

SOFA ARMCHAIRS & CO.

La storia dell'evoluzione insegna
che l'universo non ha mai smesso
di essere creativo o inventivo.

Poltrona, armchair FENCY - design M. Corti

Non sono niente. Non sarò mai niente. Non posso volere d'essere niente. A parte questo, ho in me tutti i sogni del mondo.

Divano, sofa GEMINI - design M. Ferrarini_Tavolino, table TURN - design C. Colombo

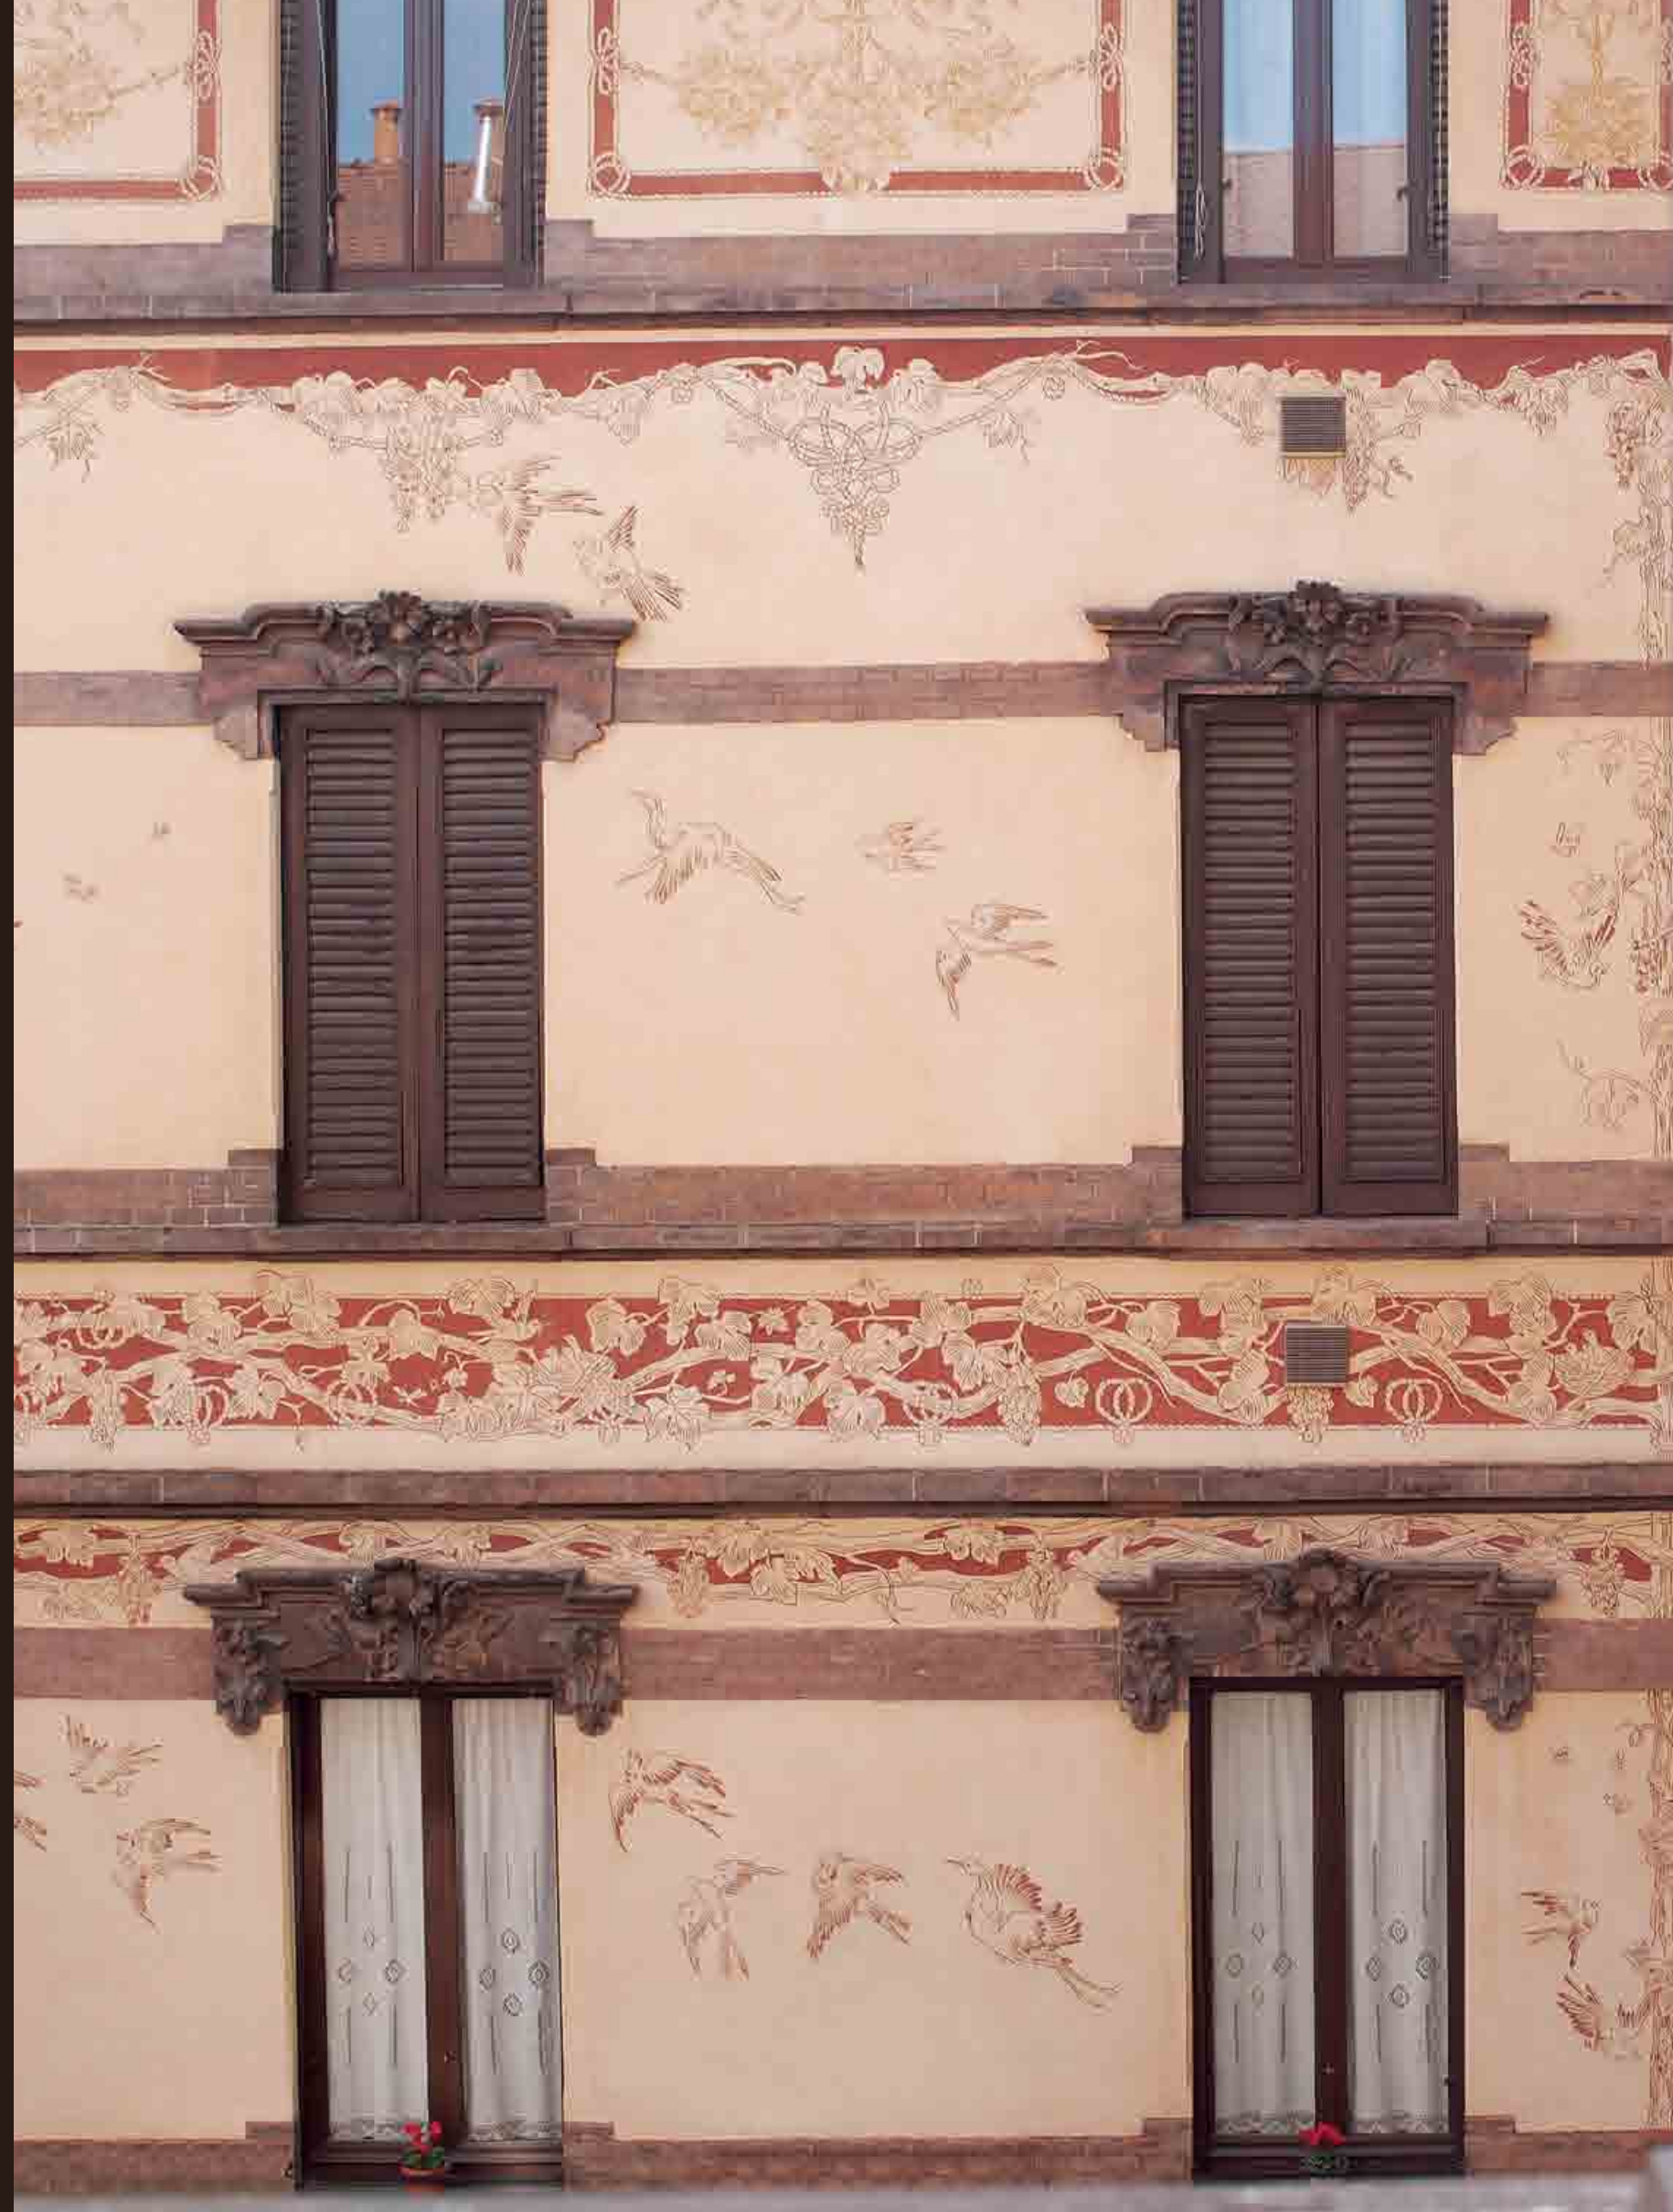

Viaggiare, talvolta, non è
raggiungere mete lontane ma
ricreare spazi dove lasciare correre
libera l'immaginazione.

La fantasia abbellisce gli oggetti
cingendoli e quasi
irraggiandoli d'immagini care.
Nell'oggetto amiamo quel che vi
mettiamo di noi.

Divano, sofa TENDER - design C.Colombo

Divano, sofa KIBOS - design M. Ferrarini

Ogni oggetto è fonte di stimoli e sensazioni differenti.

Dotati della spiccata personalità del pezzounico non rinunciano ai piaceri del comfort.

I bei libri si distinguono perché sono
più veri di quanto sarebbero se
fossero storie vere.

La bellezza delle cose esiste nella mente che le contempla.

Cancello le parole in modo che
le si possano notare. Il fatto che
siano oscure spinge a volerle
leggere ancora di più.

Poltrone, armchair TWIST - design M. Corti_Tavolino, table LINK - design R. Bello Dias

La bellezza non è che
il disvelamento di una
tenebra caduta e della luce
che ne è venuta fuori.

