MAXALTO

Nowadays there is a way to create a collection alluding to a modern memory; a way with its technical origins imbued with past knowledge of the craft, yet which knows how to look at the world with a fresh attitude, free from nostalgia. Per una collezione che voglia rifarsi oggi a una memoria moderna, una via possibile è quella di un progetto colto: che ha le sue origini tecniche in una sapienza costruttiva passata ma sa guardare al mondo con uno sguardo attuale, privo di nostalgia.

APOLLO 4, CARATOS 12, ASTRUM 28, TESAURUS 38, NIDUS 46, KALOS 54, DIKE 58, AMPHORA 64, SIDUS 68, RECIPIO'14 72, FULGENS 76, CLIQ, SELLA 82

A series of precise connections between backrest and armrests work closely to create Apollo's comfort element. Specific details and finishes contribute to Apollo's cosy and harmonious appearance: the height of the backrest, the generous depth of the seat, the absence of the feet, with paddings on seats and cushions to help accentuate the sense of softness. | Il comfort è per Apollo il risultato di precisi raccordi tra schienale e braccioli. Completano il progetto alcuni dettagli che conferiscono ad Apollo un aspetto armonico e accogliente: l'altezza dello schienale, la generosa profondità della seduta, l'assenza dei piedini; le imbottiture delle sedute e dei cuscini ne accentuano la morbidezza.

Kalos reinterprets the classic Bergère with a contemporary twist, where back and armrests roll up into one single sinuous line, with different covering options to determine the final look: two fabric versions, one in stretched lining, the other with a slip cover to hide the feet or the swivel base, and a leather version, with a new envelope headrest seam for a refined sartorial effect. | Un'unica linea sinuosa riassume schienale e braccioli: Kalos reinterpreta la classica bergère in chiave contemporanea. Le diverse soluzioni di rivestimento ne definiscono l'immagine finale: in tessuto, nella duplice versione tesa o con fodera volante per nascondere i piedini o il basamento girevole, oppure in pelle, con una nuova cucitura a busta dal raffinato gusto sartoriale.

Dike introduces a new bed typology, with a luxurious and theatrical feel, where a great tapestry acts as backdrop for a fabric structure of generous proportions. At the heart of the novelty of this project lie the quality of the fundamental details and Maxalto's renowned collection of textiles. | Dike propone una nuova tipologia di letto, lussuosa e teatrale, in cui una grande quinta-arazzo fa da sfondo a una base tessile dalle proporzioni generose. Una proposta in cui all'originalità del progetto si associa la qualità dei dettagli costruttivi e della sofisticata collezione tessile Maxalto.
