FABBRICA

Anime

SOULS/ ÂMES

Linea Fabbrica, un' azienda, tre anime. Un'unica struttura industriale orientata verso mercati diversi e tipologie diverse di prodotti. Una storia straordinaria basata su 40 anni di esperienza e sulla tradizione di un distretto industriale unico.

Un percorso imprenditoriale ispirato da curiosità e attenzione al cliente, che punta su qualità e competitività. Poltrone dall'esclusivo design italiano, sedute per l'ufficio e il contract, per la comunità e la sanità, di serie o personalizzate. Un'azienda che non segue il mercato ma lo orienta affermando una logica di sistema basata su famiglie di prodotti diversi per dimensioni, accessori, finiture e funzioni, con un design unitario.

Linea Fabbrica, one company, three souls. One industrial structure oriented towards different markets and different type of products. An extraordinary history based on 40 years of experience and tradition of a unique industrial district. An entrepreneurial way inspired by curiosity and customer focus that aims at quality and competitiveness. Armchairs of an exclusive italian design, seats for office and contract, for community and healthcare facilities, standard or customized. A company that does not follow the market but directs it, affirming a logic of system based on families of different products in size, accessories, finishes and functions, with an unitary design.

Linea fabbrica, une entreprise, trois âmes. Une structure industrielle unique orientée vers différents marchés et différentes typologies de produits. Une histoire extraordinaire basée sur 40 ans d'expérience et sur la tradition d'un district industriel unique. Un parcours entrepreneurial inspiré par la curiosité et attention au client, qui mise sur la qualité et compétitivité. Fauteuils d'exclusif design italien, sièges pour le bureau et le contract, pour la collectivité et santé, de série ou personnalisés.

Une entreprise qui ne suive pas le marché mais l'oriente, affirmant une logique de système basée sur familles de produits différents par dimensions, accessoires, finitions et fonctions, avec un design unitaire.

Design

D

Sedute di elevato design destinate al mondo dell'ufficio o al contract, studiate per il lavoro, la riunione e l'attesa. È l'anima che esprime il Made in Italy e il principio del lusso accessibile.

High-quality design seatings for the office world or contract projects. Models designed for workspaces, meeting rooms and waiting areas. A soul which represents Made in Italy and our entrepreneurial idea of affordable luxury.

Sièges d'haut design destinés au monde du bureau ou au contract, conçus pour le travail, la réunion et l'attente. C'est l'âme qui exprime le Made in Italy et le principe du luxe accessible.

Work

W

Sedute per il lavoro e per l'operatività in ufficio nelle versioni direzionali, operative, riunione e attesa. È l'anima delle poltrone tecniche e degli sgabelli per ambienti industriali.

Seatings for work and office operativeness in executive, operative, meeting and waiting versions. It is the soul of the technical armchairs and the stools for industrial environments.

Sièges pour le travail et pour l'opérativité au bureau en version directionnelle, opérative, réunion et attente. C'est l'âme des fauteuils techniques et des tabourets pour les milieux industriels.

Healthcare

H

Sedute destinate al benessere della persona, alla terza età e alla sanità. È l'anima nella quale ricercare soluzioni ottimali per applicazioni in cui il comfort e la funzionalità sono fondamentali.

Seatings that ensure the user's wellness, for the elderly and healthcare facilities. A soul focused on the search for the best solutions to create applications where comfort and performance are essential.

Sièges destinés au bien-être de la personne, au troisième âge et à la santé. C'est l'âme dans laquelle rechercher de solutions optimales pour applications dans lesquelles le confort et la fonctionnalité sont essentiels.

CARATTERISTICHE/FEATURES/CARACTÉRISTIQUES

Schienale: Schiumato co-iniettato bifacciale con rivestimento in PVC, interno in multistrato di legno.

Sedile: Schiumato co-iniettato bifacciale con rivestimento in PVC, interno in multistrato di legno.

Regolazione schienale: Lama di regolazione altezza Up&Down.

Meccanismo: Oscillante multi-blocco (Joko 02-03/PRO), oscillante multi-blocco con fulcro avanzato (Joko 02-03/TOP). Elevazione a gas.

Base: Nylon o pressofusione di alluminio lucido con piedini fissi.

Poggiapiedi: Anello poggiapiedi cromato regolabile (Joko 03/PRO, 03/TOP).

