Model One Digital

Radio Reimagined

Tivoli Audio™

Model One Digital

FM (where available) DAB+ (where available) Bluetooth Wi-Fi

TUNE IN

Balancing style, technology and audio quality, the Model One Digital is a radio for the modern era. It delivers a new spin on the original Model One by offering radio, FM, Wi-Fi, and Bluetooth®.

YOUR MUSIC. YOUR CHOICE.

Local broadcast or streaming content, the Model One Digital makes listening easy again. Download the Tivoli Wireless App to unlock the full potential of the Model One Digital and connect it to your home Wi-Fi. Use your favorite streaming service and experience high-quality audio.

- › Stream over Wi-Fi
- › No Wi-Fi available? Use Bluetooth
- › Stream from your local content or these select services:

Functional Design

Exactly what you need and nothing you don't. The perfect design for smart home audio.

WOOD

Tivoli Audio furniture grade wood cabinet matches your decor. Choose from white, black ash and walnut.

DISPLAY

High resolution display with track, radio information, and automatic clock-set over Wi-Fi.

FABRIC

Eco-friendly fabric speaker grill created in partnership with Danish fabric design brand Gabriel®.

VOLUME

Press and hold to turn on or off, turn to adjust volume and short press to move between sources.

MULTI-OPERATIONAL DIAL

Use the aluminum multi-operational dial to change stations, set presets, scroll through playlist tracks and press to play or pause.
