#### MODIFICHE PRODUTTIVE

La ditta si riserva di apportare  
modifiche dimensionali o  
strutturali ai suoi prodotti in  
qualsiasi momento e senza  
alcun preavviso.

#### PRODUCTION MODIFICATIONS

The company reserves the  
right to modify the structure  
or dimensions of its products  
without notice at any time.

**SCRIVANIE - TAVOLI RIUNIONE - TAVOLI CAFFE'**

**Piani** per scrivanie, tavoli riunione e allunghi costruiti con pannelli in agglomerato ligneo di pioppo (leggero) sp.40 mm placcati a caldo con impiallacciatura di "rovere rigato americano"; bordi dello stesso legno di sp.3 mm arrotondati. Tutti i piani per tavoli e scrivanie con sostegno "a gamba" hanno di serie il profilo in alluminio inserito nello spessore. Verniciatura in linea con vernici acriliche antingiallenti, nelle finiture : rovere "sbiancato", rovere "tinto moka" e rovere "tinto noce".

Versioni con piani in cristallo temperato di sp.12 mm con angoli smussati, nelle finiture satinato, retrolaccato bianco extrachiaro e retrolaccato nero.

**Sostegni realizzati in tre versioni:**

A quattro gambe con struttura interna portante in alluminio rivestito per metà' da fianchetti in legno e metà' con profilo in estruso di alluminio millerighe.

Possibilità di passaggio cavi all'interno del sostegno.

Con fianchi in legno assemblati a "telaio" mediante l'inserimento di un profilo in alluminio di sp.4 mm. Rinforzi orizzontali con profilati di alluminio da mm. 45x47.

Con pannello di legno "pieno" sp.40 mm arricchito da un profilo di alluminio nella parte superiore.

Tutti i tipi di sostegni hanno le stesse finiture dei piani, con alla base delle piastre in alluminio con piedini regolabili.

Travi sottopiano realizzate con profilato in alluminio da mm. 45x47.

Tutti i particolari sono di alluminio anodizzati con finitura satinata o brill

**DESKS - MEETING TABLES - COFFEE TABLE**

**Surfaces** for desks, conference tables and extensions made of 40 mm thick (lightweight) poplar wood particleboard panels, hot-laminated with “American oak” fine cut veneer; 3 mm thick rounded borders of matching wood. All tops for desks and tables with legs include an aluminium profile in the edge. On-line painting with anti-yellowing paints; two finishes are available: white, mocha and walnut finish oak.

Versions with 12 mm thick tempered glass surfaces and bevelled corners, finishes satined, white extraclear or black retrolacquered glass.

**Three support versions:**

Four legs with aluminium internal carrying structure; half internal structure is clad with wooden panels and the remaining half with a “snap-on” reeded aluminium extruded profile.

The cables can be routed inside the support.

Quad legs with a 4 mm aluminium profile 45x47 mm aluminium profile horizontal reinforcement.

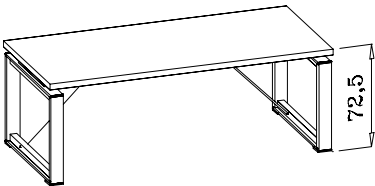

With wooden panel end 40 mm thick with an aluminium profile in the upper part.

All types of supports have the same surface finishes and anodised aluminium square base plates with adjustable feet.

Undermounted beams made of 45x47 mm aluminium profiles.

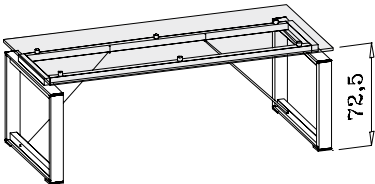

All parts are aluminium oxidised in finishes satined or brill.

CASSETTIERE (con serratura di serie)

**Struttura** della cassetiera costruita con pannelli in agglomerato ligneo di pioppo (leggero), placcati a caldo con tranciato di “rovere rigato americano”; bordi dello stesso legno di sp.1,5 mm.

