

SCARLET ROOMS CARLET

WELCOME TO SCARLET ROOMS

Welcome to an apartment that redefines modern luxury. Conceptualised and executed by interior designer JANNAT VASI, and styled by SAMIR WADEKAR. This 7000 sq. ft. home belongs to an affluent mill owner nestled in the luxe Peddar Road suburb of Mumbai, India.

The brief for this captivating project was to attain a unique look for each room. Jannat Vasi has structured a whimsical haven which creates a welcoming disconnect as soon as you enter the home.

Many of the extraordinary products that complement the space have been sourced from the SCARLET SPLENDOUR collections designed by ARTEFATTO DESIGN STUDIO, MATTEO CIBIC and NIKA ZUPANC. The intricate details of each custom piece blend eastern principles of craftsmanship with western principles of style and colour.

Take your time and scroll through the unique rooms that reflect new experiences, bespoke designs with an eccentric twist to ordinary spaces.

Orion Chair Blanche Rose is a chic chair in grey velvet and rose metal. Designed in delicate lines for comfort and style, it is available in gold metal and elegant colours.

I've had the most fun designing the Memphis Bedroom. Colour blocking, shapes and lines define this artful space. Scarlet Splendour's Sheikh Cabinet seamlessly plugs into my interior design owing to its unusual arc form and geometric resin inlay patterns. What I love is how it holds its own as a standalone piece and also adds maturity to this otherwise playful room.
