CAPITAL®

Capital presents its updated collection with models that will meet the most demanding requirements in residential furniture solutions. The unique features of this series propose contemporary forms refined with design details of high stylistic value.

All materials used are rigorously Made in Italy, just like the know-how and the advanced craftsmanship that leads to high class finish.

Each house is a space that tells our story: its furniture, the emotions, the memories and dreams for the future live in its spaces.

Capital presenta la sua collezione aggiornata in una modellistica capace di soddisfare le più ricercate soluzioni d'arredo residenziali.

I tratti caratteristici della linea mostrano forme contemporanee arricchite da dettagli di design e dall'alto valore stilistico.

Tutti i materiali utilizzati sono rigorosamente Made in Italy come anche il know how e la sofisticata abilità artigianale che si esprime nelle finiture di alto livello.

La casa è uno spazio che racconta la nostra storia: i suoi mobili, i sentimenti, i ricordi e i sogni futuri vivono negli ambienti.

CAPITAL

Capital began its story more than 40 years ago, thanks to its President Paolo Viscovich, and has since then accumulated experience in the luxury furniture sector.

Since its establishment the company is continuously evolving and growing in global markets as an organisation with Padua-based headquarters and showroom, but with offices and showrooms also in emerging markets.

Capital initially develops in-house creative designs and works its way through all stages of material research and production. We actually believe that the value of in-house development is being passed on to the final product in terms of uniqueness and excellence.

We are not influenced by industrial concepts but by artisan production and method: not being bound by the use of certain materials or technology and being able to produce in cycles that depend on our hands proves that we have no limit except our own mind.

Capital nasce dall'esperienza nel settore arredamento lusso oltre quarant'anni fa grazie al suo Presidente Paolo Viscovich. Da allora l'azienda è in continua evoluzione e crescita in tutti i mercati del mondo grazie ad una struttura che vede Padova come headquarter e showroom e la nascita di nuovi uffici e spazi espositivi nei mercati emergenti. L'azienda è strutturata al suo interno partendo dallo sviluppo creativo di design fino a tutte le fasi di ricerca materiali e produzione.

Crediamo, infatti, che il valore dello sviluppo interno di tutte le fasi si trasferisca al prodotto finito in termini di unicità ed eccellenza. Non siamo legati ad un concetto industriale ma ad una produzione e una metodologia artigianale: non vogliamo essere vincolati all'uso di una certa materia o tecnologia e poter avvalerci di cicli produttivi dipendenti dalle nostre mani.

Capital is a company where creative spirit and know-how are nourished by the passion for our work and the needs of our customers.

Capital è un'azienda in cui la creatività e il know how sono alimentati dalla passione per il nostro lavoro e dalle esigenze dei nostri clienti.

Even if Capital products are sons of an artisan production process, they are formed and designed in an international context inspired by different cultures and countries, known through travelling and experiences. For us Made in Italy means designing and producing in a way recognized and appreciated by people all over the world, it's the result of passion, the production excellence of Italian culture and the sophisticated style which is visible in every detail. An interior design project starts from a specific complex request wherein all functional and constructive aspects need to be assessed and coordinated.

Each project has its own needs and the choice of the elements that will lead to its realization needs to be coordinated through an organized structure.

The Capital collection stands out for products with a strong and firm character in which forms and materials come together in connection to each other and adapt to a refined house model.

I prodotti Capital sono figli di un processo produttivo artigianale ma vengono progettati in un contesto internazionale che prende spunto dalle diverse culture e paesi. Il design è il risultato della creazione progettuale dell'Ufficio Design & Styling integrato e supportato da importanti collaborazioni esterne.

Per noi Made in Italy è un modo di progettare e produrre che il mondo riconosce e apprezza, è il frutto della passione, dell'eccellenza produttiva della cultura italiana, della raffinatezza stilistica visibile in ogni dettaglio. Un progetto di interni nasce da una richiesta specifica complessa e presuppone di valutare e coordinare tutti gli aspetti funzionali e costruttivi.

