

A high-angle photograph of two plush, blue velvet armchairs with a rounded, bowl-like design. The chairs are positioned on a dark, textured floor. The lighting is dramatic, casting long shadows and highlighting the texture of the velvet. The overall mood is sophisticated and modern.

Le linee decorative e originali dell'Art Dèco in una poltroncina con lo schienale avvolgente, dalla sfiziosa forma a conchiglia. Da tè o da conversazione quella girevole, perfetta in una sala d'aspetto la versione fissa. Declinabile anche in sedia da pranzo e piccolo divano.

The original and decorative lines of Art Deco characterise this small armchair with a wrap-around backrest, creatively shaped like a shell. The revolving one is ideal for tea-time or conversation, the fixed version is perfect for a waiting room. Can also be used at the dining table or as a small sofa.
