BRISCOLA

design Miniforms Lab

Ispirato agli anni '70, Briscola è una rivisitazione nobile dei tavoli da bistrot dove si giocava a carte. Ha il sapore dei bar italiani di una volta, tra tazze di caffè e familiarità. Il piano è inserito in un vassoio in frassino che gli fa da cornice mentre il basamento in metallo, nero o zincato, lo proietta nel presente.

Drawing inspiration from the seventies, Briscola is a noble revisitation of the bistro tables where card games were played. It has the flavour of the Italian bars of yesteryear, amid coffee cups and warm informality. The top is supported and framed by an ash-wood tray, while the base, in black or galvanised metal, roots it firmly in the present.

S'inspirant des années 1970, Briscola est une réinterprétation noble des tables de bistrot où l'on jouait aux cartes. Elle a le goût des bars italiens d'autrefois, entre tasses de café et familiarité. Le plan est inséré dans un plateau en frêne qui lui sert de cadre, tandis que le piètement en métal, noir ou galvanisé, la projette dans le présent.

Briscola holt sich die Anregung aus den 70er Jahren: edle Neuinterpretation von Gasthaustischen, wo man Karten spielte. Erinnert an frühere italienische Bars, Espressotassen am Tisch und familiäre Atmosphäre. Die Platte ist in ein Tablett aus Eschenholz eingesetzt, das den Rahmen bildet, das Untergestell aus Metall, schwarz oder verzinkt, ist das Sprungbrett in die Gegenwart.

Inspirada en los años 70, Briscola es una revisión noble de las mesas de café en las que se jugaba a las cartas. Tiene el sabor de los bares italianos antiguos, entre tazas de café y familiaridad. La superficie está inserta en una bandeja de fresno que hace las veces de marco, mientras que la base de metal, negro o galvanizado, la proyecta hacia el presente.

ILLO

design Miniforms Lab

Illo ha la testa tra le nuvole. Lo abbiamo fatto esagerato nelle forme per renderlo dolce e accogliente. È una scultura stravagante che bilancia al meglio il rapporto tra funzionalità e fantasia. Disponibile in versione da pranzo, da bistrot e da salotto.

Illo's head is in the clouds. We have given it overemphasized forms to make it soft and welcoming. This quirky sculpture offers the perfect balance between function and fancy. Available in three versions, for dining rooms, bistros and lounge rooms.

Illo a la tête dans les nuages. Nous en avons exagéré les formes pour la rendre douce et accueillante. C'est une sculpture extravagante qui crée un équilibre parfait entre fonctionnalité et fantaisie. Disponible dans la version salle à manger, bistrot et salon.

Illo schwebt mit dem Kopf in den Wolken. Wir haben seine Formen übertrieben, um ihn sanft und einladend zu machen. Illo ist eine extravagante Skulptur, die Funktion und Fantasie in ein ideales Gleichgewicht bringt. Erhältlich in den Varianten als Esstisch, Bistrot und für den Wohnbereich.

PELLEOSSA

design Francesco Faccin

Pelleossa è una sedia eclettica, slanciata, che esprime il suo carattere nei dettagli. Si ispira alle sedie italiane di epoca preindustriale, inserendo l'atteggiamento dell'arte concettuale. Disponibile anche con i braccioli, si completa con le diverse combinazioni della seduta.

CLARETTA BOLD

design Florian Schmid

Claretta è diventata adulta e ha preso inevitabilmente qualche chilo. Niente di preoccupante, non fate quella faccia strana se si chiama Bold. È grossa, formosa e a noi piace così. L'espressione esile degli anni passati, che faceva tenerezza, è diventata scultorea e decisa. Ha la voce alta, da protagonista e forse è un po' egocentrica. Noi però preferiamo definirla carismatica. Si inserisce perfettamente nei tavoli ed è impilabile.

Claretta is all grown-up, and has inevitably gained a few kilos. Nothing to worry about, don't pull that face if we call it Bold. It is big, voluptuous, and we like it that way. The slender expression of past years, which we viewed with tenderness, has now grown more sculptural and decisive. It has the loud voice of a protagonist, and is perhaps even a little self-centred. But we prefer to call it charismatic. It fits beautifully with the tables, and is stackable.

Claretta est devenue adulte et a pris inévitablement quelques kilos. Rien de préoccupant, ne faites pas cette tête si elle s'appelle Bold. Elle est bien en chair, elle s'assume et nous l'aimons comme ça. La minceur des années passées, attendrissante, est devenue plus résolue et sculpturale. Elle a de la voix, elle sait s'imposer et est peut-être un peu égocentrique. Nous, nous la trouvons plutôt charismatique. Elle rentre parfaitement sous les tables et est empilable.