Ogni progetto ha esigenze proprie e la scelta degli elementi che formano la realizzazione vanno coordinati attraverso una struttura organizzata. La collezione Capital si distingue per prodotti con un carattere forte e deciso dove forme e materiali si fondono dialogando tra loro ed adattandosi ad un modello raffinato di casa.

The goal is to enter into homes that differ from each other in style and culture and to give meaning and value through charme and elegance, based on a unique customized project for each customer.

L'obiettivo è quello di entrare nelle case stilisticamente e culturalmente diverse tra loro e dare significato e valore con charme ed eleganza attraverso un progetto custom unico per ciascun cliente.

Company philosophy - Where we are

Our showroom is situated at 30 km from Venice, close to our headquarters, there is a space where you can see the set-up pieces of the collection but above all, like in the atelier of a tailor, you can see materials and creative ideas taking shape according to customer requirements. Therefore, it's the place that best describes us and illustrates our approach to customer projects through the choice of products and materials to be introduced in their homes. The same concept has been applied in Moscow with a space dedicated to professionals of this branch, architects, interior designers and customers to brainstorm together in a design atmosphere.

Il nostro showroom sito a 30 km da Venezia, adiacente al nostro headquarter, è uno spazio in cui poter vedere i pezzi ambientati della collezione ma soprattutto, come per l'atelier di un sarto, vedere materiali e idee creative prendere forma secondo le richieste dei clienti. È pertanto il luogo che meglio ci descrive e che testimonia il nostro approccio ai progetti dei clienti attraverso la scelta di prodotti e materiali da inserire nelle residenze. Lo stesso concept è stato inaugurato a Mosca con uno spazio dedicato a professionisti del settore, architetti, interior designers e clienti.

Luxury can be spoken Taylor made.

Il lusso può essere disegnato su misura.

Our understanding of customized luxury is when design meets customer's personality with a "tailor-made" product that belongs only to you.

A product can tell people about you, your personality, your taste, your ambition and life attitude. A product can be an invisible and silent emotion in communication with you and you can feel its exclusive charm.

Capital Collection makes a sensitive and luxurious products while creating a concept of exquisite lifestyle.

Il lusso *su misura* è per noi la facoltà di personalizzare oggetti e forme seguendo la personalità di ciascuno, in un mondo in cui l'unica firma che desideri su ciò che indossi è la tua. Il lusso è avere quello che sei: è un'idea di *su misura* talmente esclusiva da parlare a una persona alla volta.

Capital evolve in un lifestyle in cui l'attenzione è sulla persona e i suoi spazi unici, sulle sue esperienze, sulle passioni, sui viaggi che portano nuove correnti di pensiero. Per i prodotti Capital, che entrano negli spazi del nostro abitare, il rapporto con l'individuo corrisponde a una vibrazione, alla sua anima che evolve in diverse dinamiche. L'imperfezione della materia, delle essenze, dei tessuti o dei marmi, diventa una traccia riconoscibile della realtà delle cose, espressione della percezione culturale e d'identità di ognuno di noi.

“The decor of our house becomes the scene of our private life, the scene where every room allows change, dynamics of attitudes and situations: it’s the home stage. Such unique design will make us the key-players in our own domestic lives”

“L’arredamento della nostra casa diventa il teatro della vita privata, quella scena dove ogni stanza permette il cambiamento, la dinamica degli atteggiamenti e delle situazioni: è la casa palcoscenico.

Una casa concepita con questo progetto rende protagonisti i suoi abitanti”

Made of PU / PVC on cotton satin. It has a "full grain leather" look, a soft and pleasant touch and a grain that is highlighted in a contrasting light opacity.

The delicate coloring that focuses on natural colors, together with the resistance to abrasion and fire, make this article the ideal item for elegant and sophisticated environments, both in domestic and contract use.

Realizzato in PVC/PU su raso di cotone presenta un aspetto tipo "pelle pieno fiore", con una mano morbida e piacevole ed una grana che si evidenzia in un leggerissimo contrasto di opacità. La coloritura delicata e calibrata sui colori naturali, assieme alle caratteristiche di resistenza all'abrasione ed al fuoco, rendono l'articolo ideale per ambienti eleganti e raffinati, sia domestici che contract.
