It is, above all, a brand design inspired by the peculiar tastes of an urban and demanding generation with a strong personality. We create design pieces reflecting an urban and intense lifestyle in perfect harmony with cosmopolitan elements, trends, luxury, with a special focus on the personal style and identity.

We believe that our design, as well, the materials, makes desirable and high quality pieces. The production is handmade and completely made in Portugal by artisans with high technical capabilities.

We invite all interested to embark on this journey with us... an intense journey, seductive, subtle and mysterious.