Claretta ist erwachsen geworden und hat unweigerlich ein paar Pfund zugelegt. Gar nicht beunruhigend, machen Sie nicht so ein Gesicht, nur weil sie Bold heißt. Claretta ist rund und wohlgeformt, aber so gefällt sie uns. Die schlanke Zerbrechlichkeit vergangener Jahre, die uns mit Zärtlichkeit erfüllt hat, ist plastisch und kraftvoll geworden. Die Stimme laut, wie sie einem Protagonisten zusteht, ein wenig egozentrisch. Charismatisch, wie wir lieber sagen. Passt perfekt zu jedem Tisch und ist stapelbar.

Claretta se ha hecho adulta e, inevitablemente, ha cogido algunos kilos. Nada preocupante, no pongáis esa cara rara si se llama Bold. Es gruesa y hermosa y a nosotros nos gusta así. La expresión grácil de los años anteriores, que provocaba ternura, se ha vuelto escultural y decidida. Tiene la voz fuerte, de protagonista, y tal vez sea un poco egocéntrica. Aunque nosotros preferimos definirla como carismática. Entra perfectamente bajo las mesas y es apilable.

MULA

design e-ggs

Mula si fa riconoscere per l'ampio schienale dove due curiose orecchie si stringono sui fianchi, svelando un profilo dinamico della sedia. L'imbottitura della scocca diventa parte stessa del disegno, offrendo un prodotto realizzato con la massima cura, pensato per durare e piacere nel tempo.

Mula is recognised by its large backrest where two interesting wings hug the sides, revealing the chair's dynamic profile. The body's padding becomes part of the design, offering a product made with the utmost care, designed to last and to please over time.

Mula se distingue de par son large dossier formant deux curieuses « oreilles » enveloppantes, qui donnent un profil dynamique à la chaise. Le rembourrage de la coque fait partie intégrante du dessin de la chaise, en offrant un produit réalisé avec un grand soin et conçu pour durer et continuer à plaire dans le temps.

Mula ist dank der großen Rückenlehne erkennbar, an der sich zwei eigenartige Ohren seitlich festhalten und dem Stuhl so ein dynamisches Profil verleihen. Die Wattierung der Sitzschale aus Polyurethanschaum wird zum Teil des Designs, wodurch ein mit besonderer Sorgfalt hergestelltes Produkt hergestellt wird, das über den Lauf der Zeit halten und Freude bereiten soll.

Mula se caracteriza por el amplio respaldo en el que dos divertidas orejas se ajustan a los costados, revelando un perfil dinámico de la silla. El mullido del bastidor se convierte en parte integrante del diseño, ofreciendo un producto realizado con cuidado máximo, concebido para durar y apreciar en el tiempo.

IOLA

design e-ggs

Iola vive il Design con un approccio internazionale, concentrandosi sull'ergonomia delle forme, mantenendo un aspetto curato e caratterizzante. Abbiamo dato alla scocca la forma di un guscio, producendola in poliuretano espanso. Sotto consiglio dei più esigenti, poi, le abbiamo tirato le orecchie così sono usciti due grandi braccioli. Iola sa di moda, ma si propone come un classico contemporaneo.

Iola shows off design with an international approach, focusing on the ergonomics of the form, ensuring a careful look, one with character. We have given the body the shape of a shell, producing it in expanded polyurethane. Then, on the advice of the hardest to please, we pulled the wings and then the two large arms came out. Iola hints at fashion but comes across as a modern classic.

Le design de Iola adopte une approche internationale, en se concentrant sur l'ergonomie des formes et en maintenant un aspect soigné et caractéristique. Nous avons donné à la coque la forme d'une coquille, en la produisant en mousse de polyuréthane. Sous le conseil des plus exigeants, nous lui avons ensuite « tiré les oreilles », afin d'obtenir deux grands accoudoirs. Iola est un classique contemporain mais avec une touche mode.

Iola lebt das Design mit einem internationalen Ansatz und konzentriert sich dabei auf die Ergonomie der Formen, ein sorgfältiges und typisches Aussehen wird dabei aufrecht erhalten. Wir haben der Sitzschale die Form einer Schale verliehen, aus Polyurethanschaum. Auf Anraten der Anspruchsvollsten haben wir dem Sessel dann die Ohren langgezogen, wodurch zwei große Armlehnen entstanden. Iola hat einen modischen Akzent, ist jedoch als moderner Klassiker anzusehen.

Iola experimenta el diseño con un enfoque internacional, centrándose en la ergonomía de las formas, manteniendo a la vez un aspecto cuidado y característico. Hemos plasmado el bastidor en forma de caparazón, fabricándolo en poliuretano expandido. Además, siguiendo los consejos de los más exigentes, le hemos tirado de las orejas y así surgieron dos reposabrazos grandes. Iola sabe a moda pero se presenta como un clásico moderno.

