KALEIDOSCOPE OF KÖLN

Just like a kaleidoscope, KÖLN combines different elements to create ambiances with an explosion of colour characteristic of Mobliberica.

KÖLN

Design by Yonoh Studio

At Köln, order and purity are presented with subtlety through the interaction of welcoming and timeless forms, reinforcing the feeling of a well-ordered and functional element. The volumes of the upholstery and the trimming along the edge provide a coherent and orderly movement to the whole.
