II Proposti in tre diverse altezze, gli sgabelli Tommy formano una famiglia che si presta a creare diverse composizioni, anche giocando con diverse dimensioni e finiture, oppure trovando utilizzi singoli in un'infinità di ambienti, in casa e nel contract. Gli sgabelli Tommy sono realizzati in legno di frassino naturale con finitura leggermente spazzolata, oppure laccata a poro aperto in diversi colori. Disponibili anche in rovere. L'anello poggiapiedi della versione alta è in metallo verniciato grigio o nero.

EN Available in three different heights, the Tommy stools form a family which can be used to create different compositions, also playing with different sizes and finishes, or finding single uses in an infinity of rooms, at home or in contract interiors. Tommy stools are made of natural beech with lightly brushed finish or open pore lacquer finish in different colours. Also available in oak. The footrest ring of the tall version is in grey or black painted metal.