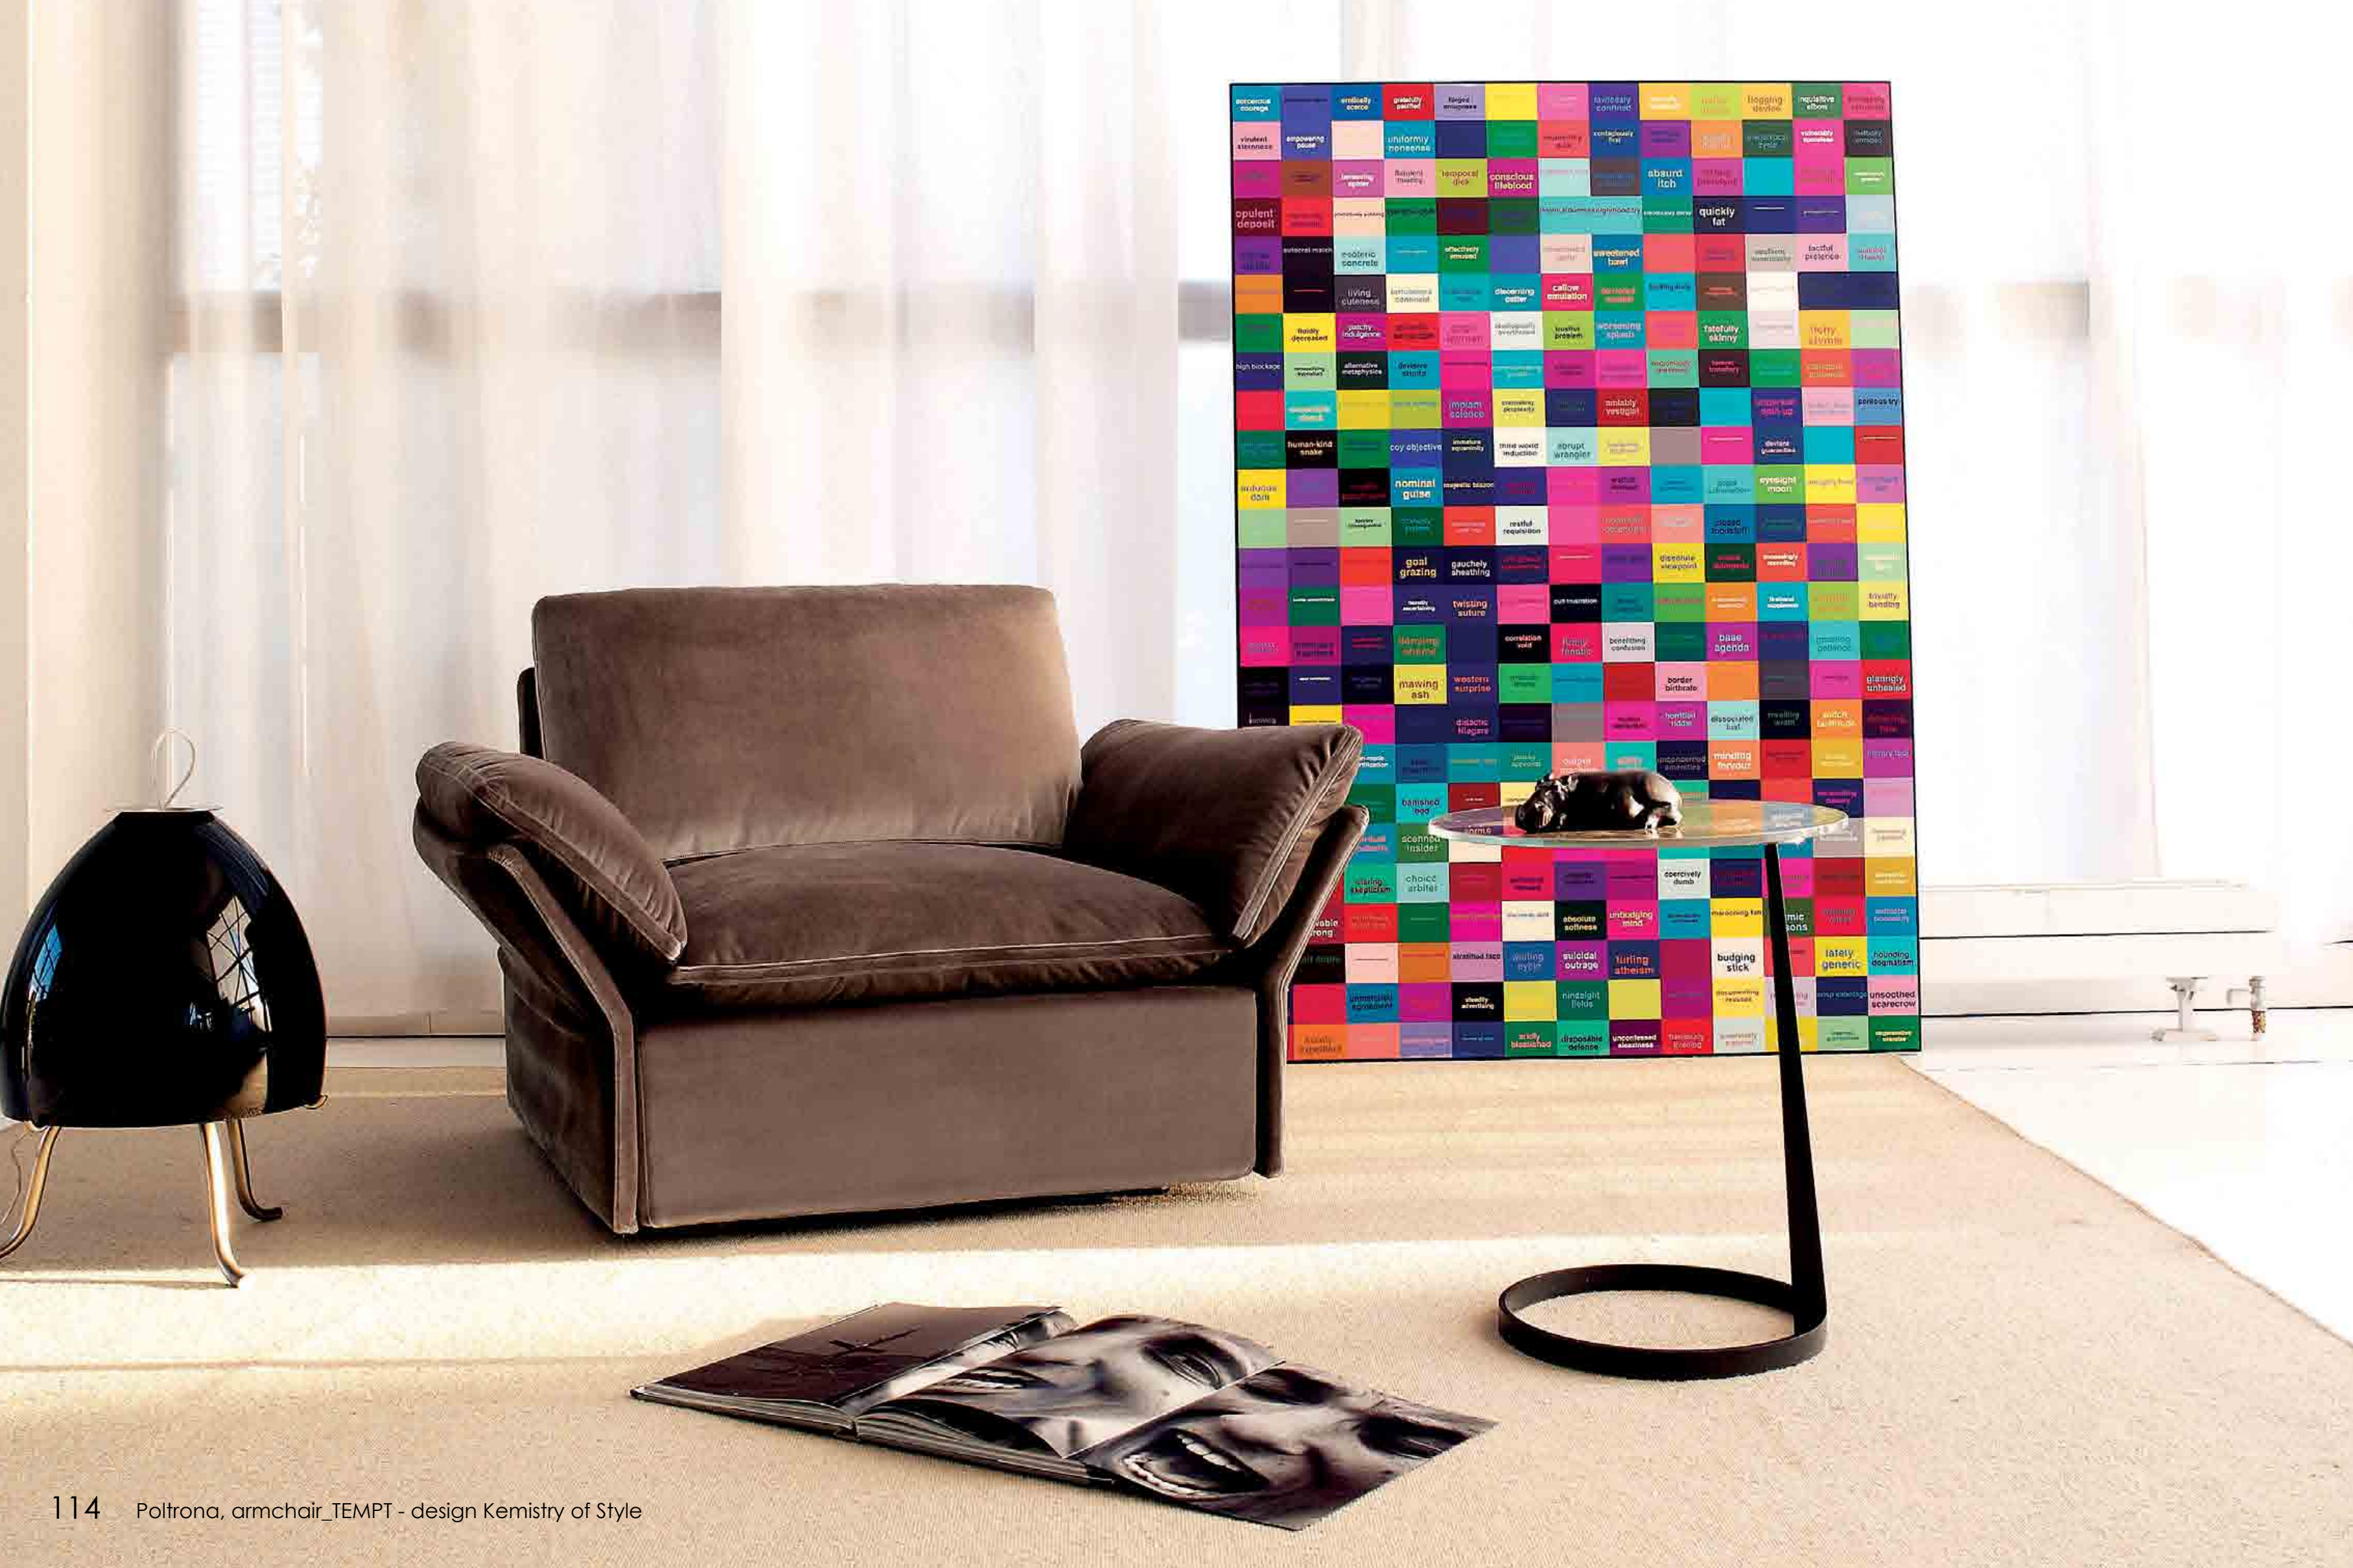

Divano, sofa ROMANCE - design M. Ferrarini

Accadono cose che sono come domande. Passa un minuto, oppure anni, e poi la vita risponde.

Il segreto della felicità non è
di far sempre ciò che si vuole,
ma di voler sempre ciò che si fa.

Divano, sofa FLATTER - design A. Nicoli

Affresco contemporaneo di un
Versaille più che mai attuale, per
ricreare, con mano moderna e
ironica, le stanze di Marie Antoinette.
Le abbiamo immaginate così,