Mariolina répond à la nécessité d'un produit de style éclectique, réalisé avec une méthode de production contemporaine et qui soit adapté à la vie de tous les jours.

Mariolina entstand, als wir die Welt des Polypropylen und seine neuen Entwicklungen entdeckten und mit einer zarten und ehrlichen Ästhetik vereinten. Die Sitzschale ist so einfach, dass sie entworfen werden kann ohne den Stift vom Blatt abzusetzen. Dabei wurde ein sorgfältiger und moderner Stil mit dem Willen kombiniert, den Trends nicht zu folgen. Mariolina ist die Antwort auf die Forderung nach einem eklektischen Produkt, das mit einer modernen Produktionstechnik entwickelt wird und für den Alltag geeignet ist.

Mariolina es el resultado de la exploración del sector del polipropileno y sus nuevas aplicaciones, en combinación con una estética delicada y apreciada. El bastidor es tan sencillo que se puede dibujar sin levantar el bolígrafo del papel, combinando de forma equilibrada un estilo cuidado y mirando al presente con la voluntad de ir más allá de las modas. Mariolina es la respuesta a la necesidad de un producto ecléctico, realizado adoptando un método productivo moderno y adecuado para la vida cotidiana.

MILONGA

design Paolo Cappello

Milonga è una libreria dalle gambe lunghe, che si pone con una cadenza delicata tra gli spazi. Sia come divisorio tra gli ambienti che più tradizionalmente a muro, è un pezzo irrinunciabile per organizzare la propria biblioteca domestica. Tecnica, ma anche audace e distintiva, Milonga gioca con i colori dei tubi e l'assetto delle mensole. È proprio la successione dei ripiani a dare movimento alla libreria, ripetendo il ritmo delle righe stampate sui quaderni della nostra infanzia.

Milonga is a bookcase with long legs, set with a delicate cadence between spaces. Either as a partition between rooms or, more traditionally, against a wall, this is an indispensable piece for organizing your home library. As well as being technical, Milonga is bold and distinctive, and plays on the colours of the tubes and the layout of the shelves. Indeed, it is the sequence of the shelves that gives the bookcase its sense of movement, echoing the rhythm of the lines printed in the exercise books of our childhood.

Milonga est une bibliothèque élancée, qui s'insère avec une cadence délicate dans les espaces. Utilisée comme séparation en milieu de pièce ou plus traditionnellement contre un mur, c'est une pièce incontournable pour organiser une bibliothèque personnelle. Technique, mais aussi audacieuse et distinctive, Milonga joue avec les couleurs des tubes et la disposition des étagères. C'est précisément la succession des étagères qui donne du mouvement à la bibliothèque, en répétant le rythme des lignes imprimées sur les cahiers de notre enfance.

Das Büchergestell Milonga kommt auf langen Beinen daher und setzt sich mit delikaten Rhythmen in den Raum. Sowohl zur Trennung von Räumen als auch klassisch an der Wand aufgestellt, ist es ein unverzichtbares Möbel, um die häusliche Bibliothek zu organisieren. Technisch modern, aber auch kühn und eigenwillig, spielt Milonga mit den Farben der Rohre und der Anordnung der Regale. Gerade die Anordnung der Regale gibt dem Büchergestell Dynamik und greift den Rhythmus der gedruckten Zeilen in den Schulheften unserer Kindheit auf.

Milonga es una librería de patas largas, que se sitúa con una cadencia delicada entre los espacios. Como pieza divisoria entre ambientes o, más tradicionalmente, contra la pared, se trata de una pieza imprescindible para organizar la propia biblioteca doméstica. Técnica, a la vez que audaz y distintiva, Milonga juega con los colores de los tubos y la disposición de los estantes. Es justamente la sucesión de superficies lo que da movimiento a la librería, repitiendo el ritmo de las líneas impresas en los cuadernos de nuestra infancia.

CÉLIA

design Miniforms Lab

Célia inserisce contaminazioni dal sapore Art déco anni '20 in un contesto attuale e d'impatto. Protagonista è il decoro, che ci ricorda quanto una trama possa arricchire un ambiente, dialogando con materiali differenti come il legno e il rame. Le ante si aprono a libro mentre il pattern è serigrafato sul frassino o sul noce.

Célia takes inspiration from the Art déco movement of the 1920s and brings it to a current, high impact context. The protagonist is the decoration which reminds us just how much a weave can enrich an environment, conversing with different materials such as wood and copper. The doors open like a book whilst the pattern is silk-screen printed on ash or walnut.

Célia propose des influences de style Art déco des années 20 dans un contexte actuel pour un effet percutant. Les motifs volent la vedette, en nous rappelant combien une trame peut enrichir un espace, en s'unissant avec différentes matières comme le bois et le cuivre. Les portes sont pliantes tandis que les motifs sont sérigraphiés sur le bois de hêtre ou de noyer.

