EN Can Bordoy -Grand House & Garden- is a small 24 room hotel with a magnificent garden, swimming pool, spa and panoramic terrace, located in La Lonja neighborhood, the heart of the historic center of Palma de Mallorca. It is a complete renovation of a 2,500 m2 abandoned building.

During more than three years, thorough and meticulous work on a project very respectful of the pre-existing architecture, honest with its history but also honest with the contemporary elements that had to be incorporated for its new use. The project carefully preserves the romantic and decadent atmosphere found in the building and is deliberately contrasted with interventions and elements from different epochs.
