

*Quinze & milan*TM

PRIMARY
DESIGNED BY QUINZE AND MILAN
ORIGINAL; NOT DERIVED OR SUBORDINATE;
FUNDAMENTAL; BASIC.

COLOR 08
RASPBERRY

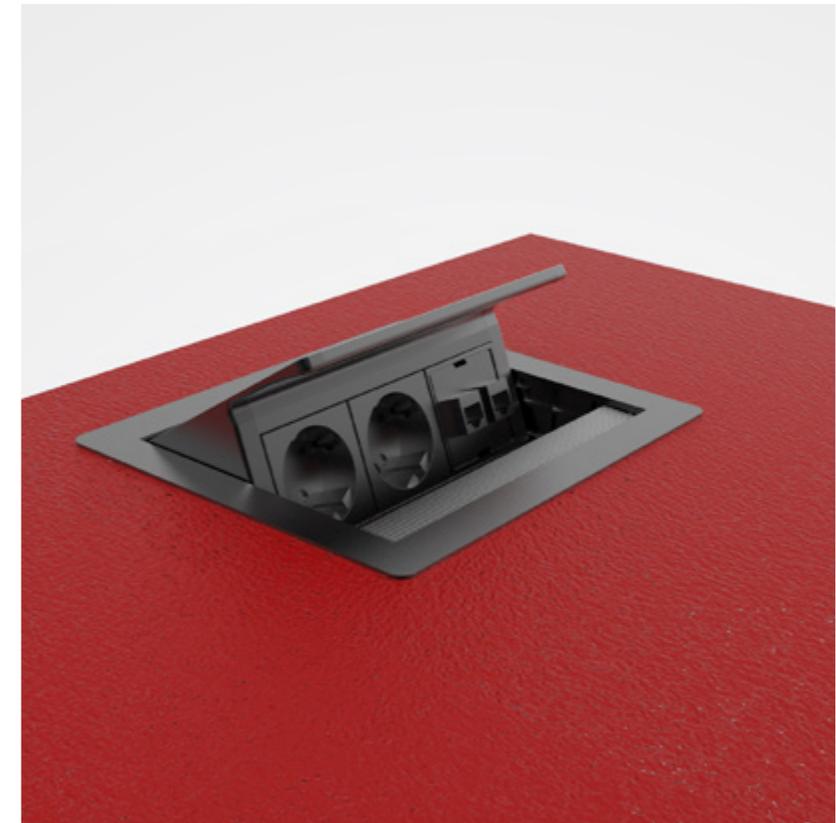

Stripped to the essence, PRIMARY is the first in a line that deserves to be called a Quinze & Milan classic. PRIMARY collection kicked off the use of QM FOAM™, a proprietary material developed and produced by Quinze & Milan.

It's a stool, a chair, a table and an eye-catcher in its own right. PRIMARYPOUF01, which was honoured with a triple Henri van de Velde Award (Belgium, 2001), is an all-time favourite among grown-ups and children alike. Soft materials and an uncomplicated design idiom are a tried and tested formula for a happy marriage. The sassy character of this comfortable, water-repellent stool with legs has made it a hit worldwide: look for PRIMARY in prestigious public spaces from San Francisco to Tokyo, from Stockholm to Cape Town.

WE LOVE COLORS.

QM FOAM™ - QM PLUS™ - QM TEX™ COLOR SWATCHES

WE LOVE COLOR
 Based on our technology we will match the indicated NCS, PANTONE and RAL colors as precise as possible. Foam and Coating samples are available upon request.

CUSTOM COLORS
 We may match practically any clearly defined color, specified according to an international color system like NCS, RAL and SIKKENS.

ADDING GRAPHICS
 For your specific commercial project needs, Quinze & Milan developed a paint-based technique which allows us to add your logo, text or graphics directly on the QM FOAM™ surface, without use of stickers. This way, the graphics stay as flexible and elastic as the foam itself.
