L1000 - Your desired bed as a perfect addition

The system beds from **L1000** which go with the front panel design, not only provide eye candy, but a highly enjoyable sleep as well. At the same time you are able to choose from upholstered headboards, covered with the finest of fabrics, and design headboards which are fitted to the respective type of wood.

Revolving door closet | Bianco White front polish | Oak veneer body and deposition | Profile B

L1000 - modern and modular

L1000 was evidently shaped by artists. With lots of skill and know-how we were able to construct eye-catchers which radiate a lightness with their clear shape and at the same time are **packed full of astonishing functionality**. Fantastic workmanship and a great variety contribute to exclusive surface designs fulfilling every expectation of individuality.
