DEFNE KOZ

Yüksek teknolojiyi üstün el işçiliğiyle birleştiren Float, büyük fikirlerin doğacağı geniş yönetici ofisleri için idealdir. Corian yüzeyler ve cam ayaklarıyla saf ve şeffaf; ahşap detaylarıyla da sıcak ve samimidir. Günümüz gerçeklerinin farkında, geleceğe odaklanmış, hızlı karar veren yöneticiler için tasarlanmış ve içinde bulunduğu çağdaş mimarinin sadeliği ile bütünleşen bir tarzın yansımasıdır.

Combining superior craftsmanship with advanced technology, Float is ideal for large executive offices where great ideas are born. It is pure and transparent with Corian surfaces and glass legs and also warm and friendly with wooden details. It is a reflection of a style integrated with the simplicity of the modern architecture, designed for the managers making quick decisions.

DESIGN
FLOAT

Masa üzerinde bulunan daire formunda kapak ile masa üzerine istenilen teknolojik çözümlere entegrasyonu sağlar.

The circle shaped module on the table top provides easy access to electrification.

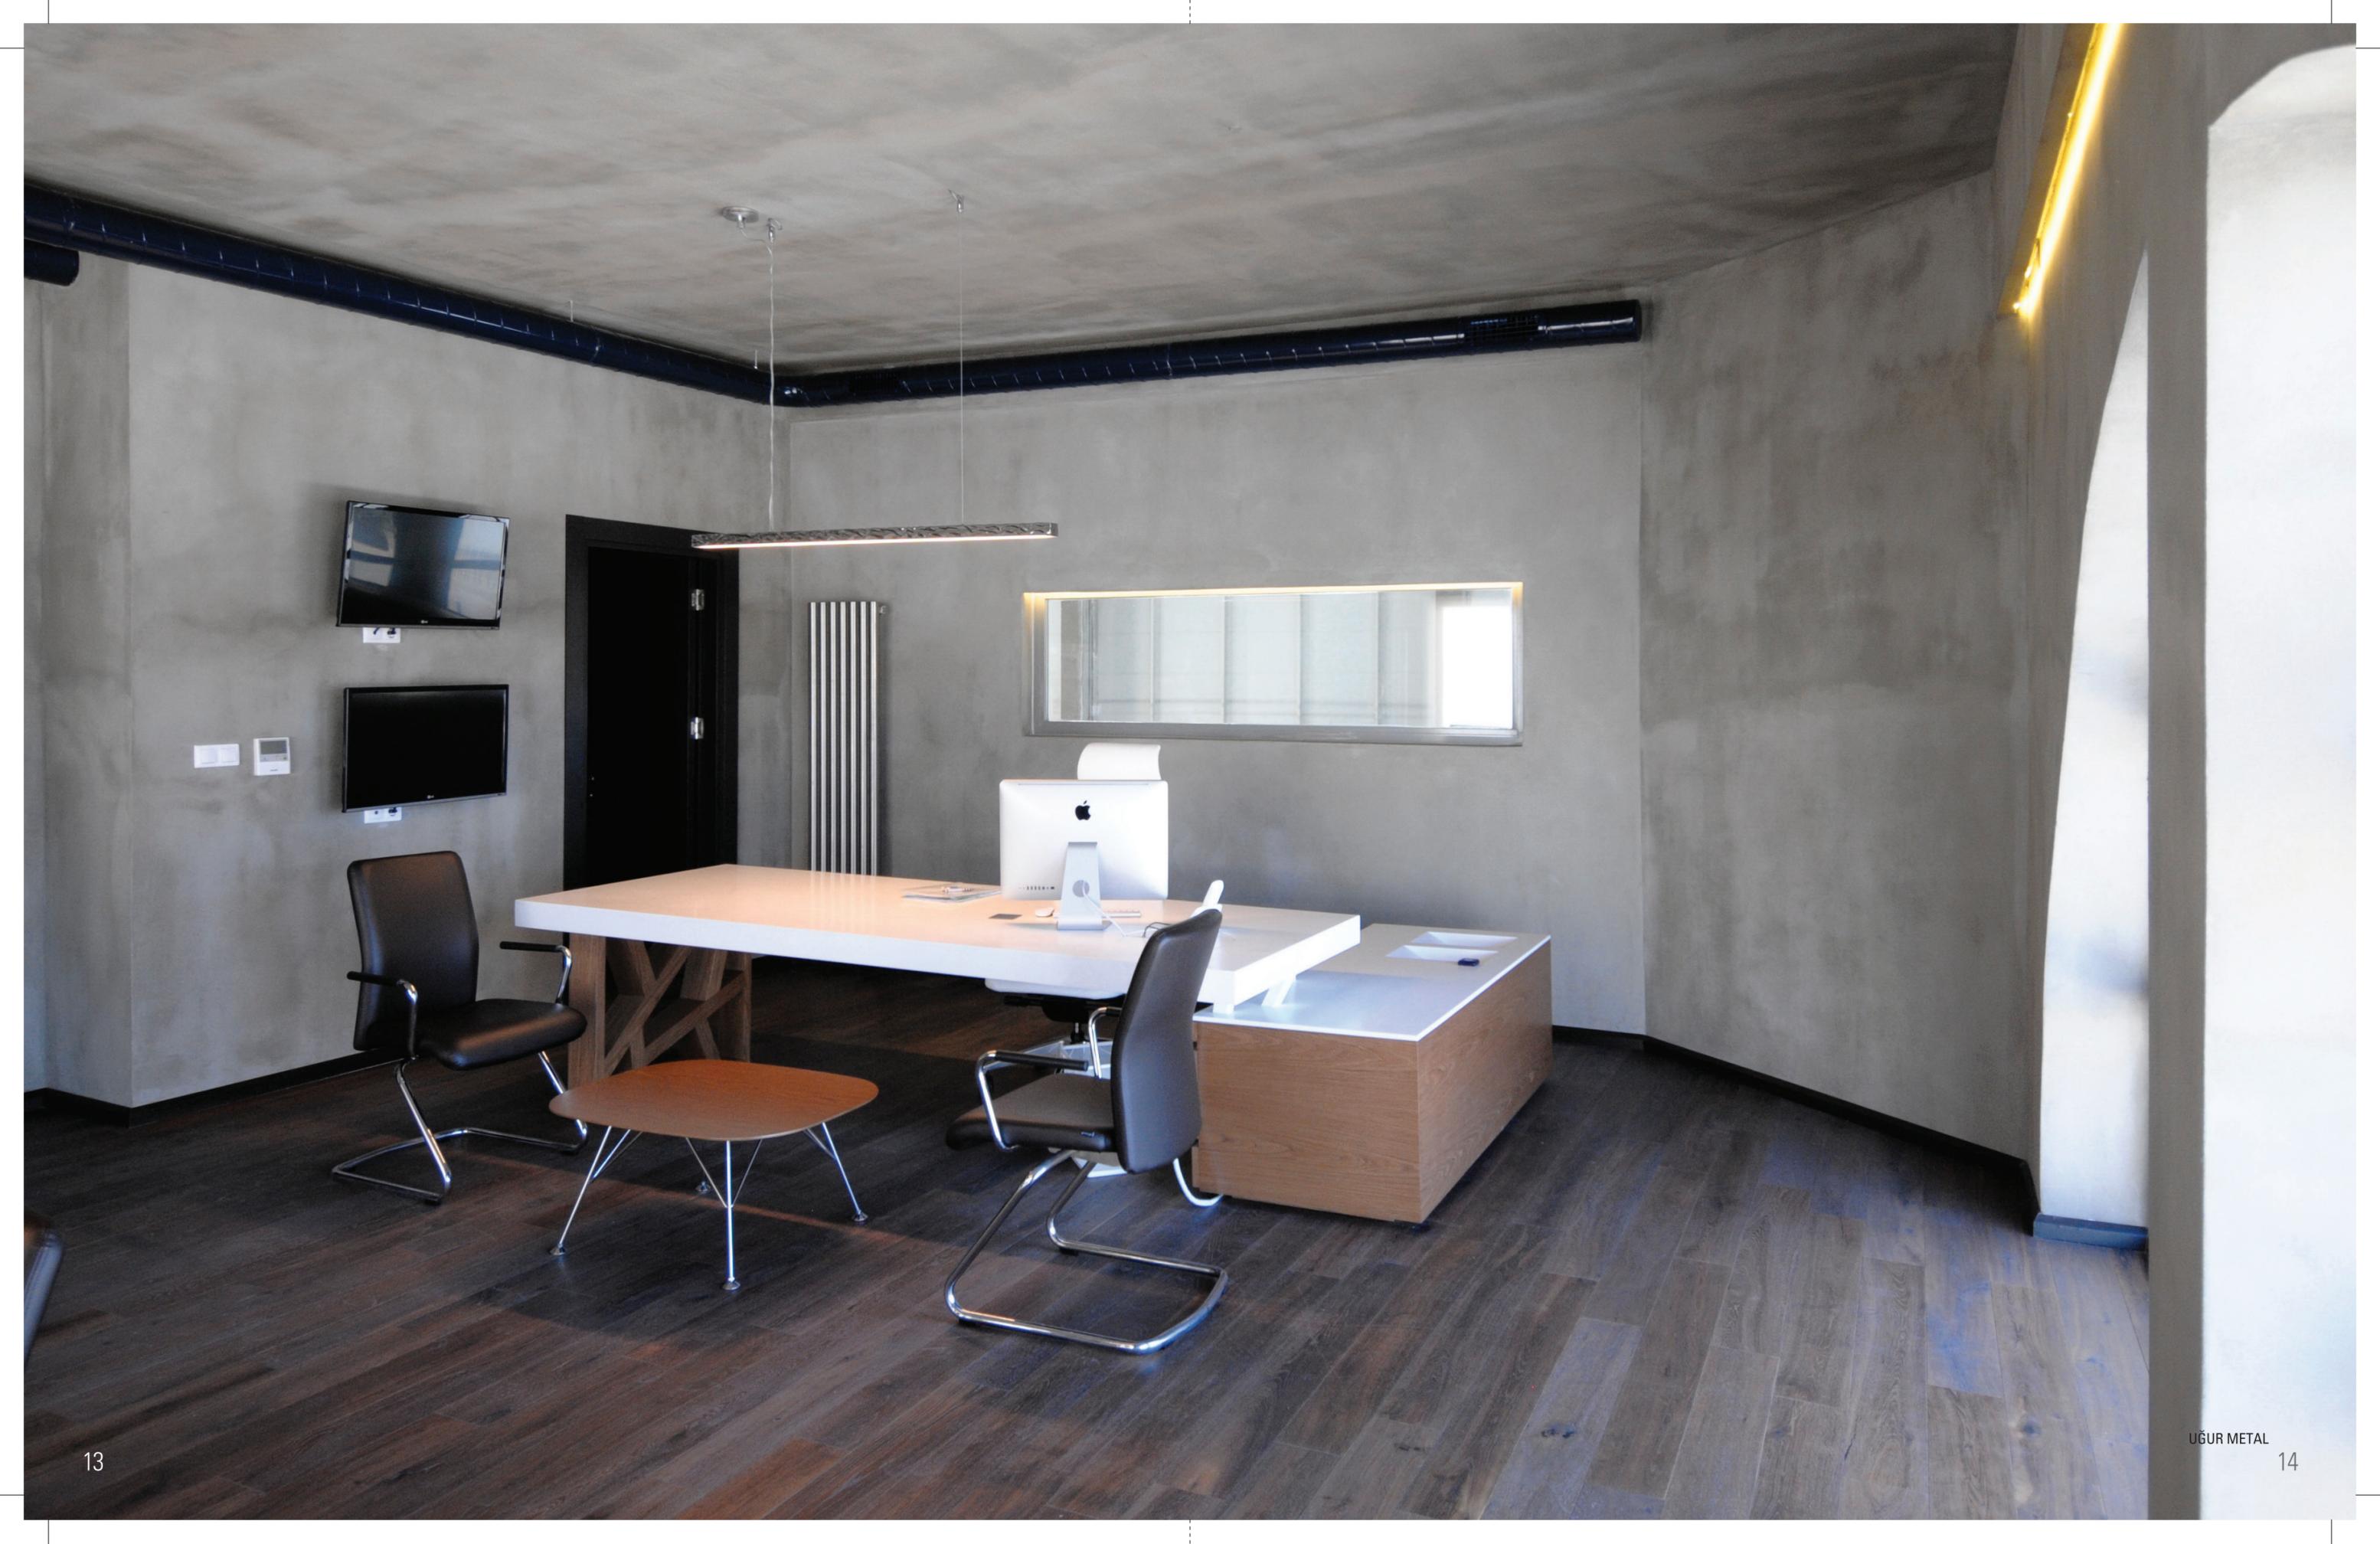

Masa tablası, corian, lake, ahşap kaplama seçenekleri ve mekana ait çizgileri ile farklı bir yaklaşım getirir.

