### COLOR SWATCHES

Based on our technology we will match the indicated colors as precise as possible.  
We may match practically any clearly defined color, specified according to an international color system like NCS and RAL.

Minimal color differences for every production batch are unavoidable.

### **PRICES**

All prices are recommended retail prices: per piece and in euro VAT not included.

The prices are valid from 01/03/2015.

These prices replace all previous prices.

### **TRANSPORT DAMAGES**

Please note that in case you receive visual damaged goods you have to mark this clearly on the delivery sheet of the forwarder. It's imperative that you fax a copy of this immediately to QUINZE AND MILAN - fax 0032 56 24 05 99 or email to [info@quinzeandmilan.tv](mailto:info@quinzeandmilan.tv) If you fail to provide the delivery note with your remarks, we reject all transport claims.

### **CANCELLATIONS**

For all orders which are cancelled, 30% of the total amount will be charged.

### **CHANGING ORDERS**

Please note that changes of size and quality are only possible after approval of our internal sales office. These changes might lead to extra costs.

### **TOLERANCES**

We want to inform that all our qualities are subject to tolerances (weight, height, structure, color,...)

### **CLAIMS**

Claims of faulty goods must be made within 7 days after delivery. Please send your claim well specified, together with photos to your contacts at the office of Quinze & Milan. If you have a problem with a product, we kindly ask you to prepare this immediately for return. This will improve the speed of handling claims. Don't use the faulty products without an approval of our office.

### **TECHNICAL DETAILS**

All technical details are in this product catalogue or on our website.

### **PAYMENT**

All orders with a value higher than 10.000 euro, require special payment conditions. If not clearly marked, the following conditions will be used:

50% with order confirmation (production will not be initialized before this payment is received.)

40% before shipment (goods will not be released before this payment)

## **QM MATERIALS** QM FOAM, QM TEX, QM PLUS

**In 1999, the iconic PRIMARY collection kicked off the succes of QM FOAM<sup>™</sup>, a proprietary material originally developed and produced by Quinze & Milan. QM FOAM<sup>™</sup> refers to the result of a chemical reaction between the polyurethane foam shape and different layers, with different compositions, sprayed on to it.**

It is a flame-, water- and weather resistant compound that can be cleaned with soap and water—making these pieces suited for pool terraces, child-oriented areas, and health-care interiors. Offered in countless colors, the coating also contains a UV filter to prevent fading from the sun. **QM FOAM<sup>™</sup>** ensures easy cleaning, superior comfort and durability.

### **A STANDARD, QM PLUS<sup>™</sup> COATING FOR ARCHITECTS & DESIGNERS**

Next to the original QM FOAM<sup>™</sup> we all appreciate, its new, extra-strong variant QM PLUS<sup>™</sup> existing out of multiple layers of our QM Coating which results in a stronger resistance, especially for public spaces, schools, shopping malls, theatres, ... and other intensively used public interiors.

### **QM TEX<sup>™</sup>, COATED REINFORCED TEXTILE**

To respond to the specific needs of our clients, we have developed and improved our coating so it can be applied (sprayed) on specific tissues. QM TEX<sup>™</sup> is our QM Coating applied to textiles. The result is a stiff and stronger material, very resistant to attacks, virtually tear-proof.

The interest of this innovation is to meet the growing need of invulnerability associated with furniture solutions, walls, reception desks, while maintaining a soft touch. The soft and smooth surface appearance of our known QM Coating techniques are preserved, as well as antibacterial properties, easy to clean, sealing,...

---

### **OPTIONAL FINISHINGS**

As an option we can provide your beloved Q&M furniture with feet suited for a specific flooring. We offer plastic feet, felt feet and even sticky feet. Therefore, we integrate a wooden plate into the furniture.

**PILOT** DESIGNED BY PATRICK RAMPELOTTO &  
FRITZ PERNKOPF

**CUSTOMIZATION AND OPTIONS:**

This product is available in natural oak legs or walnut legs.  
Contact us for more information!

Glossy meets matte, light meets durable. PILOT is Quinze & Milan's new range of stools and tables. Pilot is smart, beautifully detailed, and available in 3 sizes.

The design of the stool is based on traditional archetypes, their basic simplicity in form and function. The organically shade seat is supported by tapered legs made of oiled European oak. The seat itself is generously proportioned for comfort, its material tactile and contemporary. The ends of the legs are threaded and screwed into the seat, a connection that is both simple and sophisticated given the two very different materials of the joint.

## PILOT STOOL

### COMPOSITION

Seat: Polyethylene plastic  
Legs: Oak wood - Walnut legs  
Rubber feet

### CALORIFIC VALUE

195 Mj / kg

This is a simulated calorific value and can only be used as a general reference.