Backrest: Bifacial cold co-injected foam with PVC coating. Multilayer wood inner backrest.

Seat: Bifacial cold co-injected foam with PVC coating. Multilayer wood inner seat.

Backrest adjustment: Up&Down height-adjustment blade.

Mechanism: Tilt multi-block (Joko 02-03/PRO), Knee-tilt multi-block (Joko 02-03/TOP). Gas-lift.

Base: Nylon or polished aluminium with fixed feet.

Foot ring: Chromed adjustable foot ring (Joko 03/PRO, 03/TOP).

Dossier: Mousse co-injectée biface avec revêtement en PVC, intérieur du dossier en multiplis de bois.

Assise: Mousse co-injectée biface avec revêtement en PVC, intérieur d'assise en multiplis de bois.

Réglage dossier: Lama Up&Down.

Mécanisme: Basculant avec blocage multipositions (Joko 02-03/PRO), basculant à axe décalé avec blocage multipositions (Joko 02-03/TOP). Verin à gaz.

Piètement: Nylon ou aluminium moulé sous pression poli avec patins fixes.

Repose-pieds: Repose-pieds circulaire chromé réglable (Joko 03/PRO, 03/TOP).

CARATTERISTICHE/FEATURES/CARACTÉRISTIQUES

Sedile: Poliuretano integrale, interno in pannello a base di particelle di legno (MDF).

Meccanismo: Piastra fissa (Mea 01-02-03/PG). Elevazione a gas.

Base: Nylon, metallo cromato o pressofusione di alluminio lucido con ruote piroettanti (Mea 01/PG) o piedini fissi (Mea 02-03/PG) *.

Poggiapiedi: Anello poggiapiedi cromato regolabile (Mea 03/PG).

Telaio: 4 gambe in tubolare di acciaio verniciato nero con sedile fisso (Mea 04) o regolabile in altezza (Mea 05).

* Si sconsiglia l'utilizzo di ruote piroettanti nelle versioni a sgabello 02/03.

Seat: Integral polyurethane, MDF inner seat.

Mechanism: Fixed plate (Mea 01-02-03/PG). Gas-lift.

Base: Nylon, chromed or polished aluminium with castors (Mea 01/PG) or fixed feet (Mea 02-03/PG) *.

Foot Ring: Chromed adjustable foot ring (Mea 03/PG).

Frame: 4 legs black painted steel tube with fixed seat (Mea 04) or height-adjustable seat (Mea 05).

* The use of castors in 02/03 stool version is not recommended.

Assise: Polyuréthane intégral, intérieur d'assise en panneau MDF.

Mécanisme: Platine fixe (Mea 01-02-03/PG). Verin à gaz.

Piètement: Nylon, chromé ou aluminium moulé sous pression poli avec roulettes pivotantes (Mea 01/PG) ou patins fixes (Mea 02-03/PG) *.

Repose-pieds: Repose-pieds circulaire chromé réglable (Mea 03/PG).

Piètement 4 pieds: Tube d'acier finition noire avec assise fixe (Mea 04) ou réglable en hauteur (Mea 05).

* Il est déconseillé d'utiliser de roulettes pivotantes pour les versions 02/03.

CARATTERISTICHE/FEATURES/CARACTÉRISTIQUES

Sedile: Poliuretano integrale, interno in pannello a base di particelle di legno (MDF).

Meccanismo: Piastra fissa (Duke 01-02-03/PG). Elevazione a gas.

Base: Nylon, metallo cromato o pressofusione di alluminio lucido con ruote piroettanti (Duke 01/PG) o piedini fissi (Duke 02-03/PG) *.

Poggiapiedi: Anello poggiapiedi cromato regolabile (Duke 03/PG).

Telaio: 4 gambe in tubolare di acciaio verniciato nero con sedile fisso (Duke 04) o regolabile in altezza (Duke 05).

* Si sconsiglia l'utilizzo di ruote piroettanti nelle versioni a sgabello 02/03.

Seat: Integral polyurethane, MDF inner seat.

Mechanism: Fixed plate (Duke 01-02-03/PG). Gas-lift.

Base: Nylon, chromed or polished aluminium with castors (Duke 01/PG) or fixed feet (Duke 02-03/PG) *.

Foot Ring: Chromed adjustable foot ring (Duke 03/PG).

Frame: 4 legs black painted steel tube with fixed seat (Duke 04) or height-adjustable seat (Duke 05).

