ABOUT US

ITALIAN HANDMADE LIGHTING

MULTIFORME® nasce nel 2009 ed è una realtà in costante crescita nel panorama internazionale dell'illuminazione decorativa, apprezzata per le qualificate capacità tecniche unite a creatività ed elevati standard di competenze di manodopera artigianale. Tra i principali punti di forza la capacità di realizzare opere custom e bespoke, fornendo soluzioni a totale misura del cliente, pubblico o privato.

Le proposte di illuminazione MULTIFORME® sono vere espressioni dei valori del Made in Italy, poiché derivano da un processo volto all'eccellenza che combina artigianato, tecnologia e design, in cui è immediatamente riconoscibile al cliente la cura del dettaglio e la costante ricerca dell'esclusività in ogni sua fase.

MULTIFORME® esprime, in modo autentico e dinamico, stile e creatività in ogni sua realizzazione.

MULTIFORME® was born in 2009 and it is constantly growing in the decorative lighting international scenario, producing unique, creative and excellent works. Among its main strengths, there is the ability to create custom and bespoke products, providing tailored solutions to both public and private clients.

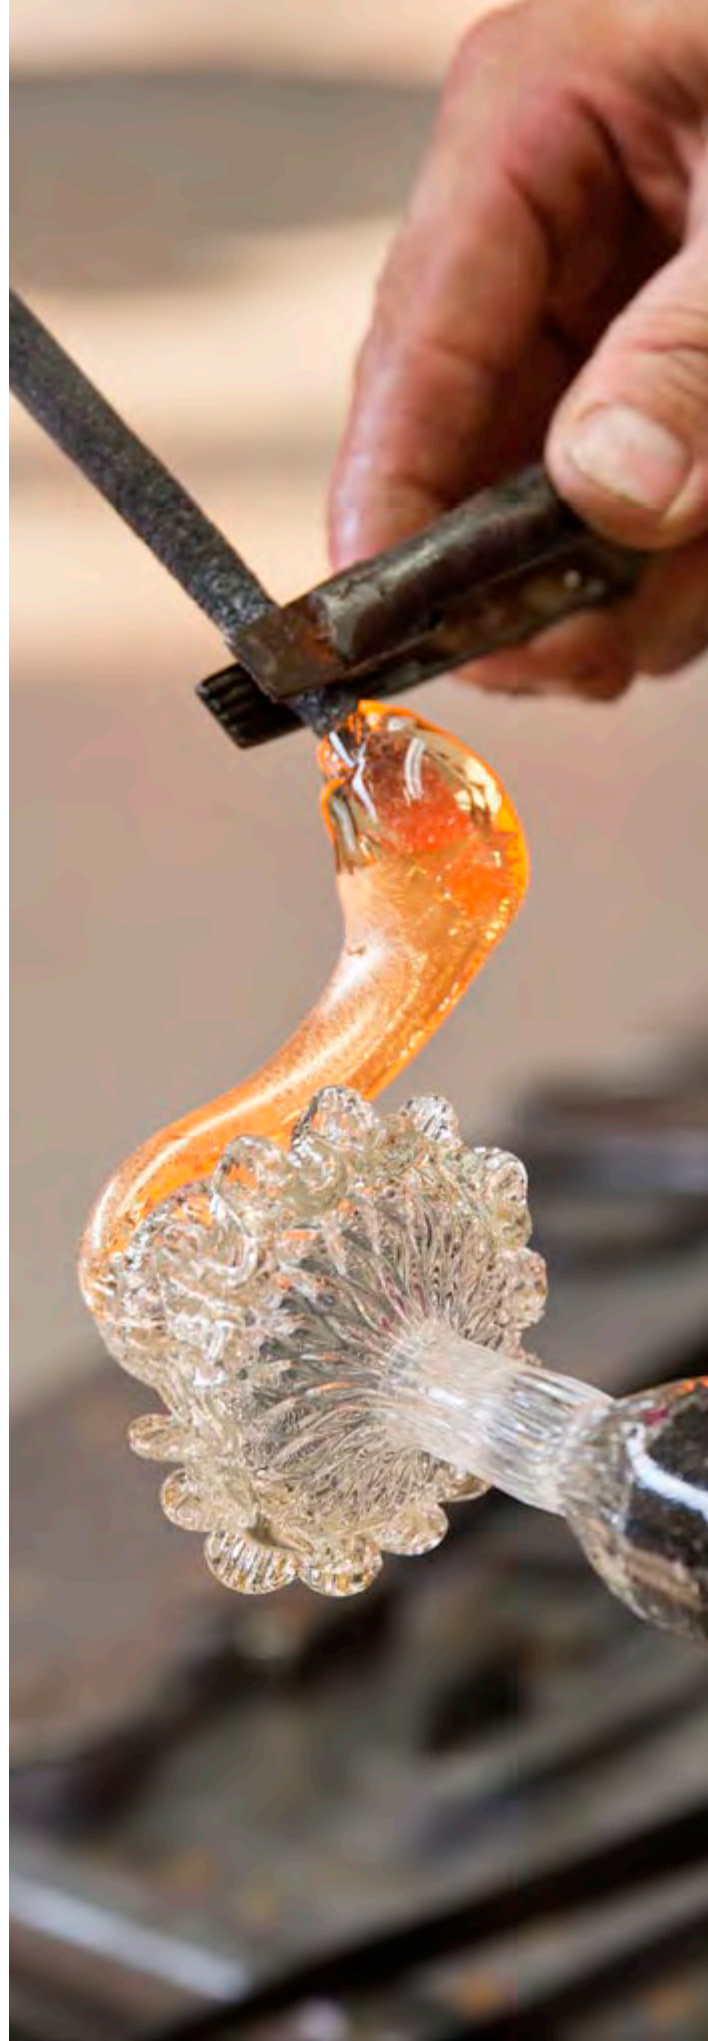

MULTIFORME® lighting solutions are true expressions of the best Made in Italy values, since they result from a production process which aims at excellence and that combines craftsmanship and technologies with design. A procedure where the customer perceives the attention to detail and the constant search for exclusivity in every phase.

MULTIFORME® knows how to express, in an authentic and dynamic way, style and creativity in each of its creations.

BESPOKE
OUR
PASSION
OUR
SOUL

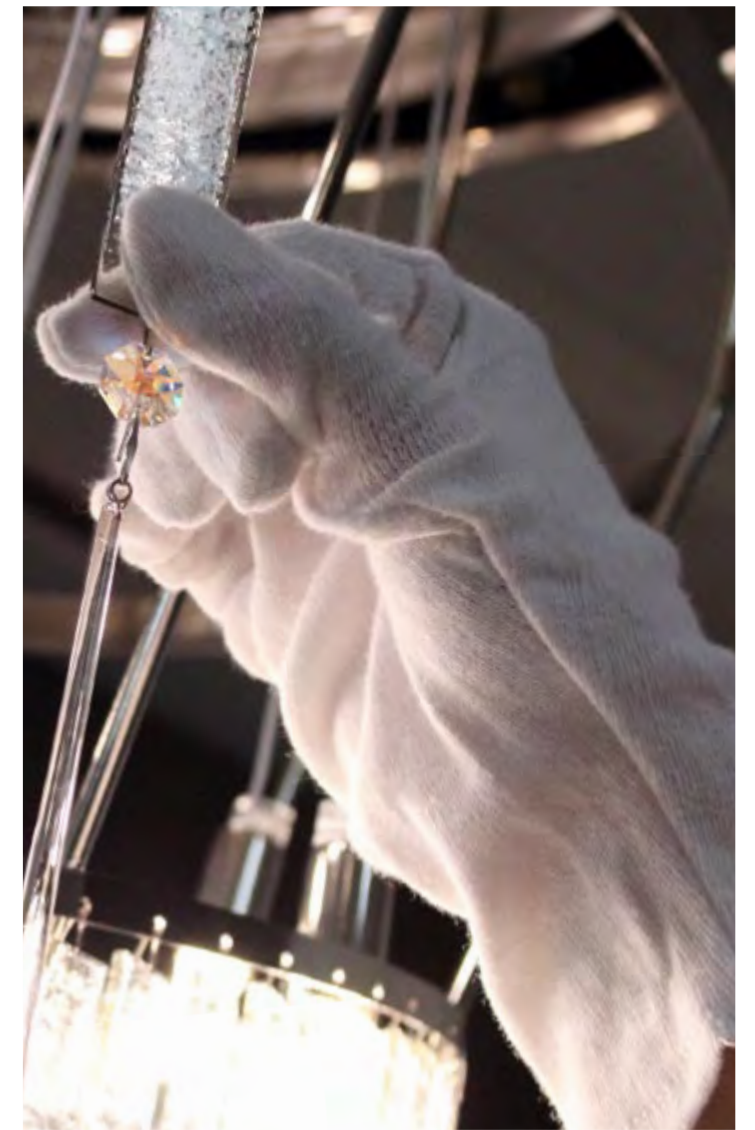

UNIQUE BESPOKE CHANDELIERS

Grazie ai nostri reparti tecnici e di produzione, operiamo in totale autonomia e siamo in grado di sviluppare ogni tipo di progetto, offrendo ai nostri clienti soluzioni di elevato valore artistico. Il nostro know-how, ci permette di sviluppare elaborati progetti nel settore custom, con l'obiettivo di soddisfare al meglio le specifiche richieste dei nostri clienti.

