“The definition of luxury, impressive pieces with a very defined aesthetic that brings the best of modern design and the traditional craftsmanship together”

João Barros, Head Designer & CEO

# EMPIRE

## *Collection*

As the most iconic collection, the Empire never fails to impress. Inspired by one of the most famous buildings in the world, the Empire State Building. This exuberant collection presents the lighting world with extravagant shapes, with layers of brass and vintage-inspired crystal glass. The ultimate expression of luxury and style in the lighting design world.

# EMPIRE XL

*Chandelier*

With a closely egocentric attitude, the flamboyant Empire XL are conceived.  
Inspired in the Empire State Building, this new design has the extraordinary power  
to centralize any atmosphere and transform everything around it.  
The perfect piece to an exclusive ambience.

# SCALA

*Collection*

Named after the Teatro alla Scala in Milan, the Scala collection is a masterpiece.

Made to bring life into spaces, this collection is like no other, combining classic and modern design beautifully. All the lighting fixtures that make up the collection feature Swarovski crystals.

Today the collection features a Chandelier, a Plafond and a Wall Lamp.

# MCQUEEN

## *Collection*

A collection that is more than lighting fixtures. Daring and dramatic designs that are an homage to the late fashion designer Alexander McQueen and his bold statements. The expert jewelers inspired by nature's elements forge brass leaves and butterflies. Finished with Swarovski crystals this collection is the ultimate expression of contemporary luxury and ranges from all types of lighting fixtures (suspensions, chandeliers, wall lamps, floor lamps, plafonds, pendants) and has even inspired a furniture collection.

# GALA

*Collection*

As a revival of the fixtures that once lighted palaces up with candle light, the Gala collection has timeless lines that fit into most styles. From the modern, to the classic and from the minimalist to the maximalist, the simple lines of this collection are the needed touch of luxury to take any interior a step further. Brass structures and crystal tubes allow the Gala collection to shine in its various forms, chandeliers, pendants, floor lamps and suspensions.

# GUGGENHEIM

*Collection*

Bold by definition the Guggenheim collection made up of three lighting fixtures - a chandelier, a wall lamp and a pendant, is an avant-garde design.

Made to inspire the world as the museum that served as inspiration for this eye-catching lines, the collection does not fail to stand side by side with the architecture of the Guggenheim Museum.

Swarovski crystals add the elegant touch to the structured fixtures inspired by leading-edge architecture.

# BABEL

*Collection*

Inspired by the Gardens of Babel myth, this collection was brought to reality by combining brass rings with delicate crystals.

The expertise of the craftsmen concedes a unique pattern of light refraction that looks stunning with or without lights.

Charming designs that blend perfectly and bring harmony into luxury ambiances.

# WATERFALL

*Collection*

High-quality, elegant and glamorous. This collection is a representation of waterfalls and their sensations, as the lighting fixtures shine just like a natural waterfall in a sunny day.

With shapes that fit into most styles, the collection is the ideal lighting solution for either contemporary open concept loft or a classic luxury lobby.

# BURJ

*Collection*

Inspired by one of the most stunning and luxurious hotels in the world, the Burj Al Arab, this collection is fit for places as luxurious as its source of inspiration! Like the hotel, it's a symbol of modern luxury and has a strong structure.

The collection features a chandelier, two wall lamps and a pendant, all made with the highest-quality materials - brass and crystal glass.

# TRUMP

*Collection*

Inspired by the architectural lines of the Trump Hotel, this collection is a refined blend of brass structures and sublime crystal glass tears. An expression of luxury in the shape of charming lighting fixtures that are fit for the most elegant interiors.

# PHARO

*Collection*

Pharos was an island where once stood a great lighthouse outside ancient Alexandria. Pharo collection is an interpretation of the robust yet simple architecture of modern lighthouses. Made with crystal and brass in tube shape this collection lighting fixtures (chandeliers, suspension, floor lamps, table lamps, wall lamps) are a beacon of light to rupture of the darkness.
