La casa della luce.

Masiero è una storia italiana di passione, eleganza, tradizione e successo nell'arte dell'illuminazione, riconosciuta e scelta in tutto il mondo. Il prestigio made in Italy delle sue creazioni, ispirate alla più antica arte veneziana, è un'eccellenza curata ogni giorno, con dedizione, gusto e stile impeccabili. Perché dare forma alla luce illumina di bellezza.

*The house of light.*

*Masiero is an Italian story of passion, elegance, tradition and success in the art of lighting, recognised and chosen throughout the world. The made-in-Italy prestige of its creations, inspired by the most ancient Venetian art, is an excellence carefully tended day after day, with impeccable dedication, taste and style. Because giving form to light means illuminating beauty.*

## Masiero Atelier.

Quando si pensa alla bellezza, si immagina, si confronta, si interpreta. È istintiva la partecipazione, il confronto con noi stessi, con la nostra percezione e con l'idea che ne abbiamo. Gli oggetti che per noi rappresentano il bello, vorremmo diventassero parte di noi, testimoni del nostro essere. E allora nasce il desiderio di esprimere, creare una relazione nuova, distintiva. Il desiderio di fare qualcosa di unico.

La bellezza di un progetto personale, nel quale riconoscere se stessi, per gusto, idea o semplice volontà, riempie di significato nuovo la nostra capacità di pensare alla bellezza. Senza tempo, annullato tra ispirazione, proiezione e risultato. La bellezza arriva all'improvviso e porta la luce.

In ogni dove, in ogni quando, in ogni sé.  
Ieri, oggi, domani. Masiero.

Masiero Atelier.

*When you think of beauty, you imagine, you compare, you interpret. Participation is instinctive, a dialogue with ourselves, with our perception and with our idea of it. We want the objects which for us represent the beautiful to become part of ourselves, testifying to our being. And from this comes the desire to express, to create a new and distinctive relationship. The desire to do something unique.*

*The beauty of a personal project we can identify with through taste, through an idea, or simply because we want to, giving new meaning to our capacity to think of beauty. Without time, nullified between inspiration, projection and result. Beauty comes to us unexpectedly and brings light.*

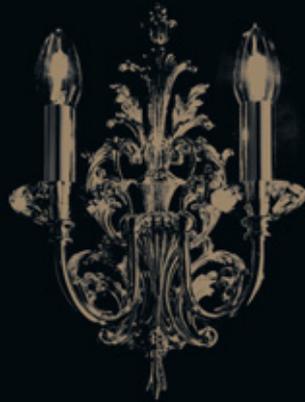

*In every place, in every moment, in every self. Yesterday, today, tomorrow. Masiero.*

Il fascino del palazzo. La preziosa ricchezza di creazioni uniche ed esclusive. Maria Teresa è la collezione Masiero, che rievoca lo splendore veneziano di un'epoca sempre viva e ammirata in tutto il mondo. L'allure inconfondibile dei grandi saloni nobiliari è declinata in diversi modelli, per rispondere a precise esigenze di gusto e spazio. La luce è protagonista, tra cristalli e colore, e illumina ambienti prestigiosi di ogni genere e stile.

*The fascination of the mansion. The precious richness of unique exclusive creations. Maria Teresa is the Masiero collection evoking the Venetian splendour of an evergreen period admired the whole world over. The unmistakable allure of grand stately parlours is interpreted in a range of models to meet precise style and space needs. Light is the protagonist, between cut glass and colour, illuminating all types and styles of prestigious setting.*

# MARIA TERESA

**Tutti gli articoli della collezione  
Maria Teresa sono disponibili in 4 varianti.**

*Each item in Maria Teresa collection  
is available in 4 different versions.*

**MT TRADITIONAL**

Sistema di illuminazione tradizionale (lampadine non incluse). / Telaio in metallo disponibile sia in finitura oro lucido, sia in finitura cromo lucido. / Pendagli trasparenti disponibili in Vetro, Cut Crystal o Crystals from Swarovski, in base alle specificità dei modelli.

