

AŞKÍA

AȘKIA

Sharp design for timeless spaces.

Our essence lies in natural materials and long-lasting solutions. In Romanian, "AȘCHIA" means "the chip of wood".
For us, wood is the most meaningful material. We aim to express its vital power, undeniable qualities
and symbolic meanings in everything we do.

This is a fresh start of our work together.

DESIGNERS

www.dragosmotica.ro

DRAGOȘ MOTICA

Passionate architect and award-winning designer, Dragoș Motica is Askia (former Ubikubi) co-founder and Creative Director. Since 2014, when the studio was launched, Dragoș developed over 50 objects, ranging from home and office accessories to lighting pieces and furniture. Best known for Marco family of seating solutions and Slash Lamp, Dragoș defined an ingenious, contemporary identity for Ubikubi and became the core of the team which reunites hand-picked Romanian designers and architects.

www.201designstudio.ro

201 DESIGN STUDIO

Mira & Codrin focus primarily on functionality when designing objects. The core of their creative process is the perfect understanding of the interaction between object and user.

www.instagram.com/mbsp.studio

MBSP STUDIO

Through MBSP Studio, Mihaela and Ștefan try to establish a personal working system, in the fields of interior and product design.

They always connect production with simple solutions, and the understanding of the theme with solving the details.

OANA IACOB

Oana Iacob studied at UAUIM Bucharest and TU Delft, in Netherlands. She was granted with awards in interior design for retail at the World Space Creators Award Japan 2010 and in object design at the competition for Delta Studio in 2012. She is partner architect in the Republic of Architects office. In 2013, she started Cabinet, a design-oriented practice.
