Moving simplicity

The unique folding system
makes Simpla radically different.
In addition to a minimalist and
elegant silhouette, the two-piece
table is flexible and space-saving.

SPACE SAVING STYLE

Simpla is a two-piece table with a lift-off top. It's a mobile table reflecting today's dynamic working style. Its space-saving features make it a multi-purpose and easy-to-use solution for meeting, dining, studying, and more.

1 + 1 = one. This means that the
frame + the table top equals one table.
And what an extraordinarily stable
and elegant one.

”

There's a saying that a good designer is a person who looks at the same things as everybody else, but thinks something different.
