

— OUTDOOR LIGHTING

L' outdoor si illumina con forme nobili dal gusto classico. Creazioni decorative e tecnologiche in cui luce e materia si fondono e si completano l'un l'altra. Elementi luminosi lavorati a mano, che come ogni elemento di arredo della collezione, garantiscono un effetto finale di estrema eleganza. Lampade da terra, sospensioni e applique, tutto pensato per completare in maniera coordinata le proposte di arredo e dare vita ad un armonico lusso contemporaneo. Finiture inusuali e scelte stilistiche ricercate, combinate alle caratteristiche tecniche richieste dall'illuminazione per esterni. Il risultato è una lussuosa e ricercata atmosfera.

Lights the outdoor up with noble yet classic forms. Decorative and technological creations in which light and matter blend together and complete each other. These hand-made lighting solutions, as every piece of furniture of our outdoor collection, guarantee an extremely elegant decorative result and become a symbol of undisputed excellence. Floor lamps, suspension and wall lamps, all these lighting elements perfectly match with our furniture to create an extraordinary outdoor total look. Unusual finishes and stylistic choices are combined with technological and technical characteristics required by outdoor environments. The result is a luxurious, refined atmosphere.
