Living-Kitchen. Visione integrata

4|5

Cura dei dettagli, qualità, alta resistenza dei materiali, design, funzionalità degli accessori, sono gli ingredienti che contraddistinguono Andromeda di Floritelli Cucine.

Attention to detail, quality, durable materials, stylish design, accessories' functionality - these are the ingredients that make Floritelli's Andromeda line stand out from the crowd.

Soin des détails, qualité, haute résistance des matériaux, design, fonctionnalité des accessoires, voilà les ingrédients qui caractérisent les cuisines Andromeda de Floritelli cucine.

Struttura H84 antracite con superficie antiraffio, ripiani doppi rinforzati da uno speciale profilo in alluminio sul frontale, sono tutti particolari di Andromeda che conferiscono eleganza e resistenza agli interni, oltre al 20% in più di volume rispetto allo standard.

The H84 anthracite-grey structure features a scratch resistant surface and double shelves inside each base cabinet. These are reinforced by a special aluminum profile on the front edge that enhances their strength and elegance. Moreover, the spacious cabinets can hold more than 20% of additional volume compared to standard ones.

La structure H84 anthracite avec surface inrayable munie de doubles étagères dans chaque base est renforcées par un profil particulier en aluminium sur la partie frontale ; elle est élégante et garantit la résistance à des parties internes tout en augmentant de 20% le volume par rapport aux dimensions standards.

Particolari costruttivi degli interni impreziositi da ripiani di alluminio e vetro retroilluminati da luci a led con sensore di presenza. Le superfici antigraffio garantiscono resistenza agli urti, le cerniere auto-frenanti donano comfort all'apertura e chiusura dell'anta.

Cabinet interiors are enriched by aluminum and glass shelves where LED backlighting is operated by movement sensors. The scratch resistant surfaces also ensure an excellent performance against shocks. Self-braking hinges allows for a smooth opening and closing of cabinet doors.

Détails de fabrication des intérieurs enrichis d'étagères en aluminium et verre rétroéclairées par des lumières à DEL avec capteur de détection de présence d'une personne. Les surfaces inrayables garantissent la résistance aux chocs, les charnières auto-freinantes permettent d'ouvrir et de fermer les portes avec confort.

Dettaglio del piano monolitico con vasca e piano cottura integrato in acciaio Peltrox. La saldatura a filo di tutti gli elementi garantisce uniformità dei materiali e un effetto materico di design.

Details of the Peltrox monolithic steel worktop with built-in sink and hob. The wire welding makes the materials look consistent and provides a stylish textured quality.

Détail du plan monolithique avec évier et plan de cuisson intégré en acier Peltrox; la soudure affleurante garantit l'uniformité des matières et un effet design.

Portaposate in legno di faggio e cassetti Blum Intivo personalizzano la cucina e fanno la differenza del prodotto. Lo spessore sottile del piano ottimizza gli spazi del progetto Andromeda per un maggiore volume di contenimento degli interni e un design d'avanguardia.

The cutlery holder made of beech wood and the Intivo drawers add character to the kitchen and become distinctive product features. The minimalist thickness of the worktop helps to optimize the space distribution for the Andromeda line, so that cabinets can be more spacious without affecting the overall state-of-the-art style of the kitchen.

Des range-couverts en bois de hêtre et des tiroirs Intivo personnalisent la cuisine et font la différence. L'épaisseur minimale du plan optimise les espaces du projet Andromeda, offrant une contenance plus importante des aménagements intérieurs et un design d'avant-garde.

Basi H84, spessori ottimizzati, materiali innovativi, naturalezza delle superfici, sistemi a libreria e living totalmente configurabili e personalizzabili. Accessori esclusivi e forme architettoniche dinamiche fanno di Andromeda 2.0 un progetto cucina unico nel suo stile.

The H84 base cabinets boast optimized thickness, innovative materials, natural looking surfaces, bookcase systems and living room layouts which can be fully customized and arranged in many different ways. The exclusive accessories and a dynamic architectural effect make Andromeda 2.0 look like a truly unique kitchen project.

