# Walk in

*Dinamicità, relazione diretta, aria. È la ritrovata dimensione del benessere, che fa dell'energia il suo carattere distintivo. Walk in è un parallelismo perfetto fra design e forza vitale. Un'esatta sequenza di elementi corrispondenti.*

EN Dynamism, direct connection, air. It is the dimension of well being, at last found again, which makes energy its distinguishing mark. Walk in is a perfect parallelism between design and vital strength. An exact sequence of corresponding elements.

FR Dynamisme, relation directe, air. C'est la dimension retrouvée du bien-être qui fait de l'énergie sa caractéristique distinctive. Walk in est un parallélisme parfait entre design et force vitale. Une séquence parfaite d'éléments.

**Braccetto di sostegno / Bracing bar / Barre de soutien**

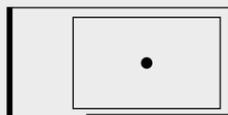

*La barra di sostegno è interamente realizzata in ottone cromato ed assume una doppia funzione: reggere il vetro e fungere da guida nell'ipotesi di chiusura con tenda.*

EN The bracing bar is entirely made in chromed brass and for this range has a double function, acting both as a support for the glass panel chosen and being the rail in the cases where a curtain is ordered to match.

FR La barre de soutien est entièrement réalisée en laiton chromé. Elle revêt une double fonction de soutien du verre et de tringle dans l'hypothèse d'une fermeture avec rideau.
