Vetrovivo präsentiert
SCULPTURÆ

Die unveröffentlichten Formen, verwertet von den verschiedenen Effekte von den Oberflächen und von der großen Auswahl an Farben, weder glänzend noch matt, bieten originelle Gelegenheiten von Kompositionen mit Oberflächen an, die optisch vibrieren und gleichzeitig ganz neue Effekten von Volumen und Geräumigkeit mit großem Scharm geben.

Die besonderen Formen können in maximaler Freiheit interpretiert werden. Sie bilden eine Wirkung von immer neuen effektvollen Eindrücke, von kompletten Oberflächen auf Mosaik oder wertvolle Feinarbeit mit Bordüre oder Formteile in Verbindung mit anderen Materialien wie Fliesen, Holz usw.

Alles Glas mit einer Stärke von 8 mm, naturell, jetzt auch in SLIM Dicke von 4 mm., öko-kompatibel, komplett wieder verwendbar, ohne Nutzungsgrenze und mit Farben die zeitlos sind.

Die überraschende Gamma von Glasskulpturen auf Basrelief geformt. Vetrovivo von Grund Made in Italy, eine wirklich transparente Qualität. Der Siegel Vetrovivo bestätigt die Authentizität.

Vetrovivo présente
SCULPTURÆ

Les formes inédites, valorisées, aussi bien par les diverses superficies que l'étendue de la gamme de couleur brillantes ou mat, offrent la possibilité de composer des créations donnant vie, espace et fascination aux volumes.

Les formes particulières peuvent être interprétées avec le maximum de liberté tout en créant des effets scénographiques nouveaux sur d'entière superficie revêtue de mosaïque, de décors ou de listels qui peuvent se marier avec toute sorte de matériaux comme les carrelages, le bois, le métal et autres...

Tout en verre d'épaisseur 8mm, naturel, également disponible à ce jour l'épaisseur SLIM de 4 mm, Eco-compatible et totalement recyclable, sans limites d'utilisation et inaltérable dans le temps.

La surprenante collection de Sculptures en Verre forgé en bas-relief. Vetrovivo entièrement Made in Italy, une qualité vraiment Transparente. Le sceau Vetrovivo en certifie l'authenticité.

Vetrovivo presents
SCULPTURÆ

The new shapes, enhanced by the surface embossed effect and by the wide range of shiny or matt colors, offer original combination possibilities for surfaces that optically vibrate and live up new spaces and volumes with great fascinating effects.

The particular shapes may be freely interpreted to create always new spectacular effects on fully glass mosaics dressed walls or with precious finishing with borders or loose pieces combined with other materials, such as tiles, wood and so on.

Full glass exalted by a 8 mm. thickness, now also available in SLIM thickness of 4 mm., natural, eco-friendly, completely recyclable, with no use limits and with timeless unalterable colors.

The amazing collection of Glass Sculptures bas-relief forged.

Vetrovivo full Made in Italy, a real Transparent quality. Vetrovivo seal certifies its authenticity.

Vetrovivo presenta
SCULPTURÆ

Le forme inedite, valorizzate dall'effetto sbalzato delle superfici e dalla vastità della gamma colori sia lucidi che burattati, offrono opportunità compositive originali con superfici che vibrano otticamente dando vita a spazi e volumi sempre nuovi con effetti di grande fascino.

Le particolari forme possono essere interpretate in massima libertà creando effetti scenografici sempre nuovi con intere superfici rivestite di mosaico o preziosi interventi di finiture con listelli o pezzi sfusi in abbinamento ad altri materiali quali piastrelle o legno, ecc.

Tutto vetro esaltato da uno spessore di 8 mm., ora disponibile anche SLIM da 4 mm., naturale, ecocompatibile, completamente riciclabile, senza limiti di impiego e con colori inalterabili nel tempo.

La sorprendente gamma di Sculture in vetro forgiate in bassorilievo. Vetrovivo completamente Made in Italy, una qualità davvero Trasparente. Il sigillo Vetrovivo ne certifica l'autenticità.
