Vetrovivo präsentiert SQUARRY.

Kästchen, Rechtecke, es sind diese alle traditionelle perfekte geometrische Formen, interpretiert mit der persönlichen Hand von Vetrovivo. Die Gegenstände können einfach und minimalen in Unifarbig sein, oder in überraschenden Mix Farben, alle Versionen sind auch verfügbar mit dem Einsatz von Steinen in Textur auf Basrelief.

Die Mosaik Squarry sind auf Netz vorgeschlagen und können als Streifen, verwendet als Bordüre, geschnitten werden.

Alles Glas mit einer Stärke von 8 mm, jetzt auch in SLIM Dicke von 4 mm., naturell, öko-kompatibel, komplett wieder verwendbar, ohne Nutzungsgrenze und mit Farben die zeitlos sind.

Die Interpretation von den perfekten Formen.

Vetrovivo von Grund Made in Italy, eine wirklich transparente Qualität. Der Siegel Vetrovivo bestätigt die Authentizität.

Vetrovivo présente SQUARRY.

Petits tableaux, rectangles, ces sont toutes les traditionnelles parfaites formes géométriques interprétées avec la personnelle main de Vetrovivo.

Les sujets peuvent être simples et minimales en uni couleur, ou en surprenants mix de couleur, toutes les versions sont disponibles aussi avec l'insertion des tessères a texture en bas relief.

Les mosaïques Squarry sont proposés sur net et peuvent être retaillés à bandes utilisés comme listels.

Tout en verre d'épaisseur 8mm, également disponible à ce jour l'épaisseur SLIM de 4 mm., naturel, Eco-compatible et totalement recyclable, sans limites d'utilisation et inaltérable dans le temps.

L'interprétation des formes parfaites.

Vetrovivo entièrement Made in Italy, une qualité vraiment Transparente. Le sceau Vetrovivo en certifie l'authenticité.

Vetrovivo presents SQUARRY.

Squares, rectangles, these are all the traditional perfects geometrical forms interpretative with the personal hand of Vetrovivo.

The subjects can be simple and minimal in even color, or in surprising mix colors, all these versions are available also with the insertion of pieces in texture on bas-relief.

The mosaics Squarry are proposed on net and they can be cut on strips useful like strip.

Full glass exalted by a 8 mm. thickness, now also available in SLIM thickness of 4 mm., natural, eco-friendly, completely recyclable, with no use limits and with timeless unalterable colors.

The interpretation of the perfects forms.

Vetrovivo full Made in Italy, a real Transparent quality. Vetrovivo seal certifies its authenticity.

Vetrovivo presenta SQUARRY.

Quadretti, rettangoli, sono queste tutte le tradizionali perfette forme geometriche interpretate con la personale mano di Vetrovivo.

I soggetti possono essere semplici e minimali in tinta Unita, oppure in sorprendenti mix colore, tutte le versioni sono disponibili anche con l'inserimento di tessere a texture in bassorilievo.

I mosaici Squarry sono proposti su rete e possono essere ritagliati a strisce utilizzabili come listello.

Tutto vetro esaltato da uno spessore di 8 mm., ora disponibile anche SLIM da 4 mm., naturale, ecocompatibile, completamente riciclabile, senza limiti di impiego e con colori inalterabili nel tempo.

L'interpretazione delle forme perfette.

Vetrovivo completamente Made in Italy, una qualità davvero Trasparente. Il sigillo Vetrovivo ne certifica l'autenticità.
