CONCEPT

In linea con lo stile che richiama le antiche ville toscane inizia il percorso intrapreso da Marioni per una proposta sempre più ricca di oggetti raffinati, lavorati artigianalmente ed integrati tra loro anche nel più piccolo dettaglio. CONCEPT è una selezione di mobili, imbottiti, apparecchi di illuminazione e complementi capaci di infondere eleganza, comfort e calore in ogni ambiente. La collezione nasce dall'esigenza di esprimere uno stile arredativo globale contemporaneo, destinato alla decorazione della casa in generale, ma anche usufruibile in proposte contract. Dal 2003 possiamo contare su di un sistema di qualità certificato a norma ISO 9001-2015 per il rispetto degli standard di servizio e di prodotto.

In line with the style that recalls the ancient Tuscan villas starts the route taken by Marioni for a proposal increasingly rich in simple and refined items, handcrafted and integrated each other. CONCEPT is a selection of furniture, upholstery, lighting fixtures and accessories capable of instilling elegance, comfort and warmth that comes from the need to express a global contemporary furnishing style, for the decoration of the house in general, but also suitable for contract proposals. Since 2003, we can count on an ISO 9001-2015 certified quality system for compliance with the standards of service and product.
