## SMALL IN SIZE, GREAT IN LIGHT QUALITY

Although Modular's smallest recessed spotlight, Qbini produces more than 400 lumens. Featuring CRI90+ and available in multiple colour temperatures and beam angles, Qbini has an outstanding light quality.

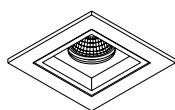

## WARM DIM

Our warm dim technology warms the colour temperature of the light as it is dimmed, for a relaxing, cosy ambiance at low light levels.

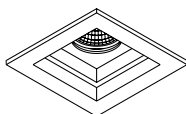

## PATENT-PENDING INSTALLATION

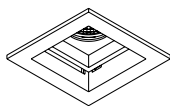

A little push and an ingenious mechanical click system allows you to instantly change the look of your lighting.