Bases H84, épaisseur optimisées, matériaux innovants, aspect naturel des surfaces, systèmes bibliothèque et séjour entièrement configurables et personnalisables. Ses Accessoires exclusifs et ses formes architecturales dynamiques font d'Andromeda 2.0 un projet cuisine unique en son genre.

Le ante spessore 22 mm delle colonne in essenza di legno termotratto, subiscono un particolare processo di cottura che porta il legno a pigmentarsi naturalmente senza aggiunta di vernici. Interni pregiati e particolareggianti in ogni dettaglio, dai sistemi di illuminazione a led a basso consumo integrati nella struttura ai sistemi estraibili accessoriati.

The 22-mm thick doors of the column cabinetry are made of thermally treated wood. They undergo a special treatment where the heated wood becomes naturally darker, without adding any kind of paint. No efforts have been spared to equip cabinet interiors with top quality accessories and details, starting from the built-in, energy efficient LED lighting systems to the fully accessorized pull-out elements.

Les portes de 22 mm d'épaisseur des colonnes en bois traité à chaud sont soumises à un processus spécial de cuisson du bois qui permet d'obtenir sa couleur sombre sans le peindre. Aménagement intérieurs luxueux et soignés dans tous les détails, des systèmes d'éclairage à DEL à basse consommation, intégrés dans la structure, aux systèmes coulissants équipés de leurs accessoires de rangement.

Bianco puro. L'essenziale.

