

LELIEVRE PARIS FABRIC COLLECTION N° 23

INSPIRED BY A GENTLEMEN'S WAY OF LIFE FROM
THE LAST CENTURY, BOTH CURIOUS AND ELEGANT...

Tailored weaves combined with decorative patterns all with a feel of luxury. Our research has been focused on reproducing the fluidity of wool, the deep pile of a cotton velvet, the natural look of linen and the texture of woven horsehair, carefully designed qualities to respond to the demanding hotel market.

From enjoying the fresh air and the thrill of a drive to a more serious moment spent reading at the heart of a cosy library, or an intimate exchange sat in a smoking room ... Collection no. 23 is inspired by a gentlemen's way of life from the last century, both curious and elegant.

Collection Number 23 denotes 11 designs and a myriad of textures to explore.