Célia verfügt über Akzente des Art déco der 20er-Jahre in einem modernen und wirkungsvollen Kontext. Hauptdarsteller ist dabei das Dekor, das uns daran erinnert, wie ein Flechtmuster einen Raum aufwerten kann, indem es mit verschiedenen Materialien wie Holz und Kupfer in Dialog tritt. Die Türen können frei geöffnet werden, während das Serigrafiemuster in Eschen- oder Nussholz eingearbeitet ist.

Célia introduce contaminaciones de sabor Art déco años 20 en un contexto actual y de impacto. El decoro es el protagonista, que nos recuerda cómo un entramado es capaz de enriquecer una estancia, dialogando con materiales diversos como la madera y el cobre. Las puertas se abren en forma de libro mientras que el diseño está serografiado sobre fresno o nogal.

BOTERA

design e-ggs

Botera è nata per stare comodi, ovunque. Per sfruttare meglio i volumi della poltrona in tutte le situazioni, l'abbiamo fatta diventare un'intera famiglia di imbottiti modulari, amplificandone le possibilità di seduta. Per distendersi, appisolarsi, alzare le gambe, la seduta paffuta che accomuna i moduli si dilata e si restringe, diventando prima un divano, poi un pouf e infine una poltroncina.

Botera is all about comfort, anytime, anywhere. In order to better harness the volumes of the armchair in all situations, we transformed it into a whole family of modular upholstered components, thus multiplying its seating possibilities. To relax, nod off or just put your feet up, all modules share a squishy seat in different lengths, forming a sofa, a pouf or a chair.

Botera est né pour être à l'aise partout. Pour exploiter au mieux les volumes du fauteuil dans toutes les situations, nous l'avons transformé en une famille de meubles rembourrés modulaires, en amplifiant ses possibilités d'assise. Pour s'allonger, faire un somme, soulever les jambes, l'assise bien rebondie commune à tous les modules se dilate ou rétrécit, en devenant d'abord un canapé, puis un pouf et enfin un petit fauteuil.

Botera verbreitet Komfort, überall. Um das Volumen des Polstersessels für alle Gelegenheiten optimal zu nutzen, haben wir es zu einer modularen Familie von Polstermöbeln ausgebaut und neue Sitzmöglichkeiten geschaffen. Um sich auszustrecken, für ein Nickerchen, oder um die Beine hoch zu lagern, die mollige Sitzfläche dehnt und verengt sich, wird zu einem Sofa, zu einem Fußhocker und schließlich zu einem Lehnstuhl.

Hemos creado Botera para estar cómodos, en cualquier lugar. Para aprovechar mejor el volumen de la butaca en cualquier situación, la hemos convertido en toda una familia de módulos acolchados, con más posibilidades para sentarse. Para tumbarse, hacer la siesta, levantar las piernas, el asiento rechoncho que tienen en común los módulos crece o disminuye y se convierte así primero en un sofá, después en un puf y, finalmente, en un sillón.

I moduli sono eclettici, pensati per uno spazio che cambia. Dall'esuberanza del divano alla scioltezza dei pouf, i moduli si distendono nell'ambiente in lunghe composizioni o accomodanti nicchie. Boterina, infine, è la più piccola della famiglia, una poltroncina che con i suoi volumi ridotti si mostra agile anche negli ambienti meno ampi.

These eclectic modules are conceived for spaces that change. From the exuberance of the sofa to the casual ease of the pouf, these modules expand into their space in long compositions or contract to fill cosy nooks. Finally, Boterina, the smallest member of the family, is a more compact chair that will prove agile even in less spacious settings.

Les modules sont éclectiques, conçus pour un espace qui change. De l'exubérance du canapé à la fluidité des poufs, les modules se déploient dans l'espace dans de longues compositions ou en niches accueillantes. Boterina, enfin, est le plus petit de la famille, un fauteuil qui avec ses volumes réduits est agile même dans les plus petites pièces.

Die Module sind anpassungsfähig, für Räume, die sich ändern. Ob üppiges Sofa oder lässiger Fußhocker, die Module breiten sich im Raum aus und bilden lange Sitzlandschaften oder gemütliche Ecken. Boterina ist das kleinste Mitglied der Familie und fügt sich gewandt auch in kleinere Räume ein.

Se trata de módulos eclécticos, pensados para un espacio cambiante. De la exuberancia del sofá a la ligereza del puf, los módulos se despliegan en el entorno en forma de largas composiciones o cómodos cobijos. Por último, Boterina, la más pequeña de la familia, es una butaca que con su reducido volumen se muestra ágil incluso en los espacios más limitados.