* The use of castors in 02/03 stool version is not recommended.

Assise: Polyuréthane intégral, intérieur d'assise en panneau MDF.

Mécanisme: Platine fixe (Duke 01-02-03/PG). Verin à gaz.

Piètement: Nylon, chromé ou aluminium moulé sous pression poli avec roulettes pivotantes (Duke 01/PG) ou patins fixes (Duke 02-03/PG) *.

Repose-pieds: Repose-pieds circulaire chromé réglable (Duke 03/PG).

Piètement 4 pieds: Tube d'acier finition noire avec assise fixe (Duke 04) ou réglable en hauteur (Duke 05).

* Il est déconseillé d'utiliser de roulettes pivotantes pour les versions 02/03.

CARATTERISTICHE/FEATURES/CARACTÉRISTIQUES

Sedile: Multistrato di legno.

Meccanismo: Piastra fissa (Mea Wood 01-02-03/PG). Elevazione a gas.

Base: Nylon, metallo verniciato nero, metallo cromato o pressofusione di alluminio lucido con ruote piroettanti (Mea Wood 01/PG) o piedini fissi (Mea Wood 02-03/PG) *.

Poggiapiedi: Anello poggiapiedi cromato regolabile. (Mea Wood 03/PG).

Telaio: 4 gambe in tubolare di acciaio verniciato nero con sedile fisso (Mea Wood 04) o regolabile in altezza (Mea Wood 05).

* Si sconsiglia l'utilizzo di ruote piroettanti nelle versioni a sgabello 02/03.

Seat: Multilayer wood.

Mechanism: Fixed plate (Mea Wood 01-02-03/PG). Gas-lift.

Base: Nylon, black painted steel, chromed or polished aluminium with castors (Mea Wood 01/PG) or fixed feet (Mea Wood 02-03/PG) *.

Foot Ring: Chromed adjustable foot ring (Mea Wood 03/PG).

Frame: 4 legs black painted steel tube with fixed (Mea Wood 04) or height-adjustable (Mea Wood 05) seat.

* The use of castors in 02/03 stool version is not recommended.

Assise: Bois multiplis.

Mécanisme: Platine fixe (Mea Wood 01-02-03/PG). Verin à gaz.

Piètement: Nylon, métal finition noir, chromé ou aluminium sous pression poli avec roulettes pivotantes (Mea Wood 01/PG) ou patins fixes (Mea Wood 02-03/PG) *.

Repose-pieds: Repose-pieds circulaire chromé réglable (Mea Wood 03/PG).

Piètement 4 pieds: Tube d'acier finition noir avec assise fixe (Mea Wood 04) ou réglable en hauteur (Mea Wood 05).

* Il est déconseillé d'utiliser de roulettes pivotantes pour les versions 02/03.

CARATTERISTICHE/FEATURES/CARACTÉRISTIQUES

Schienale: Struttura in poliammide e fibra di vetro, rete autoportante.

Sedile: Interno sedile in multistrato di legno, sotto sedile in polipropilene.

Imbottitura: Poliuretano espanso flessibile (sedile).

Supporto lombare: Regolabile in altezza.

Braccioli: Fissi o Regolabili.

Meccanismo: Sincronizzato multi-blocco, elevazione a gas.

Base: Nylon o pressofusione d'alluminio lucido con ruote piroettanti (New Malice 01) o piedini fissi (New Malice Stool 01) *.

Poggiapiedi: Anello poggiapiedi regolabile cromato (New Malice Stool 01).

* Si sconsiglia l'utilizzo di ruote piroettanti nella versione a sgabello.

Backrest: Polyamide and fiberglass structure, self-supporting mesh.

Seat: Multilayer wood inner seat, polypropylene outer seat.

Padding: Flexible polyurethane foam (seat).

Lumbar support: Height-adjustable.

Armrests: Fixed or adjustable.

Mechanism: Synchronized multi-block, gas-lift.

Base: Nylon or polished aluminium with castors (New Malice 01) or fixed feet (New Malice Stool).

Foot Ring: Chromed adjustable foot ring (New Malice Stool 01) *.

* The use of castors in stool version is not recommended.

Dossier: Structure en polyamide et fibre de verre, résille autoportante.

Assise: Intérieur de l'assise en multiplis de bois, dessous de l'assise en polypropylène.

Rembourrage: Mousse de polyuréthane flexible (assise).

