CERAMIC & ACCESSORIES COLLECTION

ABOUT 101 COPENHAGEN

101 Copenhagen is a Danish design brand founded in 2017 with a strong vision to create a world of beautiful lighting and accessories of exquisite craftsmanship, quality and timeless design for Scandinavian living. With a passion for materials and refined textures combined with our design aesthetic and an organic, calm color scheme, we are proud to present a collection filled with must-have novelties and timeless classics.

OUR CREATIVE DRIVE

The 101 Copenhagen Design House carefully curates and design objects for Scandinavian living. The creative drive is centered in a fusion of the Scandinavian design tradition influenced by the timeless Japanese approach to material and techniques. The objects designed reflects the symbioses of design traditions whilst also featuring unique embedded stories, symbols and associations expressed in a minimalist idiom. The design approach is notably holistic, the work process is dynamic and characterized by freedom of expression, which creates unique and timeless pieces.

Kristian Sofus Hansen

Kristian is a Danish designer graduated from the Royal Danish Academy of Fine Art whilst also spending time in Japan studying at the Kyoto Institute of Technology.

Kristian started collaborating with Tommy Hyldahl in 2016 for NORR11 and has now ventured out in the world of lighting solutions and home accessories.

Nicolaj Nøddesbo

Nicolaj is a Danish designer from the Aarhus School of Architecture.

Nicolaj joined the design team in 2017 and has since developed truly iconic pieces including innovative light solutions and timeless novelties in the accessories department. Nicolaj strives to create functional design with personality and character, focusing on materiality and tactility creating minimalistic and sculptural designs.

Tommy Hyldahl

Tommy is the founder and partner in NORR11 and 101 Copenhagen and has been involved in the creative direction of the company since its start.

Tommy launched 101 Copenhagen in 2017, a company that focuses on designing and curating home accessories and lighting solutions for Scandinavian living.

COBRA

Cobra celebrates the the absurd and playfull silhouettes of the Cobra Arts Movement of the 1960s. The Cobra collection challenges the balance between soft and consistent shapes, playing with human silhouettes in contrast to architectural building components. Hand glazed natural product therefore the colours may variate. Not waterproof safe.

Designed by Kristian Sofus Hansen & Tommy Hyldahl

KYOTO

Kyoto is inspired by sculptural shapes of ancient Japanese and Chinese vases. The vase is designed as a cross of four massive walls, lifting up an oval shaped sphere. The vase has a circular opening in the middle, characterised by the unfinished meeting between the four walls. Kyoto is made from fiber concrete and comes in two sizes.

OKA

With its sculptural and architectural shapes the Oka Tray brings character into any interior scheme. The tray is cast in solid fiber concrete, adding a certain heaviness to the brutalistic object, while also creating a unique and refined surface texture. Use the Oka Tray for various decoration purposes, or stand alone to create an art piece in itself.

Designed by Kristian Sofus Hansen & Tommy Hyl Dahl

GUGGENHEIM

Guggenheim is a series of sculptural ceramic vases based on archetypal geometry. The transition between merged geometry, sharp lines and thin silhouettes creates decorative optical illusions. The texture of the handmade surface beautifully catches the light, and becomes an artistic object in the space. The Guggenheim series is handmade ceramic and comes in three sizes. Not waterproof safe.

KABIN

Kabin is a series of handmade ceramic vases that is inspired from Japanese craftsmanship. The series of large table vases was created to offer the same stability and complexity as the classical Japanese tea bowls without changing the simplicity iconic to Japanese design. Combining inspiration from the classical Japanese simple shapes whilst intertwining them with a minimalistic Scandinavian approach giving them new life the Kabin series emerged, Kabin is a series of handmade ceramic vases in three sizes. Not waterproof safe.

REFLECT

The Reflect Mirror series is an elegant and simple range of mirrors that represent a fine addition for both classic and contemporary interior spaces. The simple and straight lines render an understated yet modern influence, while the brass frame brings a touch of classic beauty to the design. Elegant proportions and simplicity of design is key for a stunning reflection solution. The Reflect mirrors comes in three versions and in antique brass or burned black.