FUROSHIKI

design e-ggs

Furoshiki è un gioco di pattern e colori. Un involucro di stoffa confeziona l'imbottitura con una geometria rigorosa e una delicatezza tutta orientale. Le cuciture diventano dettagli sartoriali, suddividendo in porzioni precise l'oggetto. Così, le trame e i colori dei tessuti si guardano e si incontrano per poi proseguire in direzioni opposte.

Furoshiki is an interplay of patterns and colours. The fabric upholstery covers the padded seat with precise geometries and an unequivocally oriental delicacy. The seams become sartorial details, dividing the item into precise segments. The weave and colours of the fabrics meet and greet one another, then continue in opposite directions.

Furoshiki est un jeu de motifs et de couleurs. Une enveloppe en tissu constitue le rembourrage avec une géométrie rigoureuse et une délicatesse toute orientale. Les coutures deviennent des détails de style, en divisant l'objet en portions précises. Ainsi, les trames et les couleurs des tissus se croisent et se répondent, puis continuent dans des directions opposées.

Furoshiki ist ein Spiel aus Mustern und Farben. Eine Hülle aus Stoff umgibt die Polsterung mit rigoroser Geometrie und einer typisch östlichen Zartheit der Farben. Die Nähte werden zu kunstvollen Details, die das Objekt in exakte Quoten unterteilen. Texturen und Farben der Stoffe stehen sich gegenüber, treffen sich und setzen sich in entgegengesetzten Richtungen fort.

Furoshiki es un juego de estampados y colores. Un revestimiento de tela envuelve el relleno con una geometría rigurosa y una delicadeza muy oriental. Las costuras se convierten en detalles de confección que dividen el objeto en porciones precisas. Así, las tramas y los colores de los tejidos se miran y se encuentran para seguir después en sentidos opuestos.

SHIKO

design e-ggs

Lo Shiko è un rito dei lottatori di Sumo che consiste nell'alzare la gamba e poi sbatterla a terra con energia per mandare via gli spiriti cattivi. Come quel rito, abbiamo disegnato un letto che evoca solidità e sicurezza, che trova nella morbidezza della testiera la sua forza.

Shiko is a ritual exercise performed by Sumo wrestlers, which involves lifting the legs and stomping hard on the floor to chase away evil spirits. Like that ritual, we have designed a bed that evokes a sense of solidity and safety. Its strength lies in the softness of its headboard.

Shiko ist ein Ritual der Sumö-Ringer, das aus einer stampfenden Bewegung der Füße besteht und böse Geister vertreiben soll. Wie dieses Ritual, strahlt das von uns entworfene Bett Solidität und Sicherheit aus und hat im kuscheligen Kopfteil seine besondere Stärke.

OZZ

design Paolo Cappello

Ozz diventa luce e pietra. Si sposta dall'intimità domestica al centro della casa, mostrandosi protagonista dello spazio con un grande arco che porta l'attenzione su di sé. Il disegno inizia nel calcestruzzo e finisce nel paralume. In mezzo, il fusto si flette con una parabola scenografica che fa abboccare la luce. Ozz conquista anche la zona pranzo, proponendosi come lampada a muro. L'arco si stringe e si inserisce nella parete, posizionandosi anche nell'home-office più ricercato.

Ozz is made of light and stone. It shifts from shy domesticity to become central to the home, proving itself a key figure, with its large, look-at-me arc. The design starts in the concrete and end in the lampshade. Between the two, the shaft curves in a dramatic trajectory until the point where the light bites the bait. Ozz is also a winner at the dining table, where it becomes a wall lamp with a shorter arc that would look equally at home in the most elegant study.

Ozz devient lumière et pierre. Elle se déplace de l'intimité domestique vers le cœur de la maison, en se montrant protagoniste de l'espace avec un grand arc qui attire l'attention. Le dessin commence dans le béton et se termine dans l'abat-jour. Au milieu, la structure fléchit avec une parabole scénographique qui capte la lumière. Ozz s'impose aussi dans la zone repas en se proposant comme lampe murale. L'arc se resserre et s'insère dans le mur en trouvant aussi sa place dans l'home-office le plus raffiné.

Ozz wird zu Licht und Stein. Von der Privatsphäre in das Zentrum des Hauses, übernimmt Ozz, mit einem großen Bogen, der die Blicke auf sich zieht, die führende Rolle im Raum. Ein Design, das im Zement beginnt und im Lampenschirm endet. Dazwischen biegt sich der Stamm in einer filmreifen Parabel und angelt sich das Licht. Ozz wird zur Wandleuchte und erobert auch die Essecke. Der Bogen zieht sich zusammen und fügt sich in die Wand ein, ist aber eine elegante Präsenz auch im Home Office.

Ozz se convierte en luz y piedra. Se traslada de la intimidad doméstica al centro de la casa, mostrándose protagonista del espacio con un gran arco que atrae la atención sobre sí mismo. El diseño empieza en el hormigón y termina en la pantalla. En medio, el brazo se arquea con una parábola escenográfica que deja caer la luz. Ozz conquista también el comedor, proponiéndose como lámpara de pared. El arco se reduce y se introduce en la pared, y se puede colocar también en el estudio más exclusivo.