Divano, sofa AVENUE - design E.Bernhardt_M.Corti

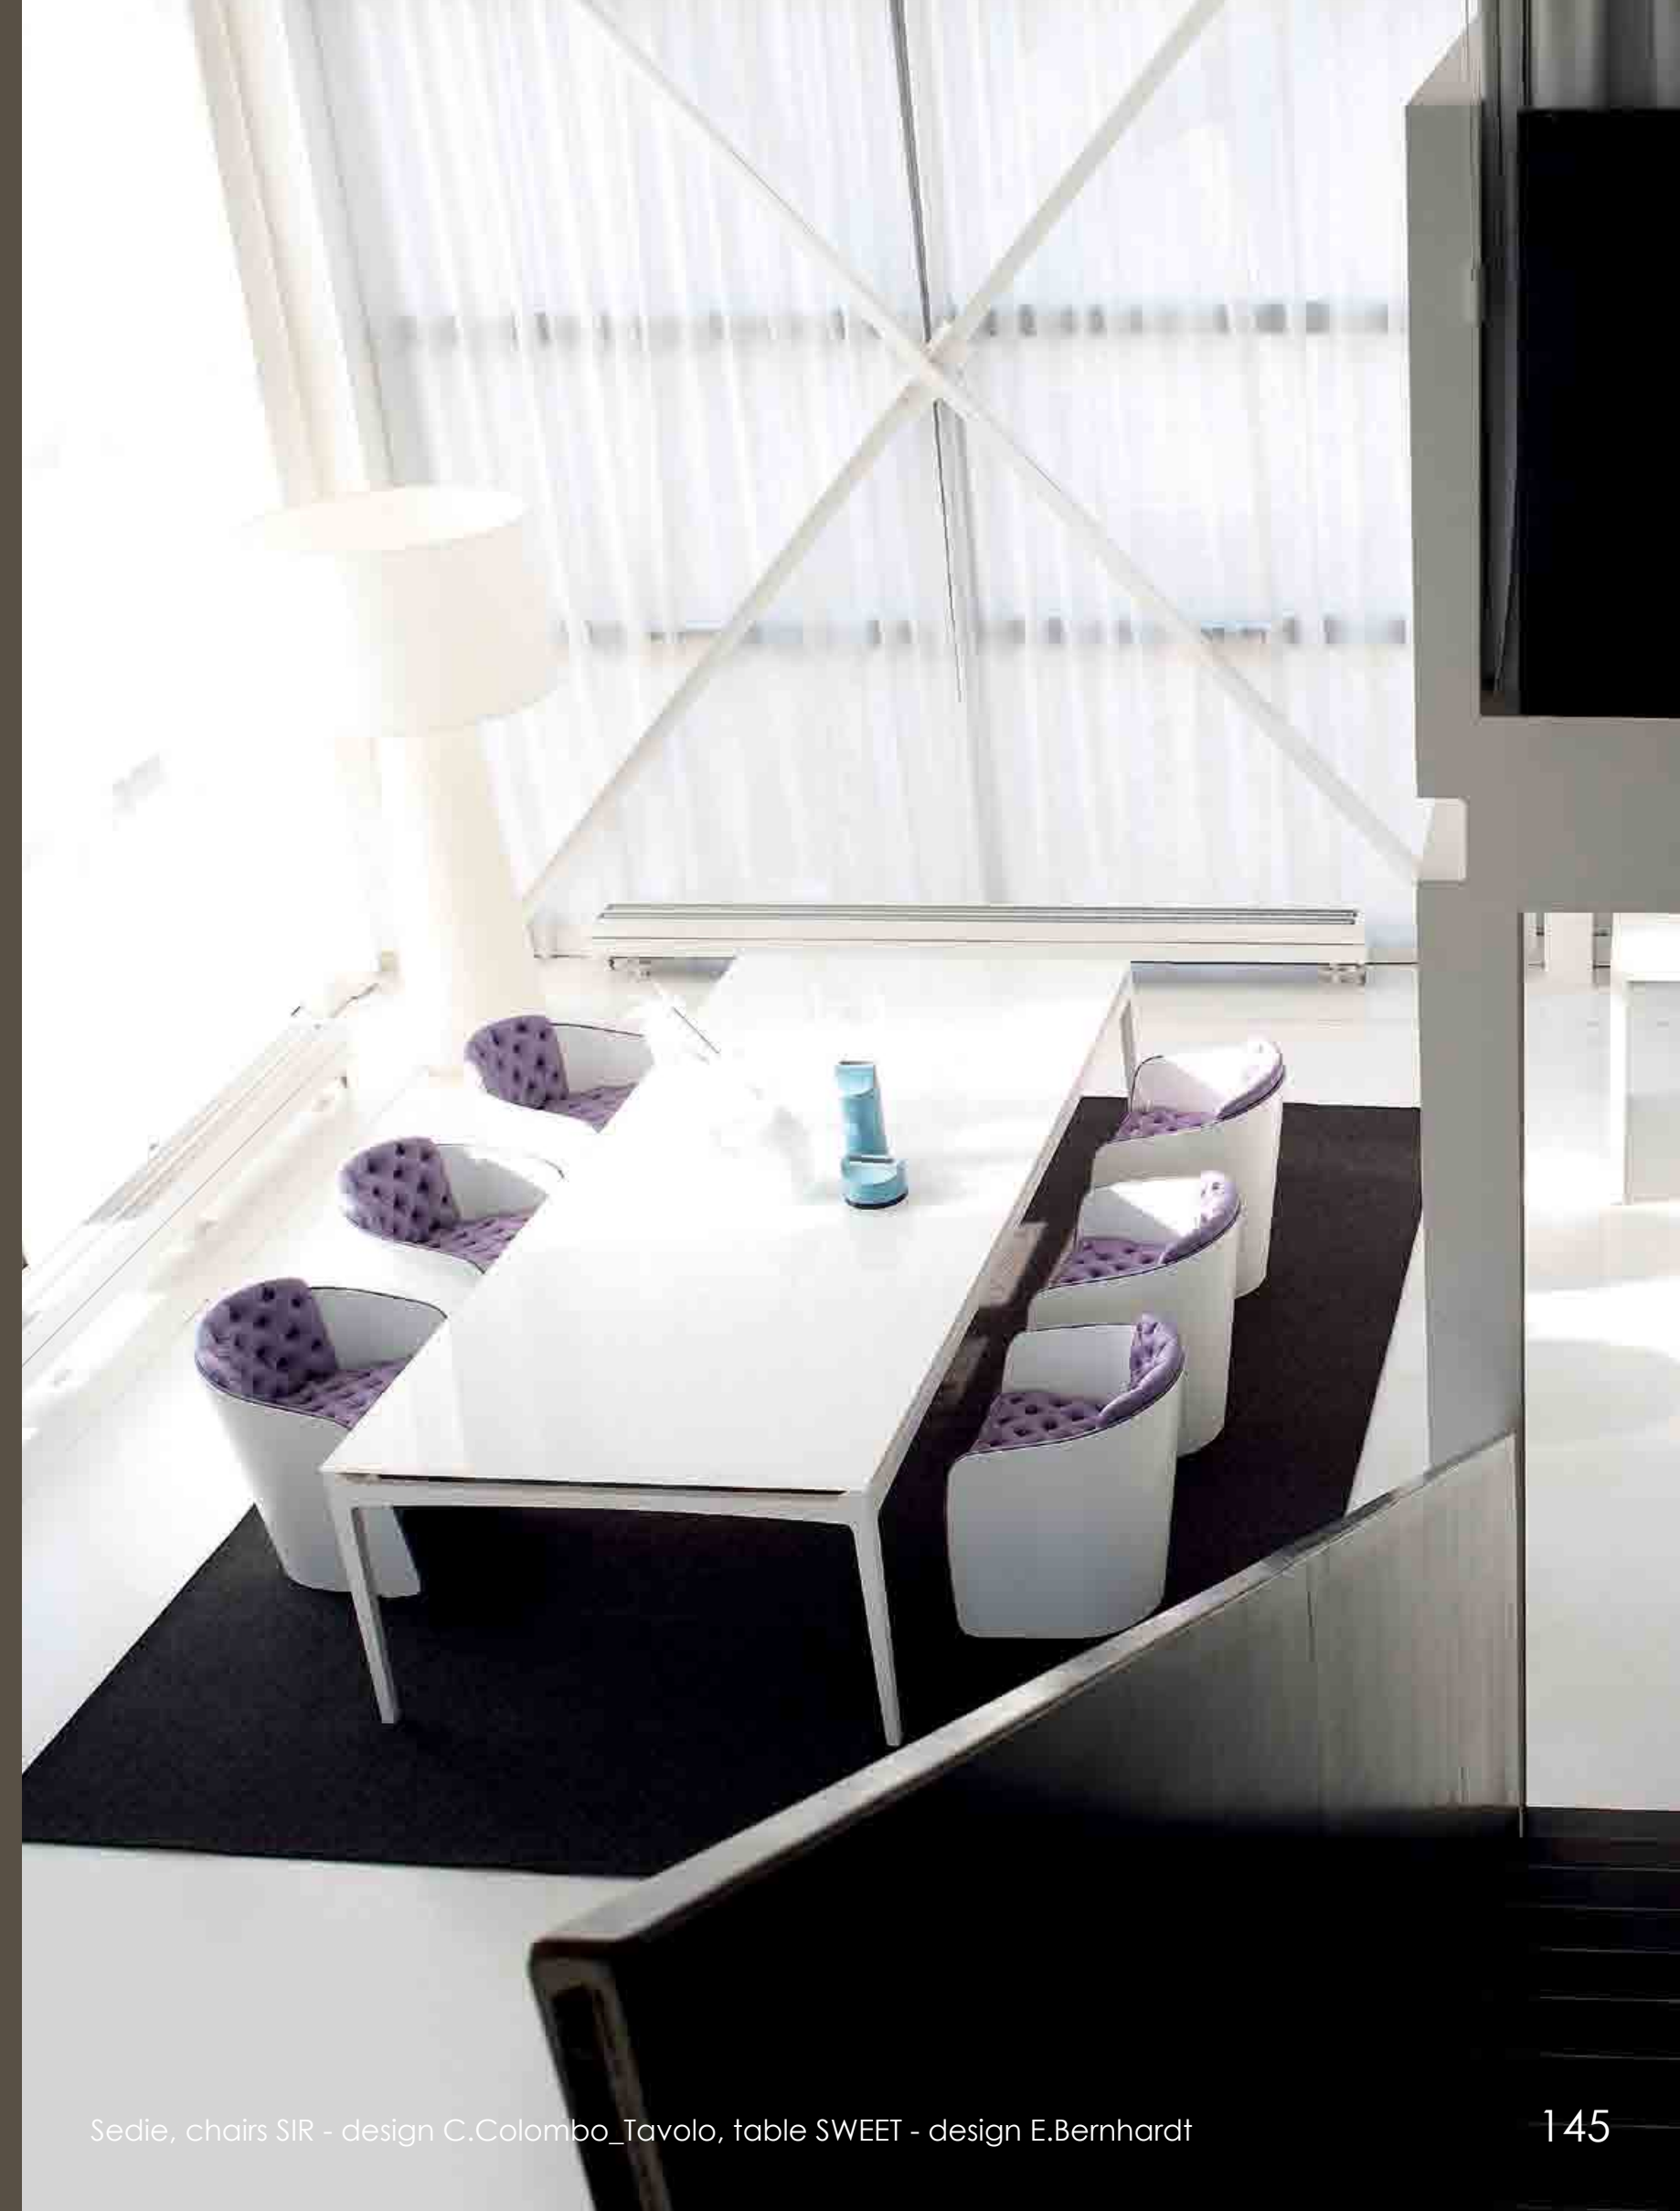

Poltrona, armchair SHELFORD-M.Corti-P.Vella

Potrebbe essere a New York, Londra o Parigi perchè ciò che conta nell'abitazione, è che sia un rifugio dove lasciare correre libera l'immaginazione.

A partire da una certa età,
per amor proprio e per furberia,
le cose che desideriamo di più
sono quelle a cui fingiamo di
non tenere.

Sedia, chair STREAM - design M. Corti

Quel che rende interessante
o significativa un'opera d'arte
è qualcosa di ben diverso
dall'espressione di sé.

È meglio sognare la propria vita
che viverla, benché viverla sia
ancora sognarla.

BEDS & CO.

Scrigno di ispirazioni ogni luogo
è fonte di stimoli e sensazioni
differenti.

Tutto nella vita è bellezza,
persino il dolore.