Support lombaire: Réglable en hauteur.

Accoudoirs: Fixes ou réglables.

Mécanisme: Synchronisé avec blocage multipositions. Verin à gaz.

Piètement: Nylon ou aluminium moulé sous pression poli avec roulettes pivotantes ou patins fixes (New Malice Stool).

Repose-pieds: Repose-pieds circulaire chromé réglable (New Malice Stool 01) *.

* Il est déconseillé d'utiliser de roulettes pivotantes pour la version tabouret.

CARATTERISTICHE/FEATURES/CARACTÉRISTIQUES

Schienale: Interno schienale e retro schienale in polipropilene.

Sedile: Interno sedile in multistrato di legno, sotto sedile in polipropilene.

Imbottitura: Poliuretano espanso flessibile.

Regolazione schienale: Volantino regolazione altezza.

Braccioli: Fissi o regolabili in altezza.

Meccanismo: Contatto permanente ed elevazione a gas.

Base: Nylon o metallo cromato con ruote piroettanti (Viky 01) o piedini fissi (Viky Stool 01) *.

Poggiapiedi: Anello poggiapiedi cromato regolabile (Viky Stool 01) o fisso (Viky Stool 02).

* Si sconsiglia l'utilizzo di ruote piroettanti nella versione a sgabello.

Backrest: Polypropylene inner and outer backrest.

Seat: Multilayer wood inner seat, polypropylene outer seat.

Padding: Flexible polyurethane foam.

Backrest adjustment: Height-adjustment knob.

Armrests: Fixed or height adjustable.

Mechanism: Permanent contact, gas-lift.

Base: Nylon or chromed with castors (Viky 01) or fixed feet (Viky Stool 01-02) *.

Foot Ring: Chromed adjustable (Viky Stool 01) or fixed (Viky Stool 02) foot ring.

* The use of castors in stool version is not recommended.

Dossier: Intérieur et arrière du dossier en polypropylène.

Assise: Intérieur d'assise en multiplis de bois, dessous d'assise en polypropylène.

Rembourrage: Mousse de polyuréthane flexible.

Réglage dossier: Molette de réglage en hauteur.

Accoudoirs: Fixes ou réglables en hauteur.

Mécanisme: Contact permanent, verin à gaz.

Piètement: Nylon ou chromé avec roulettes pivotantes ou patins fixes (Viky Stool 01) *.

Repose-pieds: Repose-pieds circulaire chromé réglable (Viky Stool 01).

* Il est déconseillé d'utiliser de roulettes pivotantes pour la version tabouret.

Funzioni e Meccanismi/Functions and Mechanisms/Fonctions et Mécanismes

a _

MECCANISMO SINCRONIZZATO

Meccanismo che permette il movimento oscillante simultaneo con variazione dell'angolo di inclinazione tra sedile e schienale. Possibilità di bloccaggio in multiposizione e di oscillazione libera.

SYNCHRONIZED MECHANISM

Mechanism that allows simultaneous tilting motion with variation of the tilt angle between the seat and back. Possibility of rocking freely and locking in different positions.

MÉCANISME SYNCHRONISÉ

Mécanisme permettant un mouvement oscillant simultanément avec une variation de l'angle d'inclinaison entre le siège et le dossier. Possibilité de blocage en plusieurs positions et oscillation libre.

f _

REGOLAZIONE ALTEZZA POGGIPIEDI

Poggiapiedi regolabile in altezza tramite leva.

FOOTREST HEIGHT ADJUSTMENT

Height of foot ring can be regulated with lever.

RÉGLAGE REPOSE-PIEDS EN HAUTEUR

Repose pides réglable en hauteur par levier.

b _

MECCANISMO ASINCRONO

Meccanismo che permette il movimento oscillante indipendente o simultaneo del sedile e dello schienale. Possibilità di bloccaggio in multiposizione e di oscillazione libera.

ASYNCHRON MECHANISM

Mechanism that allows seat and backrest independent or simultaneous tilting motion. Possibility of tilting freely and locking in multi positions.

MÉCANISME ASYNCHRONE

Mécanisme permettant un mouvement basculant indépendant ou simultané d'assise et du dossier. Possibilité de blocage en multipositions et oscillation libre.

g _

REGOLAZIONE ALTEZZA SCHIENALE

Schienale regolabile in altezza tramite sistema up&down o manopola, per garantire la corretta postura dell'utente.