COQUE

design Alain Gilles

Coque ha un gusto dinamico e ricco di contrasti. Lo specchio è protetto da un guscio in ceramica, dove convivono due finiture opposte: lucido e opaco. La superficie dell'interno è smaltata e brillante mentre la buccia esterna si rivela materica. Lo specchio si trasforma in un oggetto prezioso che esalta i materiali naturali, dove i riflessi riverberano e danno significato al living.

Coque has a taste for dynamic, rich contrasts. The mirror is protected by a ceramic shell, which embraces two opposing finishes: glossy and matt. The inner surface is enamelled and shiny, while the outer skin is textured. The mirror is transformed into a precious object that accentuates the natural materials, with reflections that reverberate and add depth to the living space.

La surface de la partie interne est émaillée et brillante tandis que le revêtement extérieur est texturé. Le miroir se transforme en un objet précieux qui met en valeur les matériaux naturels, où les reflets se multiplient et donnent un sens au living.

Coque ist stilistisch dynamisch und reich an Kontrasten. Der Spiegel wird von einem Keramikgehäuse geschützt, das zwei verschiedene Oberflächen aufweist: glänzend und matt. Die Innenseite ist glasiert und glänzend, die Außenschale ist stofflich matt. Der Spiegel wird zum edlen Objekt, das die natürlichen Materialien zur Geltung bringt, wo Reflexe zurückgeworfen werden und dem Wohnraum Sinn und Bedeutung geben.

CIGALES

design Paolo Cappello

Cigales nasce per decorare con il verde e trasformare l'ambiente in una piccola oasi domestica. Per questo pensiamo che Cigales non sia solo un oggetto affascinante, ma la proposta di uno stile di vita positivo, che dialoga con l'equilibrio psicofisico dell'individuo. Disponibile freestanding, da parete e con specchio.

Cigales was made to decorate with greenery and to transform the environment into a small domestic oasis. That is why we think that Cigales is not just a charming piece but also an idea for a positive lifestyle, which converses with your psychophysical balance. Available freestanding, wall mounted or with mirror.

Cigales est né pour décorer et transformer la pièce dans laquelle il se trouve en une petite oasis domestique. C'est pour cette raison que nous considérons Cigales non seulement comme un objet fascinant, mais aussi comme une proposition s'insérant dans un style de vie positif influençant l'équilibre psychophysique de l'individu. Disponible sur pied, en version murale et avec miroir.

Cigales entsteht, um mit Grün zu dekorieren und den Raum in eine kleine Oase für zuhause zu verwandeln. Daher sind wir der Meinung, dass Cigales nicht nur ein faszinierender Gegenstand, sondern ein Angebot für einen neuen, positiven Lebensstil ist, der mit dem psychisch-physischen Gleichgewicht des Individuums in Dialog tritt. Freistehend, zur Wandmontage und mit Spiegel erhältlich.

Cigales nació para decorar con «verde» y transformar la estancia en un pequeño oasis doméstico. Por esta razón, estamos convencidos de que Cigales no es únicamente un objeto cautivador, sino también una propuesta para un estilo de vida positivo, que dialoga con el equilibrio psicofísico de la persona. Disponible en versión freestanding, de pared y con espejo.

SODA

design Yiannis Chikas

Soda nasce a testa in giù, con un soffio. È un unico volume di vetro soffiato, dove tre petali fanno da fusto e sollevano il piano del tavolino. Soda mostra il vetro soffiato in modo primitivo, con una buccia dura e martellata che fa vibrare la trasparenza della materia. È il valore artistico concesso al prodotto industriale.

Soda was born upside-down, with a puff of air. It weighs 20 kilos, and it is blown, drawn out and shaped by three master glassmakers. The result is a single volume of glass with three large petals forming the stem. In Soda, the glass vibrates: its tough, hammered surface fragments its transparency to give a primitive aesthetic. This is artistic value granted to an industrial product.

Soda naît la tête en bas, d'un souffle. Elle pèse 20 kilos et est soufflée, démoulée et façonnée par trois maîtres-verriers. Le résultat est un volume unique de verre où trois grands pétales dessinent le corps central. Dans Soda, la matière vibre : l'enveloppe dure et martelée du verre en fragmente la transparence en lui donnant une esthétique primitive. C'est la valeur artistique accordée au produit industriel.

Soda ist mit dem Kopf nach unten geboren, durch einen Hauch. Soda wiegt 20 kg und wird geblasen, ausgezogen und bearbeitet von drei Glasbläsern. Das Ergebnis ist ein einziges Glasvolumen, bei dem drei Blütenblätter den Korpus bilden. In Soda vibriert die Materie: die harte, gehämmerte Schale aus Glas zergliedert die Transparenz und verleiht eine urtümliche Ästhetik. Es ist die künstlerische Dimension eines industriellen Produkts.

