What better way to express your own style than through your personal home décor? This simple, compelling question sparked our philosophy of designing only expressive furniture with a distinctive character and plenty of scope for individuality.

High-quality materials, such as genuine solid wood with thick, laminated wood veneers, high-grade brushed steel, special slate-effect finishes and painted glass are orchestrated skillfully together in our product lines to create your personalized product with a clear, sophisticatedly distinctive lines and intelligent functionality: "Made in Germany".

In addition to a range of different types of wood, we offer a selection of various colors you can choose from. For a more detailed overview please refer to the bottom of this page.

Apart from this, we will be more than happy to cater to your personal wishes and ideas relating to colors, materials and measurements.

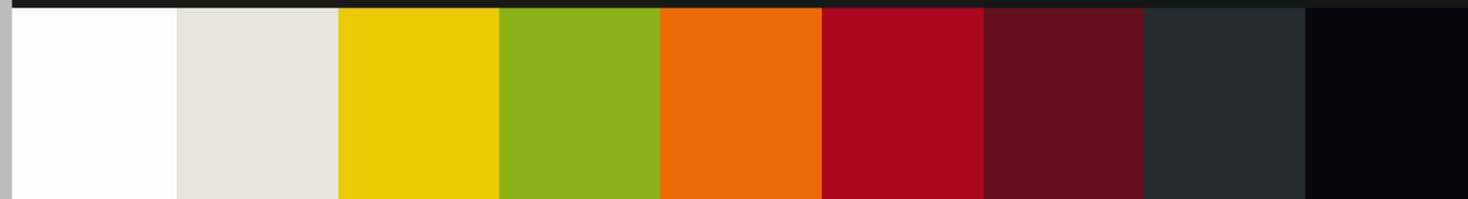

Allow yourself to be inspired by our catalog! We wish you great pleasure in browsing through these pages!
