Vicenza

THE EL COQ RESTAURANT

Sound hourglasses, hairy plants, timed menus and disruptive flavours. Scarlet Splendour is delighted to be a part of this a multi-sensory journey.

El Coq is more than a restaurant. Developed by designer Matteo Cibic and the youngest Italian Michelin starred chef – Lorenzo Cogo.

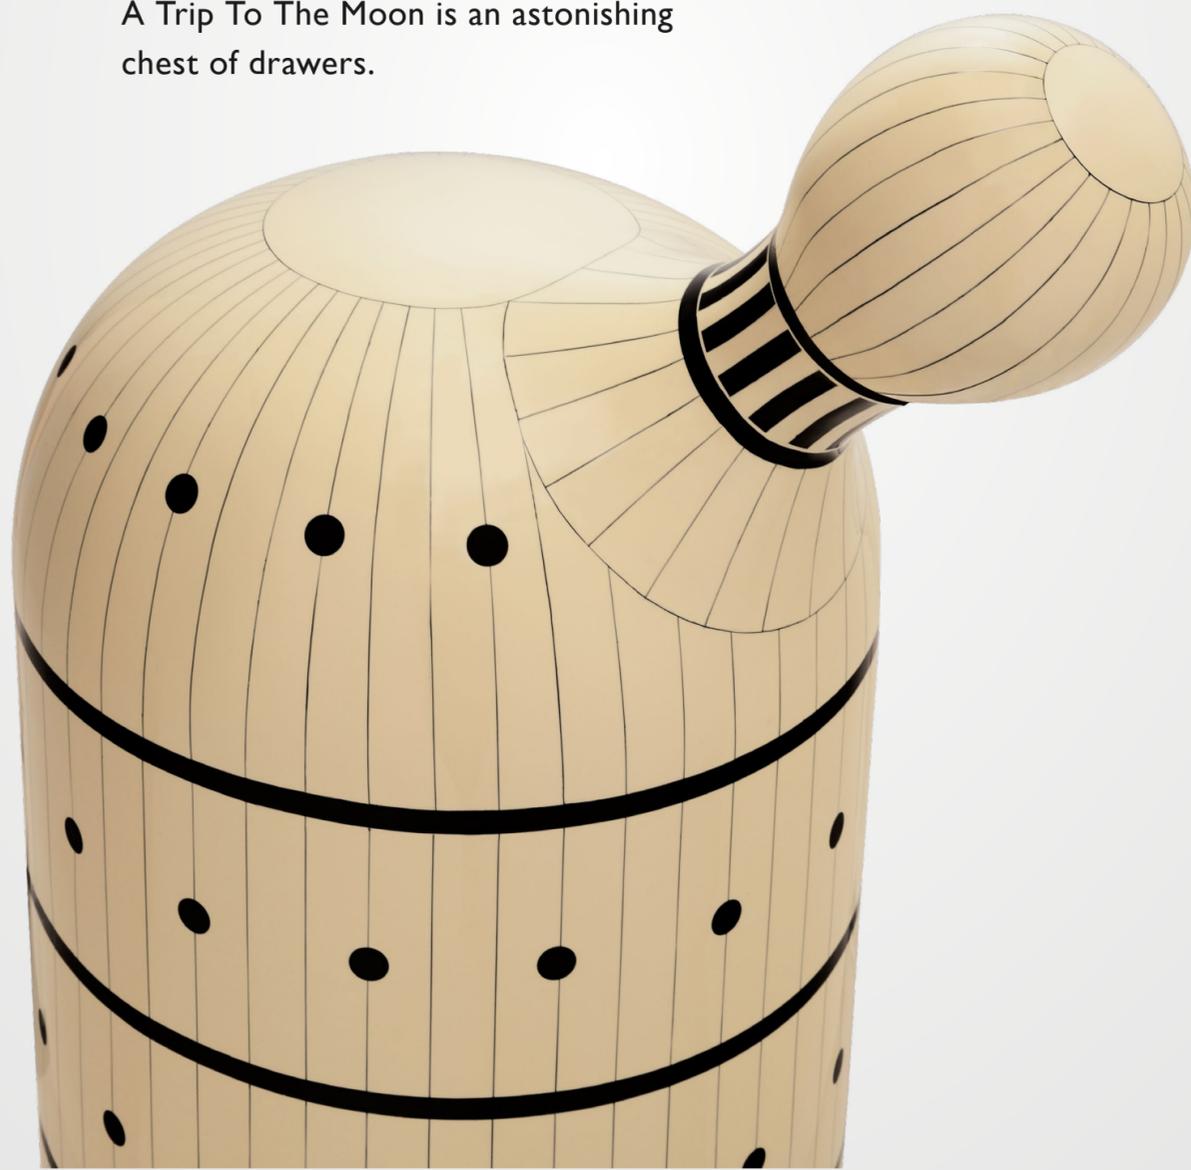

Scarlet Splendour's playfully luxurious cabinet found its rightful place amongst mysterious animals, carnivorous plants and spying eyes.

As you scroll through the pages discover a surreal experience, between the metaphysical and the dreamlike.

THE HALF ARC HOUSE

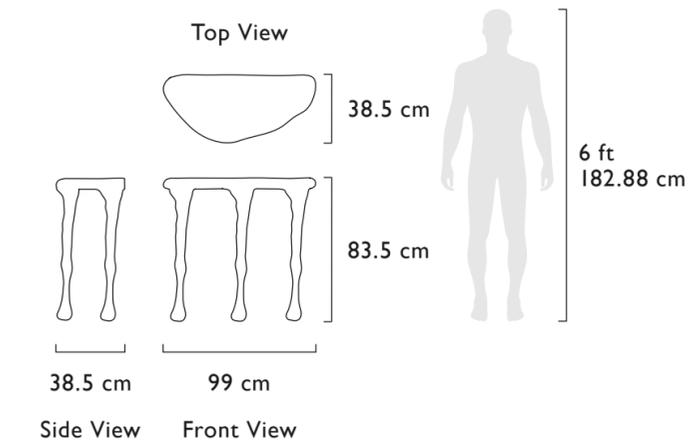

SHROFFLEÓN, a Mumbai based Architecture, Landscape and Interior Design Studio is headed by Kayzad Shroff and Maria Isabel Jimenez Leon. Their boutique practice is admired for offering bespoke solutions to the clients. They approach each project with a mix of child-like naivety and curiosity. Embracing and taking advantage of the boutique's scale, the studio ensures each and every project receives their personal and undivided attention.

They have created a balance of soft femininity and refined contemporary in this 1,400 sq. ft. abode, designed for a young entrepreneur in Mumbai. The homely, feminine appeal for this apartment was achieved by using certain geometries, the half arc in particular. As well as, Kayzad and Maria's personal favourites from the luxurious Scarlet Splendour collections like Fools' Gold and Vanilla Noir.
