RAW – das sind drei Buchstaben, denen eine ganz besondere Idee zugrunde liegt.  
Mal glamourös und extravagant, mal detailliert, mal minimalistisch und  
unkonventionell – aber immer vor allem eines: eine Revolution.  
Es bedarf harter Arbeit und einer langen Suche, bis das Ergebnis stimmt.  
Aber es lohnt sich. Denn mit der neuen RAW-Kollektion von Komar  
sind Designs entstanden, die Ihre Wände lieben.

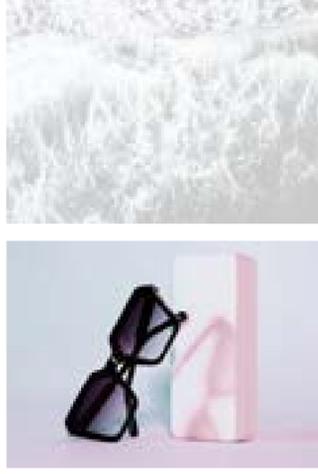

RAW - just three letters, but based on a very special idea.  
Sometimes glamorous and extravagant, sometimes detailed, sometimes minimalistic  
and unconventional - but first and foremost one thing: a revolution.  
It takes hard work and long research until the result is perfect. But it's worth it.  
Because Komar's new RAW Collection comes out  
with designs, that truly love your walls.

RAW – ce sont trois lettres qui reposent sur une idée toute particulière.  
Quelquefois glamour et extravagance, quelquefois précision du détail et d'autres fois  
minimalisme et non-conventionalité – RAW, c'est avant tout et  
principalement une révolution !  
De longues recherches et beaucoup de travail sont nécessaires avant d'obtenir un  
résultat optimal. Mais cela en vaut la peine. Car la nouvelle collection RAW de Komar  
arrive avec des designs que vos murs vont adorer.

Mystische Dschungel in leichten Pastellfarben, farbreduzierte Wälder und orientalisches Vintage-Flair machen den Minimalismus schöner als je zuvor.

Mystical jungle in light pastel colours, colour-reduced forests and oriental vintage flair give the minimalism more beauty than ever.
