PLATO LINE

Plato de ducha realizado con mineral de alta calidad que proporciona excelentes características mecánicas y revestido de KRION®.

El plato de ducha LINE permite personalizar tanto su longitud, de 75 hasta 210 cm, como su anchura de 70 hasta 100 cm. También cuenta con paneles decorativos para alicatar las paredes manteniendo la continuidad visual.

Los productos KRION® LINE se producen en cinco colores diferentes, el clásico blanco, Gris, Grafito, Beige y Topo, color cada vez más de moda en la actualidad.

LINE SHOWER TRAY

Shower tray made of top-quality minerals, guaranteeing excellent mechanical performance, covered in KRION™.

The LINE shower tray's dimensions can be customised, with a length ranging from 75 to 210 cm and width from 70 to 100 cm. It also comes with decorative wall panels to ensure visual continuity.

The products KRION™ LINE are produced in five different colours, classic White, Grey, Grafitte, Beige and Taupe, nowadays colour more fashionable.

PURE

BY YONOH

PURE es una serie extensa, con un gran abanico de posibilidades de combinación. La colección incluye un seno simple exento y otro integrado, seno doble, y lavabo con pedestal. Los muebles que acompañan estos elementos combinan almacenaje abierto y cerrado para ofrecer espacio suficiente a todas las necesidades. La colección se completa con una bañera y distintos elementos auxiliares de almacenaje auxiliar, espejos, jaboneras y estantes.

PURE is an extensive series that can be mixed and matched in multiple different ways. It includes a single-bowl washbasin, an integrated one, a double-bowl model, and washbasin with a pedestal. The furniture that comes with them combines open and closed storage areas to ensure sufficient space. The series is rounded off with a bathtub and different additional storage units, mirrors and soap dishes.

SP Bath

TONO

Foster + Partners

Partiendo de un mismo concepto, la columna de ducha TONO aporta practicidad y elegancia integrándose, de forma natural, con el resto de elementos de la colección. Como en ellos, la calidad de los materiales y la precisión en la fabricación de un diseño puro, exacto y genuinamente funcional; captura la esencia de la colección TONO en una propuesta minimalista y atemporal.

Based on the same design concept, the TONO shower column combines functionality with elegance. As with the rest of the collection, which it fits in with to perfection, TONO stands out for the quality of its materials and precision-manufactured functional, neat design. With its minimalism and timeless appeal, it captures the essence of the TONO collection.

TEC

La serie de columnas TEC aúna y mejora las características estéticas y funcionales de diferentes modelos (redondos o cuadrados), ofreciendo de esta forma columnas de ducha fabricadas en latón cromado brillo, equipadas con grifería termostática 'Cool Touch' para ducha.

Columna regulable en altura a elegir entre 2 tipos donde cada uno de sus componentes (cuerpo termostático, tubo extensible, rociador y teleducha) adoptan forma redonda o cuadrada según modelo. Con tomas de agua a distancia estándar 150mm.

Se incluyen reguladores de caudal para consumos EcoEfficient®.

Economía, eficiencia y funcionalidad hacen de esta serie de columnas el complemento ideal para la ducha diaria.

The TEC shower column series integrates and improves on the aesthetic and functional characteristics of different rounded or square-looking columns in a choice of glossy chrome-plated brass models with thermostatic 'Cool Touch' shower taps.

Shower column with an adjustable height in two possible versions, with either round or square-looking features (the thermostatic body, flexible hose and hand shower). With water connections at a standard distance of 150 mm.

Includes flow regulators so as to ensure EcoEfficient® consumption.

A shower column series with the watchwords on economy, efficiency and functionality, ideal for everyday showering.

DECA

Amplia mampara con puertas correderas provistas de sistema SoftClose para asegurar un uso cómodo y silencioso. Disponible con cristal transparente de 10 mm y robusto perfil de aluminio con acabado en color plata esmerilada. Se puede encontrar en diferentes medidas y modelos para cubrir un extenso abanico de composiciones a fin de solucionar cualquier necesidad que se presente.

A spacious shower enclosure with sliding doors equipped with the SoftClose silent door system. Available with 10mm-thick transparent glass and a frosted silver solid aluminium profile. In a choice of different models and sizes for the creation of a wide variety of different showers able to meet all needs.