BACKREST HEIGHT-ADJUSTMENT

Height of the back can be regulated with the up&down system or knob to ensure the user's correct posture.

RÉGLAGE DOSSIER EN HAUTEUR

Dossier réglable en hauteur par système up&down ou par molette, pour garantir la posture correcte de l'utilisateur.

c _

MECCANISMO OSCILLANTE

Meccanismo che permette il movimento oscillante con eventuale blocco nella posizione di lettura.

TILT MECHANISM

Mechanism that allows tilting motion with possibility of locking in the reading position.

MÉCANISME BASCULANT

Mécanisme permettant un mouvement oscillant avec un blocage éventuel dans une position de lecture.

h _

ELEVAZIONE A GAS

Regolazione in altezza della seduta con pompa a gas che permette all'utente di portare la sedia ad un'altezza che dia sostegno alle gambe, lasciando i piedi poggiati a terra.

GAS LIFT

Seat height regulation with a gas piston that allows the user to move the seat to a height that supports the legs while the feet rest on the floor.

ÉLÉVATION À GAZ

Réglage en hauteur de l'assise par vérin à gaz permettant à l'utilisateur de régler le siège à une hauteur offrant du soutien aux jambes, en permettant aux pieds de s'appuyer par terre.

d _

CONTATTO PERMANENTE

Meccanismo che permette il movimento basculante dello schienale con blocco in multiposizione, garantendo sempre una postura ottimale ed un sostegno lombare adeguato.

PERMANENT CONTACT

Mechanism that allows tilting motion of the back with locking in different positions, always ensuring optimal posture and suitable lumbar support.

CONTACT PERMANENT

Mécanisme permettant un mouvement du dossier oscillant avec blocage en plusieurs positions, garantissant toujours une posture optimale et un soutien du dos adéquat.

i _

REGOLAZIONE MANUALE ALTEZZA SEDILE

Sedile regolabile manualmente in altezza tramite alzata a vite o leva, per garantire la corretta postura dell'utente.

SEAT MANUALLY HEIGHT-ADJUSTMENT

Height of the seat can be manually regulated with screw-lift or lever to ensure the user's correct posture.

RÉGLAGE MANUEL D'ASSISE EN HAUTEUR

Assise réglable manuellement en hauteur par vis centrale ou levier, pour garantir la posture correcte de l'utilisateur.

e _

LAMA FISSA

Lama che permette all'utente di regolare la profondità dello schienale.

FIXED BLADE

Blade that allows the user to regulate the depth of backrest.

LAME FIXE

Lame permettant à l'utilisateur de régler la profondeur du dossier.

**Condizioni generali
di vendita**

PREZZI

Il presente listino annulla e sostituisce precedenti versioni e si intende valido fino a revoca.

I prezzi sono espressi in Euro, IVA esclusa.

PRODOTTI

Tutti gli articoli presenti sui Cataloghi di Linea Fabbrica, corrispondono alle descrizioni riportate.

Tuttavia, in virtù della costante ricerca ed evoluzione tecnica, l’azienda si riserva il diritto di apportare modifiche tecniche e funzionali senza obbligo di preavviso, esclusivamente nel caso in cui le modifiche non impattino sull’estetica del prodotto stesso.

ORDINI

Gli ordini trasmessi a Linea Fabbrica, implicano l’accettazione da parte del Cliente delle Condizioni Generali di Vendita qui riportate, salvo diversi accordi presi separatamente in forma scritta.

Gli ordini sono sempre soggetti all’approvazione scritta di Linea Fabbrica.

Ogni discordanza riferita alla Conferma d’Ordine, deve essere segnalata dal Cliente in forma scritta entro il giorno successivo alla data di ricevimento.

Eventuali annullamenti o modifiche alla Conferma d’Ordine, devono essere comunicate entro 2 giorni dal ricevimento della stessa.

In caso contrario, Linea Fabbrica si riserva il diritto di addebitare il 30% dell’ammontare dell’ordine, ai sensi dell’art. 1382 del Cod. Civ.

TERMINI DI CONSEGNA

I termini di consegna riportati nella Conferma d’Ordine, sono indicativi pertanto non possono essere considerati termini essenziali ai fini della risoluzione del contratto da parte del Cliente.

