**THE SECRET  
FOR A CHARMING  
SCANDINAVIAN  
CHRISTMAS**

It's no coincidence that Santa Claus lives in Lapland, right in the heart of the Northern Europe! Scandinavia is the land of white snow, reindeer, Aurora Borealis and all that wintery magic! Christmas is the perfect time to bring all that magic inside your house. Gift yourself to a wonderful white Christmas with the tips in this ebook!

# ARETHA

Drawing inspiration from one of the most acclaimed jazz singers of all time, DelightFULL's designers created Aretha modern chandelier. It is a contemporary reinterpretation of mid-century lighting design classics that were used in the 50s and 60s. The body is 100% handmade in brass and the several bulb holders are made of aluminum. Nickel-plated is the standard finish for the body, while glossy white is used for the sockets.

## BOTTI

Botti floor lamp was inspired by the jazz musician of Chris Botti. The mid-century floor lamp is handmade in brass with a gold plated finish that reminds of a real trumpet due to the its unique shape. With an aluminum base, this modern floor light can be customized in marble, giving an even more luxurious design to your mid-century modern interior. This brass floor lamp has eight spotlights which offer a soft lighting, and goes as tall as 70,9 inches. Botti art deco floor lamp showcases a high-quality craftsmanship, that will definitely make a statement in your sophisticated classic living room design or mid-century hotel lobby. Botti contributes a jazzy and mid-century vibe as does the gold plated and white glossy finishes.

# SCANDINAVIAN CHRISTMAS TREES FOR YOUR HOLIDAY

---

Christmas is literally a few days away and we have the most special Scandinavian Christmas trees to inspire you! If you still haven't put up your Christmas tree, now is the time. Luckily, we still have a few tricks up our sleeves, so we decided to put together an amazing little list of some of the best Scandinavian Christmas trees for you to fall in love with.

The very first Christmas tree idea we have for you is an adorable all red and silver ornamented tree. And instead of the typical bright star on the top of the tree, we have an alternative teddy bear that actually works wonderfully with the Scandinavian style.

With a more classic and minimalist type of decor, this particular Christmas tree looks beautiful just on its own. The setting around it just adds to the log and wood-wonderland feeling.

## TURNER

Inspired by the astonishing and memorable dance moves of the iconic pop singer, DelightFULL's design team created the Turner family. Turner pendant lamp is an art deco lighting fixtures handmade in brass and aluminum that boasts all the most special elements of this design movement. The body has five gold plated finished movable arcs, which can all be rotated into the desired position, giving this modern pendant lamp a sense of fun. The small shade on the center is lacquered a matte white, but it is customizable with any RAL color of your choosing. Turner hanging light is a versatile piece, that can be used in almost any room of your house. However, it looks its best when used as an alternative bedside lamp, or when placed in an art deco inspired living room.

# TOP TRENDS FOR CHRISTMAS: 10 IDEAS FOR YOUR HOME DECOR

---

November has arrived and there is a question that hangs in the air: how to decorate the house in the most special time of the year: Christmas? Therefore we decided to put together a set of ideas for your home decor.

1- Decorate your chairs in order to give a unique and magical touch to your dining room.

2- Why don't you change the standard decor you have instead of adding more? You can start by changing, for example, the pillows of your living room.

3- Don't be afraid of being too much cheerful on your front door!

# DIANA

Diana pendant lamp is an industrial-inspired design that embodies all the simplicity and sophistication of the mid-century modern age. It is handmade in brass and aluminum. The body, built out of brass has a standard black nickel plated finish, while the shade features a standard matte red lacquer on the outside. However, it can be customized using any RAL color of your choosing. It has a small switch on the back of the shade, creating a convenient way of switching the light on and off. This industrial pendant lighting design has also a red textile wire, which can be customized as you wish. It is a small suspended light perfect for any contemporary kitchen, but it does also look great as a bedside lamp in an industrial-inspired bedroom.

# GET INSPIRED BY THESE IDEAS AND BUILD YOUR SCANDINAVIAN BEDROOM

---

You'll be amazed at this selection of Scandinavian design bedrooms, let's Get Inspired by These Ideas and Build Your Scandinavian Bedroom.

Scandinavian Style began in the 1950s in the five Nordic countries of Denmark, Norway, Sweden, Iceland and Finland and it's admired by its simplicity, minimalism, and functionality. Because Scandinavians have a deep-rooted love for nature, so they usually have some natural plants and furnishings that simulate nature through their rustic wood grain. Good example!

# HANNA

---

Hanna is a vintage pendant lamp that features a glossy black shade outlined by a copper finish, giving it a lovely contrast. Elegantly made in brass by artisans who applied delicately an ancient technique called hand metal spinning, if you style the pendant lamp alongside a mid-century decor it will provide your room a striking, elegant look. Hanna pendant lighting brings together a visually appealing aluminum bell lamp shade and a customizable versatility by way of finishes. This one light pendant provides abundant light, while adding style. The sleek lines with hints of contemporary flare depict sophistication and grace, making this copper pendant lamp great as a bathroom pendant lighting or as bed reading light.
