FRAME EVO / COLLECTION

IND IVI DUAL

**Frame Evo è un
progetto trasversale
per ogni situazione,
con uno stile**

**affascinante nel
suo minimalismo.
La caratterizzante
struttura metallica
sostiene e abbraccia
un top in vetro
temperato, in una
raffinata soluzione per
l'ambiente direzionale.**

EN Frame Evo is a transversal project for every situation, with a fascinating style in its minimalism. The distinctive metal structure supports and enfolds tempered glass top, in an elegant solution for the directional environment.

FR Frame Evo est un programme transversal s'adaptant à toutes les situations, grâce au style élégant de son minimalisme. Sa caractéristique est la structure métallique, qui soutient et accueille le plateau en verre trempé, dans une solution très recherchée pour le milieu de direction.

DE Frame Evo ist ein transversales Projekt für jede Lage, mit einem faszinierenden Stil in seinem Minimalismus. Die markante Metallstruktur unterstützt und umfasst die Platte aus vorgespanntem Glas, eine elegante Lösung für Vorstandsbüros.

ES Frame Evo es un proyecto transversal para cada situación, con un estilo fascinante en su minimalismo. La característica estructura metálica soporta y envuelve una mesa de vidrio templado, en una solución refinada para el entorno direccional.

BE N CH

Divisori rivestiti in tessuto, cassettiere su ruote, sedute ergonomiche e altri accessori contribuiscono a completare e personalizzare Frame Evo in configurazione operativa, con essenziale struttura metallica bianca e pratico top in melaminico.

EN Dividers upholstered in fabric, mobile pedestals, ergonomic seats and other accessories contribute to complete and personalize Frame Evo in operative configuration, with its essential white metal structure and practical melamine top.

FR Panneau écrans revêtus en tissu, caissons sur roulettes, sièges ergonomiques et autres accessoires contribuent à compléter et personnaliser la gamme Frame Evo dans les configurations opératives, avec une essentielle structure métallique en finition blanc avec top mélaminé.

DE Gepolsterte Bürotrennwände, Schubladen auf Rollen, ergonomische Sitze und weiteres Zubehör ergänzen und anpassen Frame Evo in der operativen Konfiguration mit seiner essentiellen weißen Metallstruktur und praktischer Melaminplatte.

ES Paneles divisores tapizados en tejido, cajoneras con ruedas, sillas ergonómicas y otros accesorios ayudan a completar y personalizar Frame Evo en su configuración operativa, con su estructura esencial de metal blanco y su práctica mesa de melamina.

CON VIV IAL

Frame Evo, nella versione alta, diventa il protagonista di uno spazio conviviale, improntato a una calda e coinvolgente atmosfera. La struttura metallica con piano in rovere, crea un ideale abbinamento con le lampade, la libreria e gli sgabelli della collezione Sinetica.

EN Frame Evo, in the high version, becomes the protagonist of a convivial space, featured by a warm and engaging atmosphere. The metal structure with oak top creates an ideal arrangement with the lamps, the bookcase and the stools of the Sinetica collection.

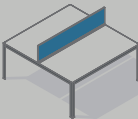

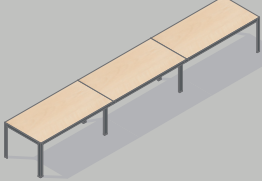

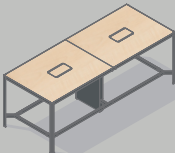

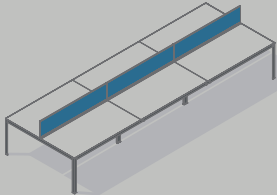

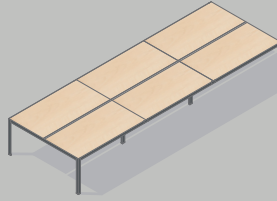

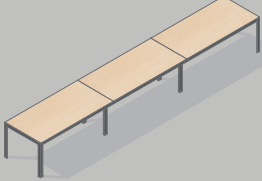

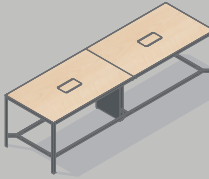

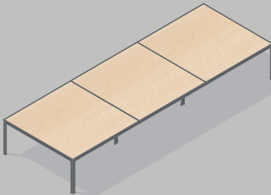

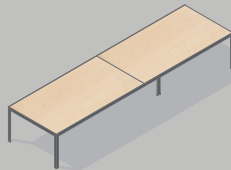

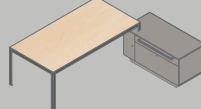

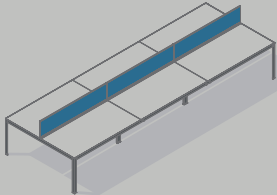

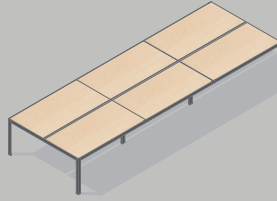

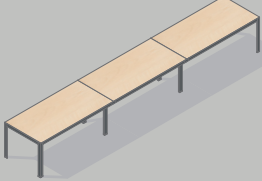

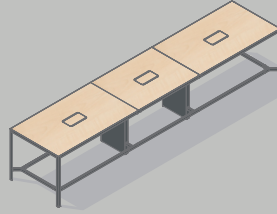

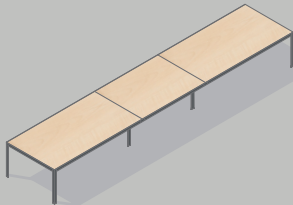

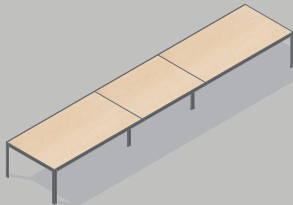

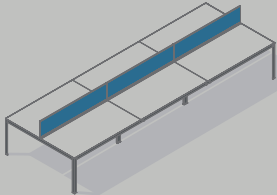

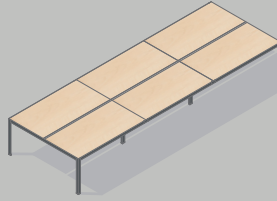

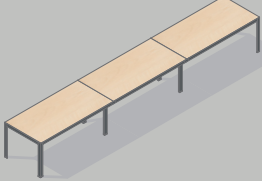

FR Frame Evo, en version haute, devient le protagoniste d'un espace convivial, dans une atmosphère chaleureuse et accueillante. La structure métallique avec le plateau en chêne, s'assortit de façon optimale avec les lampes, la bibliothèque et les tabourets de la collection Sinetica.

DE Frame Evo, hohe Version, wird zum Protagonisten eines geselligen Raums, geprägt von einer warmen und ansprechenden Atmosphäre. Die Metallstruktur mit Eichenholzplatte passt ideal zu den Lampen, dem Bücherregal und den Hockern der Sinetica-Kollektion.

ES Frame Evo, en la versión elevada, se vuelve protagonista de un espacio convivial, caracterizado por un ambiente cálido y atractivo. La estructura metálica con mesa de roble crea una combinación ideal con las lámparas, la librería y los taburetes de la colección Sinetica.
