ORIO LLAHONA

Oriol Llahona (Barcelona, 1977) studied Design in Elisava (Barcelona), at the Universität GH Essen (Germany) and at the Southampton University (UK).

After working in companies and design studios, in 2006 he created the brand "llahona.", based on designs with a cosmopolitan, contemporary and positive vision.

You can find in his designs the essence of life and the emotions, shown with elegancy and a hint of surprise.

Currently he is working for companies in Europe, Asia and America.

A photograph of an outdoor dining area. In the foreground, a long, light-colored wooden table is set with several wicker chairs. The chairs have different designs: some with light-colored frames and woven backs, others with dark frames. The ground is paved with cobblestones. In the background, there is a circular stone fountain, lush greenery, and a building with large windows. The scene is brightly lit, suggesting daytime.