Soda nace boca abajo, con un soplo. Pesa 20 kilos y es soplado, extraído y trabajado por tres maestros vidrieros. El resultado es un único volumen de vidrio en el que tres grandes pétalos hacen de pie. En Soda la materia vibra: la envoltura dura y martillada fragmenta la transparencia y le da una estética primitiva. Es el valor artístico trasladado al producto industrial.

MASTEA

design Matteo Zorzenoni

Erano gli anni '70 quando abbiamo cominciato a sperimentare con il vetro di Murano e, anche se le generazioni sono cambiate, il vetro si soffia come una volta: ci vogliono un maestro vetraio e due polmoni forti. Lavorare al giorno d'oggi con questo materiale è come rivisitare un piatto della tradizione. Gli ingredienti rimangono gli stessi, ma nel sapore trovi qualcosa di nuovo.

We started to experiment with Murano glass in the 1970s and, even if the generations have changed, the glass is blown as it once was: it needs a master glassblower and two strong lungs. Working with this material every day is like revisiting a traditional dish. The ingredients are the same but there is something new in the taste.

C'est dans les années 70 que nous avons commencé à faire des expériences avec le verre de Murano et, bien que le temps soit passé, le verre continue à être soufflé comme autrefois, grâce à l'habileté d'un maître verrier et à ses deux bons poumons. Travailler avec cette matière aujourd'hui, c'est un peu comme revisiter un plat traditionnel: les ingrédients restent les mêmes, mais on trouve, dans la saveur, quelque chose de nouveau.

Es war in den 70er-Jahren, als wir angefangen haben mit Muranoglas zu experimentieren. Und auch wenn sich die Generationen verändert haben, wird das Glas noch wie damals geblasen: Dafür werden ein Glasbläser und zwei kräftige Lungen benötigt. Heutzutage mit diesem Material zu arbeiten ist wie eine traditionelle Speise neu zu erfinden.

Die Zutaten bleiben gleich, aber der Geschmack enthält etwas Neues.

Eran los años 70 cuando empezamos a experimentar con el vidrio de Murano y, aunque las generaciones han cambiado, el vidrio se sigue soplando como antes: se requiere un maestro vidriero y dos pulmones fuertes. Trabajar hoy con este material significa reinterpretar un plato de la tradición. Los ingredientes siguen siendo los mismos pero se le añade algo nuevo al sabor.

ILLO

design Miniforms Lab

Nella versione tavolino, Illo si addolcisce sempre di più. Con volumi ridotti, si scopre la somiglianza con i pesi da palestra, ma state tranquilli, non dovrete alzarli. Sono una coppia di tavolini dall'aria spensierata e autentica che insegnano il concetto di leggerezza all'ambiente.

In its table version, Illo looks even cuter. With its reduced volumes, it is reminiscent of gym weights, but don't worry, you don't have to lift it! It comes as a pair of tables, and their light-hearted, authentic look are a textbook example of lightness.

Dans la version table basse, Illo s'adoucit encore plus. Avec ses volumes réduits, elle a un air de famille avec les haltères, mais n'ayez pas peur, vous n'aurez pas à les soulever. Ces petites tables à l'air insouciant et authentique donnent une leçon de légèreté à l'environnement qui les accueille.

In der Variante als Couchtisch wird Illo immer sanfter. Die Volumen sind kleiner, man entdeckt seine Ähnlichkeit mit Hanteln für Krafttraining. Aber keine Angst, Sie müssen sie nicht hochheben! Zwei kleine Tische, unbekümmert und authentisch, die dem Raum zeigen, was Schwerelosigkeit bedeutet.

En la versión mesita, Illo se suaviza mucho más. De volúmenes reducidos, se descubre su semejanza con las pesas del gimnasio, pero estad tranquilos, no tendréis que levantarlas. Son un par de mesitas de aire despreocupado y auténtico que enseñan el concepto de ligereza al ambiente.

MANTENIMENTO E PULIZIA

Legno

Per la pulizia quotidiana utilizza un panno morbido inumidito con un detergente liquido neutro. Le macchie più ostinate possono essere eliminate impiegando, con cautela, ammoniac diluita con molta acqua. Evita l'uso di detergenti aggressivi.

Ceramica/Marmo

Per la regolare pulizia della superficie è sufficiente utilizzare un panno in microfibra umido. Puoi anche aiutarti con un detergente liquido neutro, da utilizzare con spugna morbida o panno in microfibra. Per macchie persistenti, strofina una spugna poco abrasiva sui residui. Se liquidi macchianti e sostanze acide vengono rovesciate sul piano, rimuovi e risciacqua immediatamente la superficie.