42|43

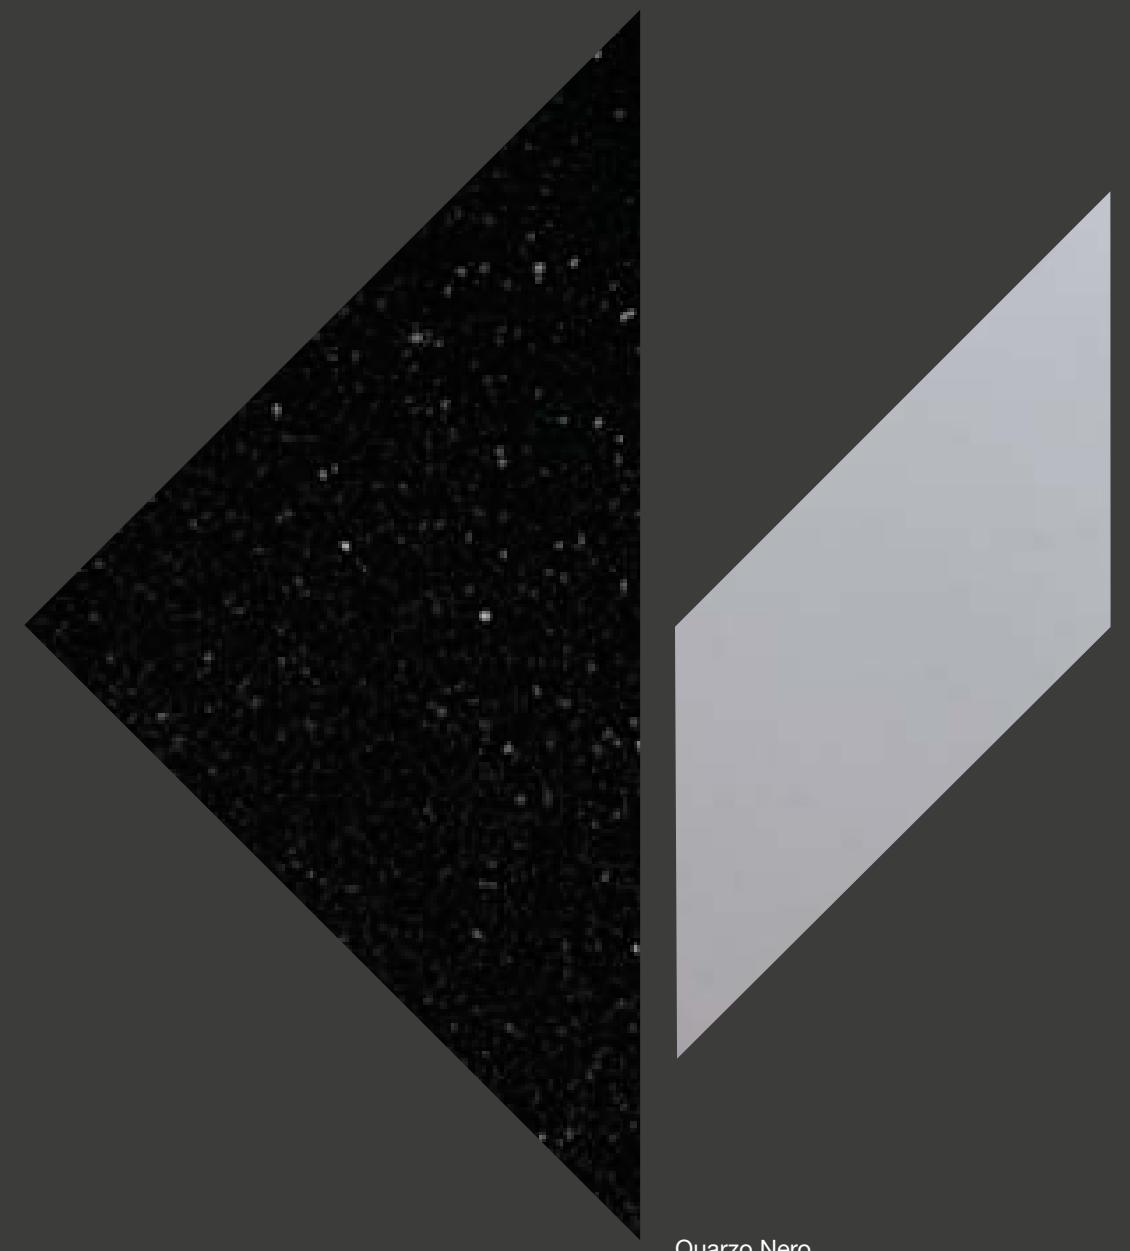

Andromeda è anche semplicità nelle forme e nei colori. In questa versione Total White, il piano in granito lucido e listone in quarzo H8 cm per lo snack, arricchiscono la fisionomia creando un gioco di volumi ed interazione tra i materiali.

Andromeda also means essential shapes and colours. In this Total White version, the glossy granite worktop and the H8 quartz top of the breakfast bar enhance the kitchen's striking look, thanks to the interplay of different volumes and materials.

Andromeda est aussi simplicité des formes et des couleurs. Dans cette version Total White, le plan pour le snack en granit brillant et grande bande de quartz de 8 cm de hauteur enrichissent sa physionomie et créent un jeu de volumes et de matières.

L'armadiatura con sistema di chiusura complanare racchiude parte della cucina in modo pratico ed elegante. Frigorifero, forno, dispensa con cestoni e ripiani illuminanti scompaiono e lasciano spazio a diversi modi di vivere la cucina.

The wardrobe-looking unit with flush closing doors conceals kitchen appliances and shelves in a practical and extremely tasteful manner. Fridge, oven and pantry, made of drawers and shelves equipped with built-in lighting, they all disappear to make room for many other possible ways to enjoy such a stunningly functional kitchen.

L'armoire avec système de fermeture affleurant est une contient et renferme une partie de la cuisine de manière pratique et élégante. Le réfrigérateur, le four, le placard avec ses grands paniers et ses étagères qui s'éclairent, disparaissent quand on ferme la porte, laissant ainsi la place à d'autres façons de vivre la cuisine.

Andromeda's infinite cube. The cube-shaped unit changes its orientation according to the chosen opening. It may be moved and can be fully customized too to create a unique and exclusive interplay of shapes. It's a simple but complex project that has the power to create a virtually infinite number of volumes and combinations.

Le cube sans fin d'Andromeda.
Orientable en fonction de l'ouverture souhaitée, il peut être déplacé et entièrement personnalisé, en créant un jeu de formes unique et exclusif. Un projet à la fois simple et complexe qui crée des volumes et des combinaisons qui peuvent être variées à l'infini.
