Bunny Chair(Gabriel Medley GM-60167)

面包椅自身带有一种优雅的气质。初看不觉，久看却让人动容。仿佛它在诞生的时间里，就已紧紧与品牌形象相联系在一起。不管是放在一个简单的家具陈列厅，又或者是在与我们日日相处的空间里，已在我们与“它”之间构建起一个和谐缜密的气场。它一面温和的馈赠我们柔和舒适的家具物事，另一面，却又犀利地表达着品牌的美学方式。

In order to meet the quality standard and ensure that people sit in comfort, we apply the cold inject foaming technique to the car seats. It makes its shape look rather durable. About the supporting part and the seat surface, we use different molds to improve comfort and durability. We believe that the Bunny Chair not only expresses a furnishing concept but also shows our serious towards life. It combines the modern sense and multifunctional usage. And it can meet almost all the needs of family and interior design.

The Bunny Lounge Chair breaks the limitation of the space. It is an ideal choice for public areas such as lobbies, libraries, banks, museums and so on. It can also be an embellishment put beside the sofa. This is a produce that makes you enjoy the beauty of 'slow life'.