RECESSO

Qualora si verifichino cause di forza maggiore che impediscano il rispetto dei termini di consegna, Linea Fabbrica, si riserva la facoltà di recedere dal contratto senza che il Cliente possa pretendere indennizzi a nessun titolo.

Linea Fabbrica si riserva inoltre la facoltà di recedere dal contratto di vendita, nei casi previsti dall’art. 1461 del Cod. Civ. e ogni qualvolta sia a conoscenza di fatti che rendano dubbia la solvibilità del Cliente.

RESA

L’ordinativo minimo (al netto di sconti e IVA) per la consegna di merce in porto franco (DAP luogo di consegna Incoterms 2010) è riportato nella tabella in calce alle presenti Condizioni Generali di Vendita.

Gli ordini di importo inferiore rispetto al minimo definito, possono essere evasi con resa Ex Works Manzano (Incoterms 2010) o a seguito di autorizzazione scritta del Cliente, con addebito in fattura del costo della spedizione.

Il Cliente è tenuto a comunicare a Linea Fabbrica, eventuali necessità particolari quali limitazioni di transito e/o sosta, permessi, pedaggi, sponda idraulica, consegna al piano, varie ed eventuali.

Costi aggiuntivi derivanti da consegna a vuoto, annullamento del contrassegno, richiesta di riconsegna, giacenza del materiale, variazione dell’indirizzo di consegna, verranno addebitati al Cliente. Discrepanze nel numero dei colli o nella conformità degli stessi devono essere annotate sul documento di consegna e lo stesso trasmesso via mail o fax a Linea Fabbrica entro otto giorni dalla consegna.

PAGAMENTO

I termini e le condizioni di pagamento, una volta pattuite, sono riportate sulla Conferma d’Ordine.

In caso di mancato o ritardato pagamento, Linea Fabbrica si riserva la facoltà di applicare gli interessi di mora al tasso bancario in vigore in Italia, di sospendere eventuali forniture a saldo e di richiedere il pagamento anticipato per le forniture successive. Per ordini con date di consegna frazionate, Linea Fabbrica prevede la fatturazione per singola consegna alle condizioni di pagamento concordate.

RISERVA DI PROPRIETÀ

La vendita è sempre conclusa con espressa riserva di proprietà a favore di Linea Fabbrica, sino al totale pagamento della merce ai sensi dell’art. 1523 del Cod. Civ.

RECLAMI

Eventuali reclami sulla qualità della merce, devono essere comunicati a Linea Fabbrica per iscritto, entro otto giorni dal ricevimento della merce stessa.

RESI

I resi di merce devono essere preventivamente concordati ed autorizzati da Linea Fabbrica.

La merce resa deve essere imballata nel suo imballo originale o con imballo idoneo a proteggere il prodotto e accompagnata da ddt o packing list. La merce resa, sarà controllata in Linea Fabbrica e successivamente accreditata.

GARANZIA

Linea Fabbrica garantisce i prodotti presenti sui propri cataloghi per vizi e/o difetti di qualità e/o fabbricazione, per il periodo previsto dalla normativa vigente, salvo quanto diversamente concordato o specificato.

La garanzia non si estende ai difetti causati al prodotto, dal non corretto montaggio, dall’uso improprio o non conforme alla normale destinazione d’uso del bene, dall’inosservanza delle istruzioni d’uso e manutenzione e dall’ordinaria usura.

FORO COMPETENTE E LEGGE APPLICABILE

Per tutte le controversie connesse al contratto di vendita, sarà competente il Tribunale di Udine. Le norme applicabili sono quelle italiane.

Regione	Importo spedizione al netto d' I.V.A.	Contributo di trasporto
Veneto Friuli Venezia Giulia Trentino Alto Adige Lombardia Piemonte Liguria Valle d'Aosta Emilia Romagna	Euro 350,00	Euro 35,00
Toscana Umbria Marche Abruzzo Molise Lazio	Euro 350,00	Euro 40,00
Puglia Basilicata Campania	Euro 400,00	Euro 45,00
Calabria Sicilia Sardegna	Euro 500,00	Euro 55,00

**General
conditions
of sale**

Conditions générales
de vente

PRICES

The present price list cancels and replaces previous versions and is valid until revoked.

Prices are expressed in Euros, excluding VAT.

PRODUCTS

All articles present in the Linea Fabbrica catalogues correspond to the descriptions listed.

However, by virtue of constant research and technical development, the company reserves the right to make technical and functional modifications without prior notice, only in cases where the changes do not impact the appearance of the product.