The table top brings a different approach with options of Corian, lacquer and wood veneer.

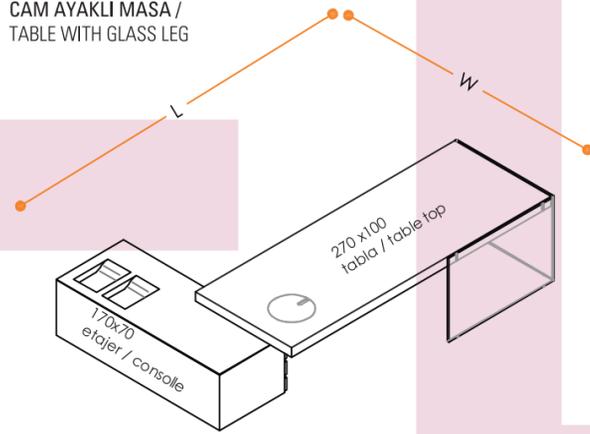

Etajer yapısı, dolap kurguları zamansız ürünlerin çizgilerini taşıırken, cam raflar şeffaflık ve geçirgenlik prensiplerini ait olduğu mekanın mimarisine uyumunu sağlar.

While its etagere structure bears the lines of the timeless products, glass shelves provide space architecture that belongs to the compliance of the principles of transparency and permeability.
