

MADE IN ITALY

QUADERNO
DI RICERCA
MOODBOOK
2019

Il punto di partenza è la tensione verso la bellezza, verso l'arte,
in modo che la sorpresa, lo stupore, l'inatteso
siano parte anche dell'opera architettonica.

The starting point is the drive for beauty, for art,
so that the surprise, the astonishment and the unexpected
can be part of the architectural work as well.
