CAMALEO "DREAMERS"

Design: Isabella Marinozzi

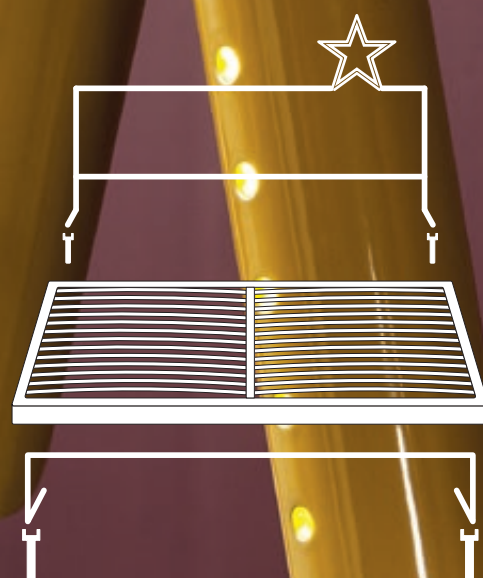

Si chiama Dreamers il progetto vincente del contest indetto da Twils e da una nota rivista d'arredamento. Abbiamo invitato i lettori a ideare una nuova testiera per Camaleo; questa è la più brillante fra le numerose idee ricevute. Una grande stella illuminata da led, per un'atmosfera sognante e di stile decisamente contemporaneo. Un'inedita e luminosa metamorfosi creativa.

UN LETTO TRA
LE STELLE

Si dice che quando una persona guarda le stelle è
come se volesse ritrovare la propria dimensione dispersa nell'universo.
Salvador Dalí