ORDERS

Orders sent to Linea Fabbrica imply the client's acceptance of the General Conditions of Sale specified herein, save different agreements made separately in writing.

Orders are always considered subject to written approval by Linea Fabbrica.

Any disagreement referring to the order confirmation should be reported by the client in writing before the end of the day following its receipt.

Possible cancellations or modifications to the order confirmation should be communicated within two days of receipt.

Otherwise, Linea Fabbrica reserves the right to charge 30% of the order amount pursuant to Art. 1382 of the Civil Code.

DELIVERY TERMS

The delivery terms specified in the order confirmation are indicative, so they should not be considered binding for contract resolution by the customer.

TERMINATION

When events beyond control prevent the delivery terms from being respected, Linea Fabbrica reserves the right to terminate the contract without any compensation due to the customer.

Linea Fabbrica also reserves the right to terminate the sales contract in cases pursuant to Art. 1461 of the Civil Code and whenever it is aware of facts that raise doubts about the customer's solvency.

SHIPPING AND TRANSPORT

Goods are always delivered ex works. Subject to the Customer's written authorization, the cost of delivery to the requested destination shall be charged in the invoice.

The customer is obliged to communicate to Linea Fabbrica any particular needs such as restrictions in transit and/or parking, permits, tolls, tail lifts, delivery to a specified floor, etc.

Added costs deriving from failed delivery attempts, cancellation of cash on delivery, request for redelivery, storage of goods, or change in delivery address will be charged to the customer.

Discrepancies in the number of packages or their conformity should be noted on the delivery document and sent via mail or fax to Linea Fabbrica within eight days of delivery.

PAYMENT

Payment terms and conditions, once established, are specified in the order confirmation.

In case of missing or delayed payment, Linea Fabbrica reserves the right to apply overdue interest at the current bank rate in Italy, to suspend possible remaining shipments, and to require advance payment for future orders.

For orders with multiple delivery dates, Linea Fabbrica provides invoicing for each delivery under the payment conditions agreed.

PAYMENT

Payment terms and conditions, once established, are specified in the order confirmation.

In case of missing or delayed payment, Linea Fabbrica reserves the right to apply overdue interest at the current bank rate in Italy, to suspend possible remaining shipments, and to require advance payment for future orders.

For orders with multiple delivery dates, Linea Fabbrica provides invoicing for each delivery under the payment conditions agreed.

TITLE RETENTION

The sale is always concluded with express title retention in favour of Linea Fabbrica until the goods have been paid for in full, pursuant to Art. 1523 of the Civil Code.

COMPLAINTS

Any complaints about the quality of the goods should be communicated to Linea Fabbrica in writing within eight days of receipt of said goods.

RETURNS

Product returns should be agreed to and authorized by Linea Fabbrica in advance.

The goods must be returned in their original packaging or packed appropriately to protect the product, and accompanied by the transport document or packing list. Returned goods will be checked by Linea Fabbrica and then credited.

WARRANTY

Linea Fabbrica guarantees the products present in its catalogues against faults and/or defects in quality and/or manufacture for the period established by current legislation, except where otherwise agreed or specified.

The warranty does not extend to damage to the products caused by incorrect assembly, improper use, or use other than what is intended for the product, failure to read the instructions for use and maintenance, or from ordinary wear and tear.

JURISDICTION AND APPLICABLE LAWS

The Court of Udine is responsible for all disputes related to the sales contract. Italian legislation is applied.

PRIX

Cette liste de prix fait office d'annulation ou remplacement des versions précédentes. Par ailleurs, elle sera valable jusqu'à sa révocation.

Les prix sont exprimés en euros, et sont à considérer HTVA.

PRODUITS

Tous les articles des Catalogues de Linea Fabbrica, font référence aux descriptions indiquées. Cependant, en raison de la recherche continue et de l'évolution des techniques, la société se réserve le droit de réaliser des modifications techniques, et fonctionnelles sans obligation de préavis, et ce, uniquement dans le cas où les modifications n'aient aucun impact sur l'aspect esthétique du produit même.

COMMANDES

Les commandes envoyées à Linea Fabbrica, impliquent l'acceptation de la part du client de ces Conditions générales de Vente, sous réserve d'accords différents pris séparément sous forme écrite.

Les commandes sont toujours prises en charge, sauf accord écrit de la part de Linea Fabbrica.