*Traditional lighting system (light bulbs not included). / Metal frame available both in shiny gold finish, or in shiny chrome finish. / Transparent pendants available in Half Cut Glass, Cut Crystal or Crystals from Swarovski, according to the specificity of the models.*

**DW DYNAMIC WHITE**

Sistema di illuminazione LED integrato (lampadine e trasformatore inclusi) con tecnologia Bianco Dinamico che consente la gestione di intensità e temperatura della luce mediante collegamento via cavo (protocollo DMX) oppure tramite APP per smartphone e tablet. Disponibile su richiesta la gestione con protocollo DALI. La gestione della temperatura della luce permette la scelta all'interno di un range tra 2700 K e 6500 K. / Telaio in metallo disponibile sia in finitura oro lucido, sia in finitura cromo lucido. / Pendagli trasparenti in vetro, Cut Crystal o Crystals from Swarovski, in base alle specificità dei modelli.

Integrated LED lighting system (lamps and transformer included) with Dynamic White technology that enables the management of intensity and temperature of light through cable connection (DMX protocol) or through APP for smartphones and tablets. Available DALI protocol control unit on request.

The management of the temperature of light allows the control of a range between 2700 K and 6500 K. / Metal frame available both in shiny gold finish, or in shiny chrome finish. / Transparent pendants available in Half Cut Glass, Cut Crystal or Crystals from Swarovski, according to the specificity of the models.

**RW RGB-W LED**

Sistema di illuminazione integrato (lampadine e trasformatore inclusi) con tecnologia LED RGB-W che consente la gestione di intensità e colore della luce mediante collegamento via cavo (protocollo DMX) oppure tramite APP per smartphone e tablet. Disponibile su richiesta la gestione con protocollo DALI. / Telaio in metallo disponibile sia in finitura oro lucido, sia in finitura cromo lucido. / Pendagli trasparenti in vetro, Cut Crystal o Crystals from Swarovski, in base alle specificità dei modelli.

Integrated LED lighting system (lamps and ballast included) with RGB-White technology that enables the control of intensity and colour of light through cable connection (DMX protocol) or through APP for smartphones and tablets. Available DALI protocol control unit on request. / Metal frame available both in shiny gold finish, or in shiny chrome finish. / Transparent pendants available in Half Cut Glass, Cut Crystal or Crystals from Swarovski, according to the specificity of the models.

**CG COLOURED GLASS**

Sistema di illuminazione tradizionale (lampadine non incluse). / Telaio in metallo verniciato, disponibile in 9 diversi colori. / Pendagli in vetro verniciato, disponibile in 9 diversi colori.

Traditional lighting system (lamps not included). / Frame in painted metal, available in 9 different colors. / Pendants in painted glass, available in 9 different colors.

L'eleganza della tradizione. Gocce di cristallo purissimo, pendenti da rami d'oro e argento. Equilibrio sottile di delicato splendore e design d'avanguardia. L'unione della migliore tecnica artigianale con la più fortunata poesia decorativa. Nasce così Impero&Deco, la collezione di lampadari Masiero, declinati in diverse forme e dimensioni, per un nuovo, illuminato rinascimento contemporaneo.

*The elegance of tradition. Drops of pure cut glass hanging from branches of gold and silver. A subtle balance of delicate splendour and avant-garde design. The union between the best techniques of craftsmen and the most successful decorative poetry. The result is Impero&Deco, the collection of Masiero chandeliers in various shapes and sizes, for a new, enlightened modern-day renaissance.*

Raffinata discrezione. La luce incontra la matericità di metalli nobili e preziosi, per disegnare lampade e punti luce, che diventano elementi d'arredo dall'inconfondibile qualità artigianale. Brass&Spots è la collezione Masiero caratterizzata da motivi decorativi di stile classico e barocco, perfetta per la valorizzazione dei dettagli di ambienti molto curati e ricercati.