I fianchi (sp.40 mm) sono assemblati con il top superiore (sp.15 mm) mediante l’inserimento di un profilo in alluminio di sp.4 mm (La versione più economica non prevede il profilo di alluminio). Verniciatura in linea con vernici acriliche antingiallenti, in due finiture: rovere “sbiancato”, rovere “tinto moka” e rovere “tinto noce”. Schienale in rovere.Versione “portante” con piedini regolabili montati su piastre in alluminio anodizzato; versione “con ruote” piroettanti, colore grigio alluminio.

**Cassetti** completamente in alluminio anodizzato argento, attrezzabili anche con portacartelle. Cassettino portacancelleria provvisto anche di un separatore in legno. Le versioni più economiche montano i cassetti in PVC o in acciaio.

**Guide** “quadro” in acciaio con scorrimento mediante sfere di precisione; chiusura automatica negli ultimi 60 mm. e blocco in apertura per scongiurare cadute accidentali. Nel caso di portacartelle, le guide sono ad estrazione totale.

**Serratura** con asta in acciaio e fermi di battuta a chiusura simultanea dei cassetti direttamente sulle spondine; chiave cromata in doppio esemplare.

Le **maniglie** sono in alluminio anodizzato, di forma quadrata in finitura satinata o brill.

PORTA-COMPUTER E PORTA-MONITOR

**Struttura** costruita con profilato in alluminio anodizzato mm. 25x25, collegato da apposite giunzioni.

**Piani e schienale** con pannelli in agglomerato ligneo di pioppo (leggero) sp.20 mm placcati a caldo con tranciato di “rovere rigato americano”; bordi dello stesso legno di sp.1,5 mm. Verniciatura in linea con vernici acriliche antingiallenti, in due finiture: rovere “sbiancato”, rovere “tinto moka” e rovere “tinto noce”.

**Schermo frontale**, in vetro temperato satinato sp.8 mm ancorato con distanziali alla struttura; è munito di un’asola che favorisce la presa per lo spostamento.

DRAWER PEDESTALS (with lock):

Drawer pedestal **structure** made of (lightweight) poplar wood particle board panels, hot-laminated with “American oak” fine cut veneer; 1,5 mm thick rounded borders of matching wood.

The side panels (thickness 40 mm) are fastened to the top surface (15 mm thick) by means of a 4 mm thick aluminium profile.

(The economic version has no aluminium profile).

On-line painting with anti-yellowing paints; two finishes are available: white, mocha and walnut finish oak.

Back finishing oak panel.

“Load carrying” with adjustable feet mounted on anodised aluminium square plates; 80 mm. colour: aluminium grey.

**Drawers** made of silver anodised aluminium, designed to accommodate filing drawers. Stationery tray with a wooden spacer.

(The economic version have PVC or steel drawers).

“Quadro” steel **guides** sliding by means of precision spheres; automatic closing in the last 60 mm and opening lock.

Fully extendable guides when filing drawers are present.

**Lock** with steel bar and stops for anti tilt mechanism; chromium-plated double key.

Square anodised aluminium **handles** in finished aluminium or brill.

PC-TROLLEYS AND MONITOR STANDS

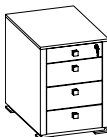

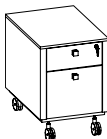

**Structure** made of anodised aluminium profile, mm 25x25, connected by special couplings.

**Surfaces** and back panel made of (lightweight) poplar wood particleboard, thickness: 20 mm, hot-laminated with “American oak” veneer; 1,5 mm thick rounded borders of matching wood.

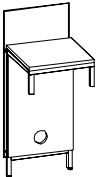

On-line painting with anti-yellowing paints; two finishes are available: white, mocha and walnut finish oak.

**Front** screen made of 8 mm thick satin tempered glass anchored to the structure by means of spacers; features a finger slot so that it can be easily moved.

CONTENITORI DI SERVIZIO (con serratura di serie)

**Struttura** dei contenitori di servizio costruiti con pannelli in agglomerato ligneo di pioppo (leggero), placcati a caldo con tranciato di “rovere rigato americano”; bordi dello stesso legno di sp.1,5 mm.

I fianchi (sp. 40 mm) sono assemblati con il top superiore (sp.15 mm) mediante l’inserimento di un profilo in alluminio di sp. 4 mm. Verniciatura in linea con vernici acriliche antingiallenti, in due finiture : rovere “sbiancato”,rovere “tinto moka” e rovere “tinto noce”.

