Da una realtà tutta italiana, nata e cresciuta in un territorio dove il legno e la sedia sono tradizione, cultura e passione, un mondo di soluzioni ed emozioni per arredare gli ambienti contract di ogni tipologia. Con un senso dell'armonia, una cura dei dettagli e una capacità di personalizzazione che fanno la differenza: sempre, dovunque. /

An all-Italian company, established and developed in an area in which wood and chairs represent tradition, culture and passion, a world of solutions and emotions to furnish contract spaces of all kind. The sense of harmony, attention to details and ability to customise solutions never fail to make the difference.

Ambient #1

Giochi d'ombre e di luce, proiettano emozioni su texture materiche, componendo uno scenario raffinato, in armonia fra natura e architettura. Linee avvolgenti disegnano i contorni di un concetto formale senza tempo, impreziosito dalle sinuose venature del legno o da cuciture sartoriali a vista. /

Dancing lights and shadows on material textures create emotions to achieve a perfect blend of nature and architecture for a sophisticated scenario. Embracing lines, embellished by sinuous wood grains and visible topstitch, trace the contour of a timeless formal concept.

Ambient #2

L'arte contemporanea di vivere e di arredare, fra memorie vintage e attualità minimal, effetti grafici e sensazioni naturali. Presenze al tempo stesso importanti e versatili nello spazio, con un design nel quale il calore del legno diventa parte integrante. /

Contemporary art in living and furnishing is a trip through vintage memories and present minimalism, graphic effects and natural sensations. An important and versatile presence in the environment in which naturally-warm wood is an essential feature of the design.

A modern armchair with a light-colored fabric seat and a dark, curved wooden frame, set against a background of various material samples. The chair is positioned in the center of the frame, with its backrest and seat both featuring a subtle, textured fabric. The frame is made of dark wood with a smooth finish, curving over the top of the seat and backrest. The background consists of several large, rectangular panels of different materials, including wood, stone, and fabric, arranged in a grid-like pattern. The lighting is soft and even, highlighting the textures of the chair and the background materials.