Tutto ciò rende MULTIFORME® una realtà apprezzata a livello internazionale che collabora con importanti marchi nel settore dell'arredamento e dell'interior design.

Thanks to our technical and production departments, we operate in complete autonomy and we are able to develop any kind of project by offering our customers high value solutions. In Our know-how allows us to elaborate custom projects with the aim of satisfying the specific requirements of our customers.

All this makes MULTIFORME® an internationally acclaimed reality that collaborates with major brands in the interior decoration and interior design field.

Freehand and molded artistic glass ceiling

Prototipazione e mock-up
Prototyping and mock-up

Lavori di carpenteria su metalli di pregio (inox, alluminio, rame, ottone)
Selected metals carpentry (stainless steel, aluminium, copper, brass)

RENT

LUXURY EVENTS DECOR

Il servizio di noleggio lampadari di MULTIFORME® è il più professionale e completo. I lampadari in affitto, sia di grandi che di piccole dimensioni, arrivano sempre puntuali, puliti, pronti al montaggio e con i collegamenti elettrici già predisposti. L'ideale quando si parla di arredi a noleggio per eventi, matrimoni, feste private, sfilate di moda, spettacoli o allestimenti per fiere e saloni.

Inoltre, le nostre squadre di installatori operano a livello internazionale, con garanzia di montaggi celeri e sicuri, lavorando con ordine e pulizia nel massimo rispetto della privacy.

The chandeliers rental service by MULTIFORME® is the most professional and complete. The rented chandeliers, both in big and small size, will arrive always on time, clean and ready to be assembled, with the electrical configuration. This represents the ideal solution when it comes to rented furniture for events, weddings, private parties, fashion shows and exhibitions' staging.

Furthermore, our team of specialized installers operate internationally, guaranteeing quick and safe assembly and working with order and tidiness in the utmost respect for privacy.

RESTORATION

MURANO CHANDELIERS REPAIRS

Grazie alla nostra fornace possiamo realizzare pezzi di ricambio per lampadari in vetro di forme, dimensioni e colori diversi, rispettando il più possibile l'originale bellezza e lavorazione del lampadario da restaurare.

Per il restauro di grandi lampadari storici all'interno di luoghi di culto, enti pubblici o abitazioni private, MULTIFORME® esegue interventi di recupero, manutenzione, messa a norma e riproduzione di parti danneggiate, sia in vetro che in altri materiali.

Dare nuova luce ai capolavori d'illuminazione è parte dell'impegno etico di MULTIFORME®.

Thanks to our furnace we can produce spare parts for glass chandeliers of different models, colors and shapes, respecting the original beauty and style of the broken chandelier.

As far as the restoration of big, ancient chandeliers inside places of worship, public places or private residences is concerned, MULTIFORME® can also carry out renovation works, maintenance and reproductions of broken pieces, both made of glass and other materials. Giving new life to lighting masterpieces is part of MULTIFORME®'s ethical commitment.

The background of the entire page is a close-up, artistic photograph of light reflecting on a dark, rippling surface, likely water at night. The reflections are elongated and blurred, creating a sense of movement and depth. The colors of the reflections include bright yellows, oranges, and whites, with some cooler tones of blue and teal visible on the left side.

Symbols / Simbologia

CE The “CE” mark required by the European Community with the 93/98/CEE directive states that the luminaire complies with the European technical requirements.
La marcatura “CE” voluta dalla Comunità Europea con direttiva 93/98/CEE attesta la conformità dell’apparecchio ai requisiti richiesti delle norme tecniche.

IP Degree of protection provided against intrusion (body parts such as hands and fingers), dust, accidental contact, and water by mechanical casings and electrical enclosures.
The enclosure of this luminaire IP20 is protected against solid objects up to than 12 mm, no special protection provided against penetration of water.
Livello di protezione dal contatto con il corpo umano o con oggetti (prima cifra del codice), e la protezione dal contatto con l’acqua.
Apparecchi IP20 sono dotati di involucro protetto dalla penetrazione di corpi solidi superiori a 12 mm e non protetto dalla penetrazione di liquidi.

 Luminaire in which protection against electric shock does not rely on basic insulation only, but which are provided for the connection of accessible conductive parts to protective conductor in the fixed wiring of the installation.
Apparecchio nel quale la protezione contro la scossa elettrica si basa oltre che dall’isolamento principale anche dalla connessione delle parti conduttrici accessibili ad un conduttore di protezione dell’impianto elettrico fisso.

 The protection against electrical shocks of this luminaire is achieved by simple insulation and some other devices such as double insulation or reinforced insulation. There is no earth cable provided.
Apparecchio dotato di protezione contro la scossa elettrica basata sull’isolamento fondamentale e su misure supplementari quali il doppio isolamento rinforzato.