*Refined discretion. Light meets the materiality of noble and precious metals to create lamps and lighting points which become interior design elements with the unmistakable quality of craftsmen. Brass&Spots is the Masiero collection characterised by decorative motifs in classic and baroque style, perfect to bring out the value of the details in immaculate sophisticated settings.*

L'eccellenza dell'arte vetraria veneziana. Graniglia di Masiero è la collezione di sontuosi lampadari, espressione e omaggio di una storia celebre, apprezzata in ogni continente. L'ancestrale tecnica di lavorazione permette di incorporare migliaia di piccoli frammenti di vetro nella colata, ottenendo un effetto di grande profondità materica, ed amplificandone la luminosità in inediti giochi di luce.

*Excellence in Venetian glass art. Graniglia by Masiero is a collection of sumptuous chandeliers expressing and rendering homage to a famous history, appreciated on every continent. The ancestral working technique allows thousands of minute fragments of glass to be incorporated in the casting, creating an effect of great material depth, amplifying luminosity with unique plays of light.*

Lo splendore della storia. Dalla tradizione europea dei sontuosi lampadari di cristallo di Bohemia, Masiero firma la collezione che porta il medesimo nome, a omaggio di uno stile e una raffinatezza costruttiva inconfondibili. La scintillante simmetria dei grandi candelieri dai bracci in vetro soffiato di Murano, lavorato a mano, regalano allo spazio lo spettacolo di una luce nuova.

*The splendour of history. From the European tradition of sumptuous Bohemian cut glass chandeliers, Masiero has created a collection with the same name, a tribute to an unmistakable style and refined craftsmanship. The glittering symmetry of the great chandeliers with their arms in hand-worked Murano blown glass give the spectacle of a new light to the space.*

La bellezza del dettaglio più sofisticato. Con la collezione Table Lamps, Masiero propone paralumi e lampade da tavolo arricchiti da decorazioni preziose, opera di lavorazioni di alta artigianalità. Vetro soffiato di Murano e pregiata organza di seta vestono creazioni luminose che arredano come piccole opere d'arte gli ambienti più raccolti e privati.

*The beauty of the most sophisticated detail. With the Table Lamps collection, Masiero proposes lamp shades and table lamps enhanced with precious decorations, the work of top craftsmen. Murano blown glass and fine silk organza adorn luminous creations to decorate the most intimate and private settings like miniature works of art.*

Attesta la conformità del prodotto alle disposizioni delle Direttive comunitarie.

It certifies the conformity of the products to the European Community provisions.

Il atteste la conformité du produit aux dispositions des directives communitaires.

Konformität des Produktes mit den Richtlinien der europäischen Gemeinschaft.

Настоящим подтверждается соответствие продукции положениям директив ЕС.

"UL" logo refers to articles which can be modified with UL-compliant components. The "UL" listing Mark stands for tested and evaluated product to recognised US safety standards.

Flusso luminoso nominale. L'indicazione si riferisce al valore in assenza di rifrazione, come dichiarato dal produttore del componente.

Nominal luminous flux. Refers to the value without any refraction, as declared by the component manufacturer.

L'unité SI de flux lumineux. L'indication correspond à la valeur en l'absence de réfraction, comme indiqué par le fabricant du composant.

Die Maßeinheit für den Lichtstrom. Die Angabe bezieht sich auf den Wert in der Abwesenheit von Brechung, wie vom Hersteller der Komponente angegeben.

Номинальный световой поток. Указание относится к значению в отсутствие рефракции, как заявлено производителем компонентов.

Masiero si riserva il diritto di apportare ai propri modelli, senza nessun preavviso, qualsiasi modifica ritenesse opportuna.

Masiero reserves the right to introduce any changes to its own models, without notice in advance.

Masiero behält sich das Recht vor Änderungen vorzunehmen, ohne sofortige Benachrichtigung.

Masiero se réserve le droit d'apporter une quelconque modification à les modèles sans préavis.

Компания Masiero оставляет за собой право без предварительного уведомления, если это будет сочтено целесообразным, вносить в собственные модели любые изменения.