Schienale in rovere. Piedini regolabili montati su piastre quadrate in alluminio anodizzato.

Gli interni sono realizzati in nobilitato melaminico colore bianco per i contenitori rovere sbiancato, moka per i contenitori rovere moka e noce per i contenitori rovere noce.

**Ante** in legno costruite con pannelli in agglomerato ligneo di pioppo (leggero), placcate a caldo con tranciato di “rovere rigato americano”; bordi dello stesso legno di sp.1,5 mm.

**Cassetti** completamente in alluminio anodizzato argento, attrezzabili anche con portacartelle. Cassettino portacancelleria provvisto anche di un separatore in legno.

**Guide** “quadro” in acciaio con scorrimento mediante sfere di precisione; chiusura automatica negli ultimi 60 mm. e blocco in apertura per scongiurare cadute accidentali. Nel caso di portacartelle, le guide sono ad estrazione totale.

**Serratura** con asta in acciaio e fermi di battuta a chiusura simultanea dei cassetti direttamente sulle spondine; chiave cromata in doppio esemplare.

Le **maniglie** sono in alluminio anodizzato, di forma quadrata in finitura satinata o brill.

MOBILE CABINETS (with lock)

Mobile cabinet **structure** made of (lightweight) poplar wood particle board panels, hot-laminated with “American oak” fine cut veneer; 1,5 mm thick rounded borders of matching wood.

The side panels (thickness 40 mm) are fastened to the top surface (thickness 15 mm) by means of a 4 mm thick aluminium profile.

On-line painting with anti-yellowing paints; two finishes are available: white, mocha and walnut finish oak.

Back finishing panel.

Adjustable feet mounted on the base in anodised aluminium square plates.

The cabinet fitments are made of melamine, colour: white for finishes white oak, mocha for finishes mocha oak and walnut for finishes walnut oak.

Wooden **doors** made of (lightweight) poplar wood particle board panels, hot-laminated with “American oak” fine cut veneer; 1,5 mm thick rounded borders of matching wood.

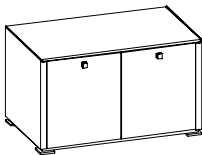

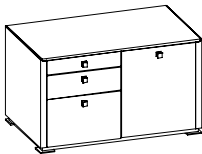

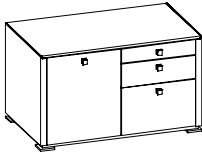

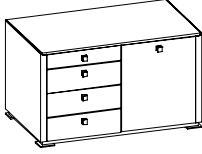

**Drawers** made of silver anodised aluminium, designed to accommodate filing drawers. Stationery tray with a wooden spacer.

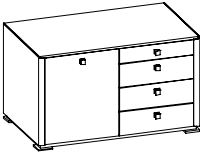

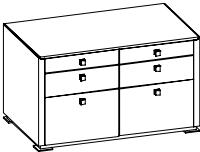

“Quadro” steel **guides** sliding by means of precision spheres; automatic closing in the last 60 mm and opening lock.

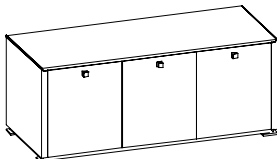

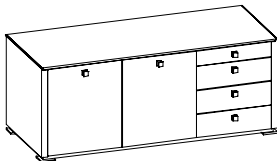

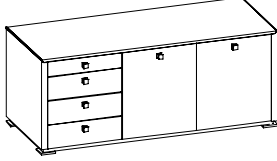

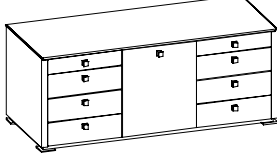

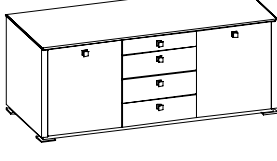

Fully extendible guides when filing drawers are present.

