design by Marco Lavit

## Unique Selling Propositions – Hut

**1** **SCULPTURE:** more than a furniture piece, HUT is an iconic sculpture with strong identity and streighlined shape on a round comfortable bed.

**2** **FROM RUSSIA, WITH LOVE:** made of Siberian Larch, a slow growing tree known for its strong and compact fiber and the very good performances of its wood, when exposed outdoors.

**3** **COZY & LAZY:** a round comfortable bed, with surrounding light curtains on a “teepee” style roof. Cocooning, for lazy summer afternoons.