Fenix

Per le macchie comuni è sufficiente pulire la superficie con acqua calda, utilizzando un panno non abrasivo. Le macchie ostinate possono essere rimosse con detergenti domestici o solventi, sciacquando poi con acqua calda. Per graffi strofina una spugna di melamina, leggermente inumidita, sull'area rovinata. Non trattare mai la superficie con prodotti abrasivi, sbiancanti e utensili metallici per rimuovere le macchie. Evita gli acidi.

Cotone

Estremamente versatile, il cotone può essere lavato ad alte temperature senza danneggiarne le qualità. Consigliamo la regolare pulizia per rimuovere la polvere e lo sporco che con il tempo possono compromettere il colore del tessuto e indebolire le sue caratteristiche.

Trevira

Il Trevira CS è un tessuto altamente ignifugo che mantiene le sue qualità con l'invecchiamento e dopo il lavaggio sia a secco che in acqua. Per il corretto mantenimento, rimuovi rapidamente le macchie con un panno umido. Non asciugarlo.

Lana

La regolare pulizia della lana è fondamentale per mantenerne le qualità e la durata. Elimina immediatamente eventuali macchie sul tessuto, asciugando i liquidi con un panno assorbente e i residui con una spugna bagnata in acqua calda e ben strizzata. Non strofinare il tessuto in modo aggressivo, perché si potrebbe rovinare il pelo. Evita di bagnare completamente la seduta in lana e prima di usarla, accertati che sia ben asciutta. Non utilizzare mai candeggina, ammoniac o sapone destinati alle superfici dure.

PRODUCT CARE AND CLEANING

Wood

For everyday cleaning, use a soft cloth, slightly moistened with a neutral liquid detergent. Stubborn stains can be removed by careful use of ammonia diluted with plenty of water. Do not use aggressive detergents.

Ceramic/Marble

For normal surface cleaning, just use a damp microfibre cloth. You can also use a neutral liquid detergent on a soft sponge or a microfibre cloth. For stubborn stains, gently rub with a slightly abrasive sponge. If staining liquids or acidic substances are spilled on the surface, remove them immediately and rinse the surface with water.

Fenix

For everyday stains, clean the surface with hot water and a non-abrasive cloth. Stubborn stains can be removed with domestic detergents or solvents and then rinsed with hot water. For scratches, rub with a slightly damp melamine sponge. Never use abrasive products, bleaching agents or metal tools on the surface. Avoid acids.

Cotton

Extremely versatile, cotton can be washed at high temperatures without damaging its qualities. We recommend regular cleaning to remove dust and dirt which, over time, can compromise the fabric's colour and weaken the material's characteristics.

Trevira

Trevira CS is a highly fire-retardant material that keeps its qualities as it ages and after washing, whether dry cleaned or in water. For proper maintenance, quickly remove any stains with a damp cloth. Do not dry.

Wool

Cleaning wool regularly is essential to maintaining its qualities and durability. Immediately remove any stains from the fabric: mop liquids with an absorbent cloth and use a sponge soaked in hot water and then well wrung out to remove any residue. Do not rub the fabric aggressively. This can damage the wool. Avoid over-wetting the wool seat. After cleaning and before use, make sure the wool is completely dry. Never use bleach, ammonia or soaps for hard surfaces.

Poliestere

Scegliamo tessuti in poliestere studiati per il mobile imbottito, ignifughi e resistenti alla lacerazione. Essendo una fibra sintetica, il poliestere è di facile manutenzione. Per rimuovere le macchie è sufficiente spazzolare il tessuto con un detergente neutro e successivamente lavarlo in lavatrice.

Velluto

Il velluto è tessuto nobile ed elegante, per questo la sua regolare pulizia e il suo corretto mantenimento sono fondamentali per mantenerne le raffinate qualità. Evita di lasciare il tessuto sotto la luce del sole e stai attento a non bagnarlo con troppa acqua. Per ripristinarlo, soffia del vapore sulla superficie utilizzando un ferro da stiro facendo attenzione a non toccare il tessuto. Quando asciutto, pettinalo con le mani. Non strofinare mai il velluto con forza e non stirarlo.

Polyester

We select polyester fabrics designed for upholstered furniture. They are fire-retardant and resistant to tearing. Being a synthetic fibre, polyester is easy to maintain. To remove stains, simply brush the fabric with a neutral detergent and then machine wash.

Velvet

Velvet is a noble, elegant fabric which is why regular cleaning and proper maintenance are essential for maintaining its refined qualities. Do not expose the fabric to direct sunlight. Be careful when wetting the fabric: do not use too much water. To restore the fabric, blow steam over the surface with a steam iron, being careful not to touch the fabric. When dry, comb with your hands. Never rub the velvet forcibly. Never iron velvet.