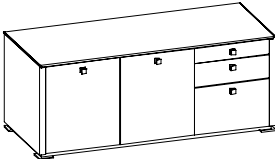

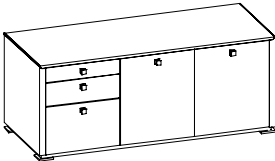

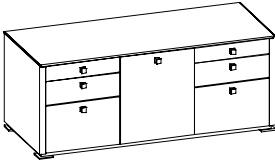

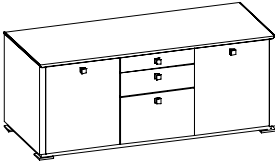

**Lock** with steel bar and ledge stops for anti-tilt mechanism; chromium-plated double key.

Square anodised aluminium **handles** in finished aluminium or brill.

## **CONDIZIONI GENERALI DI VENDITA**

### **IL PRESENTE LISTINO ANNULLA E SOSTITUISCE I PRECEDENTI.**

#### **ORDINI:**

Gli ordini sono accettati solo se confermati per iscritto . Gli ordini sono impegnativi e irrevocabili per il cliente; ogni modifica dovrà essere fatta con comunicazione scritta.

#### **RESA:**

Nel territorio italiano la merce si intende resa franco destino magazzino cliente o altro locale idoneo a ricevere la merce su camion, con consegna “alla sponda del mezzo di trasporto”. Per ordini inferiori a € 500,00 netto comporterà un addebito fisso di € 30,00. Per consegna ad utente finale, con riserva di consegna, saranno addebitate le spese di trasporto come da tariffe applicateci da nostro vettore. Per consegne all'estero la resa è franco fabbrica. La merce venduta con resa franco fabbrica viaggia sotto la piena responsabilità del compratore. Nel caso vengano richiesti, o si rendano necessari, imballi diversi dallo standard, verranno applicati dei costi aggiuntivi determinati a consuntivo.

#### **TERMINI DI CONSEGNA:**

I prodotti in listino vengono consegnati usualmente entro 3/4 settimane dall'accettazione dell'ordine o a disponibilita' del magazzino. Per i prodotti non a listino ci riserviamo di comunicare i termini di consegna. La mancata consegna dovuta a cause di forza maggiore e/o inadempienza nei termini di pagamento e gli eventuali ritardi a qualsiasi motivo dovuti, non danno luogo ad alcuna forma di indennizzo o risarcimento.

#### **PAGAMENTI:**

Sono validi solo se effettuati nei termini e modi pattuiti. La forma di pagamento diversa dalla rimessa diretta comporta addebito delle relative spese. La venditrice rimane proprietaria della merce, anche nei confronti di terzi, fino al completo pagamento del prezzo convenuto. Tutti gli articoli non compresi nel listino Ideal Form Team e costruiti espressamente per il cliente, vanno integralmente saldati al momento dell'ordine

#### **PREZZI:**

I prezzi non sono comprensivi di IVA. Essi sono modificabili in qualsiasi momento ad insindacabile giudizio della venditrice.

#### **RECLAMI:**

La venditrice risponde dei difetti della merce purché vengano segnalati entro 8 giorni dalla consegna. Le contestazioni sulla quantità dei colli e lo stato d'imballo vanno segnalate all'atto della consegna con annotazione sul documento di trasporto. La sostituzione della merce non significa accettazione della contestazione. L'accredito al committente verrà fatto solo dopo la restituzione della merce difettata, ed a condizione di responsabilità da parte della venditrice.

#### **MODIFICHE:**

La venditrice si riserva la facoltà di apportare al prodotto eventuali modifi che tecniche, dimensionali ed estetiche.

#### **CONDIZIONI PARTICOLARI:**

Le presenti condizioni sono dichiarate accettate con l'ordine. Eventuali deroghe dovranno essere formulate per iscritto.

#### **SCHEDA PRODOTTO:**

Il rivenditore è tenuto a consegnare ai propri clienti la scheda prodotto, disponibile sul sito [www.idealformteam.com](http://www.idealformteam.com), in ottemperanza alla legge D. Lgs. n. 206/2005.

#### **FORO COMPETENTE:**

Per qualsiasi controversia, l'esclusivo foro territoriale competente è quello di Ancona, anche se vengono emessi titoli pagabili nel domicilio del committente od altrove.

**GENERAL SALES TERMS**

**THIS PRICE LIST CANCELS AND REPLACES ALL PREVIOUS ONES.**

**ORDERS:**
