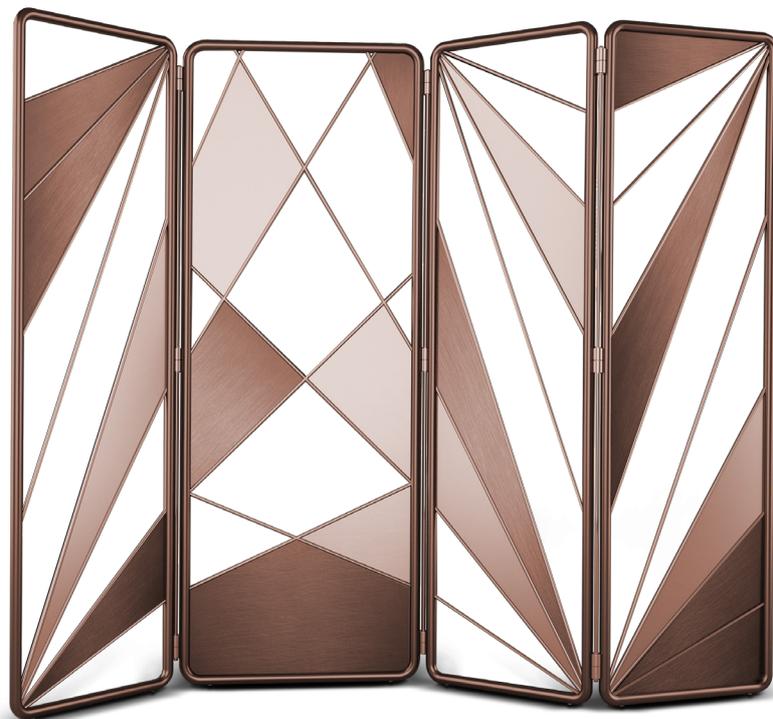

Focusing on the building's unusual shape from the outside, Seatral Folding Screen has a four-rectangular intersecting structure, composed by brushed brass, terracotta finished brass and powder coated wood in gold with brown patina. Seattle Folding Screen is a majestic furniture piece that will deliver a final sophisticated touch to any luxurious home decor.

WIDTH 215 cm | 84.6"
DEPTH 3 cm | 1.2"
HEIGHT 180 cm | 70.9"

MATERIALS

Structure: Brushed brass, Terracota finished brass,
powder coated wood in gold with patina

HOLLYWOOD

MIRROR

With the prestigious Walk of fame in mind, Porus designers developed the most glamorous mirror.

Sweeping the contour of the Hollywood mirror, are 14 led lightings that were inspired by the stars along the sidewalks. Its structure made in brushed brass with lacquered details, the Hollywood Mirror promises to be the jewel of your décor.

HIDDEN

FLOOR MIRROR

The Hidden Floor Mirror features a structure in polished and Terracotta finished brass that holds a mirror split in two shades. A bronze mirror appears from its back when you rotate it, showing a hidden version of itself.

All this harmony flows down to an Emperador marble base, reminding us of the Hidden Lake in between the mountains.