Tout désaccord par rapport à la Confirmation de la commande doit être signalé par écrit par le Client avant la journée suivant la date de réception.

Les Annulations éventuelles, ou modifications, à la Confirmation de la Commande, doivent être communiquées dans les 2 jours suivant sa réception.

Dans le cas contraire, Linea Fabbrica se réserve le droit de facturer 30 % du montant de la commande, conformément à l'art. 1382 du Cod. Civ.

TEMPS DE LIVRAISON

Les temps de livraison indiqués sur la Confirmation de la Commande, sont approximatifs, par conséquent ils ne peuvent pas être considérés des termes essentiels pour la résiliation du contrat de la part le client.

RÉSILIATION

Lorsque des causes de force majeure se vérifient et empêchent que les temps de livraison soient respectés, Linea Fabbrica, se réserve la faculté de résilier le contrat sans que le Client puisse prétendre des indemnisations ou des remboursements, et ce, pour aucune raison.

De plus, Linea Fabbrica se réserve la faculté de résilier le contrat de vente, dans les cas prévus par l'art. 1461 du Cod. Civ., ainsi que chaque fois où elle aura connaissance de faits qui rendent la solvabilité du Client douteuse.

LIVRAISON

La marchandise est toujours livrée franco usine. Sauf en cas d'autorisation écrite du Client, on effectuera l'envoi, avec facturation de la valeur prévue pour la destination requise. Le client doit communiquer à Linea Fabbrica, des exigences particulières éventuelles, dont des limitations sur le transit et (ou) d'arrêt, des permissions, des péages, des hayons élévateurs, des livraisons à l'étage, divers. Des frais supplémentaires dus à une livraison manquée, à l'annulation de la marque, à la demande de nouvelle livraison, à la marchandise en souffrance, à la variation de l'adresse de livraison, seront facturés au Client.

Les divergences dans le nombre de colis, ou dans leur conformité, doivent être reportées sur le document de livraison ; par ailleurs, celui-ci doit être transmis par e-mail ou fax à Linea Fabbrica dans les huit jours suivant la livraison.

PAYEMENT

Les conditions de paiement, une fois convenues, sont indiquées sur la Confirmation de commande.

Dans le cas d'un non-paiement, ou d'un paiement en retard, Linea Fabbrica se réserve la faculté d'appliquer des intérêts moratoires au taux bancaire en vigueur en Italie, de suspendre les éventuelles fournitures restantes, et de demander le paiement anticipé pour les fournitures successives.

Pour les commandes avec une date de livraison fractionnée, Linea Fabbrica prévoit une facturation pour chaque livraison, aux conditions de paiement convenues.

RÉSERVE DE PROPRIÉTÉ

La vente est toujours conclue avec réserve de propriété expresse en faveur de Linea Fabbrica, jusqu'au paiement complet de la marchandise, conformément à l'art. 1523 du Cod. Civ.

RÉCLAMATIONS

Les réclamations éventuelles portant sur la qualité de la marchandise doivent être communiquées à Linea Fabbrica par écrit, dans les huit jours suivant la réception de ces produits.

RETOURS

Les retours de marchandise doivent être convenus au préalable avec Linea Fabbrica, ainsi qu'autorisés par elle.

La marchandise rendue doit être conditionnée dans son emballage d'origine, ou avec un emballage approprié afin que le produit soit protégé. En outre, elle devra être accompagnée par un ddt ou par une packing list. La marchandise rendue sera contrôlée dans les établissements de Linea Fabbrica, et créditée par la suite.

GARANTIE

Linea Fabbrica garantit les produits présents sur ses catalogues contre les vices et(ou) ou les défauts de qualité et(ou) de fabrication, pour la période prévue par la réglementation en vigueur, sauf ce qui est convenu ou spécifie différemment.

La garantie ne s'étend pas aux défauts provoqués au produit, si ceux-ci sont dus à une mauvaise installation, à une mauvaise utilisation ou non conforme à la destination d'usage normale du bien.

En outre, la garantie ne s'étend pas au non-respect du mode d'emploi, de l'entretien, ainsi qu'à l'usure ordinaire.

TRIBUNAL COMPÉTENT ET LOI APPLICABLE

Pour tout litige relatif au contrat de vente, le Tribunal d'Udine sera compétent en la matière. Les dispositions applicables sont celles italiennes.
